Brown.

CUTS BOTH MEN SEVERELY.

Police Called but by the Time They
Arrived the Fellow Had Made
Good His Escape.

An Indian made a murderous as-
sault upon John J. White, a former
police officer of Topeka, Kan., and W.
J. Brown, an employee of the O. S. L.
company at the depot last night.

White received two wounds in the
back, the knife blade penetrating to
one of the lungs. Brown received a
long gash in the neck. The blade
broke off in one of the wounds inflict-
ed on White who made his way to
the emergency hospital, where his in-
juries were attended to by Police
Surgeon S. G. Paul. Brown's wound
was also dressed there.

The trouble was caused by a
crowd of Indians who were using ob-
scene language. Brown ordered them to
stop their talk, at which they were
so angry that one of the fel-
lows drew a knife and made a lunge
at Brown, cutting his cheek and neck
open. At this point White took a
hand in the mix-up and was stabbed
twice in the back. The police were
called but the man who used the
knife disappeared. One of the gang
was placed under arrest but was re-
leased later as he had taken no part
in the trouble.
