## ELKS HONOR DEAD MEMBERS

Impressive Memorial Services Held in Club Rooms Sunday Afternoon.

## SCHOOLS CLOSE TWO WEEKS

For Christmas Holidays—George Deever Loses an Eye in Accident—Milkmen Raise Price of Milk.

Ogden, Dec. 3.—The Elks club rooms were well filled yesterday afternoon with members of the order, their wives and friends, who assembled to participate in the memorial services held in honor of six of the members of the order who have passed from mortality.

The ceremonies lasted for over an hour and were very impressive. Judge H. H. Rolapp and Frank J. Cannon were the speakers, who beautifully portrayed the faith and hope in the hearts of mankind in a future existence where the ties of love found in this life will continue on throughout the ages to come, and the memories of the dead should live in the hearts of the loved ones and friends throughout life. The services were held in the Elks club rooms, which were decorated with flags and bunting, and the hall was filled with flowers and evergreens.

## LOSS OF AN EYE.

George Deever, a well known machinist, lost his left eye in the local shops of the Hartman lines, has suffered the loss of his left eye.

Mr. Deever was performing his work on one of the machines with every care possible when the belt on the machine came loose, taking with it a small piece of steel, which was hurled into Deever's face, striking him in the eye, penetrating the eye ball. He shrieked with pain, and his fellow workmen went to his assistance, and on learning what had happened, took him to the office and sent for the ambulance, which soon arrived, removing him to the hospital, where Drs. Brick and Perkins examined the injury and decided that the pupil of the eye had been ruptured, and that there was no chance to save the member, so an operation was performed and his eye removed. It is believed he will now recover, although he will suffer considerable pain, and it will take considerable time for the wound to heal up.

## PRICE OF MILK GOES UP.

The price of milk took an unexpected jump yesterday in Ogden. The dairymen notified their customers that commencing yesterday, they would sell only 15 quart pails for \$1, which is a raise of more than 25 per cent. Heretofore milk has been sold at 20 quarts for \$1, or five cents per quart, but in the future the public will only get three quarters of a quart for five cents. Many of the housewives and others who very much put out over the sudden raise in price, as they felt that milk was bringing a good price before. The dairymen claim that the high price they now have to pay for hay and other feed, together with the high price they must pay for good milk cows, makes it impossible for them to continue selling milk at five cents per quart. Milk and cream has been selling at a uniform price for

## WOODRUFF.

COOK-LONGHURST WEDDING.

Bear River Land and Cattle Co's Big Ranch Sold.

Special Correspondence.

Woodruff, Rich Co., Nov. 28.—One of the brilliant social functions of the season here was the wedding reception given Thursday, Nov. 22, in honor of Albert Longhurst and Effie J. Cook, who were married in the Logan temple on the 14th inst.

The large ranch owned by the Bear River Land & Cattle company was recently sold to some prominent business men of Evanston, and the firm name changed to the Crawford Land company. The principal stockholders being Charles Stone, A. E. Bradbury, Frank James and John Ward. A few days ago about 5,000 acres of this land was again sold to David Reese of Coalville, Utah.

The Crawford Land company still holds about 6,000 acres of good land. The former company, the Bear River Land & Cattle company, this season raised over 20,000 bushels of grain and about 1,800 tons of hay. They are also feeding and preparing for shipment about 2,500 head of beef steers.

In consequence of there being only two steam thrashers in the valley, and the harvest very abundant, the grain will not be thrashed for two weeks yet. These two machines will thrash about 200,000 bushels.

## SHELLEY.

WEEK OF AMUSEMENTS.

Successful Bazar, Rummage Sale and Home Dramatics—Coal Famine.

Special Correspondence.

Shelley, Blingham Co., Idaho, Nov. 30.—The week passed has been a busy one in the way of entertainments under the management of the bishopric of the ward. A bazar has been open all week in the Latter-day Saints' hall, where useful articles of all descriptions have been on sale, which were donated by local talent. Each evening a full house greeted them. Thanksgiving day a rummage sale was held. Pigs, calves, implements, stoves, wearing apparel, etc., all of which had been given by the people were auctioned off to the highest bidder. A delicious dinner was served in the hall and in the evening a grand ball closed the bazar, which was in every way a success, netting for the week about \$400, which amount will be used in paying off the indebtedness on the hall. Bishop Joseph Holland was untiring in his efforts to make everything a success.

The weather is cold, the ground frozen over with a coating of snow. People are crying for coal, but none is in sight; what the outcome will be is hard to tell. If coal is not had soon, people will suffer.

## SOCIAL AND PERSONAL.

An interesting event of Friday was the marriage of Miss Margaret May Merrill and Mr. Joseph Fisher, the ceremony being performed in the temple and a reception given at night in their honor at the Bee Hive House by President Joseph F. Smith, who was the officiant of the bride.

The historic house was beautifully decorated in white and green throughout, English ivy being used in profusion. The diningroom was especially pretty with its table done in the white and green with streamers of white tulle hanging from the chandelier to the corners, and the ivy strewn about the board.

The bride wore an artistic gown of filmy white muslin trimmed with butterflyes and lace, her own design and handwork, and carried a shower bouquet of bride's roses. A delightful program of music, together with addresses by President Smith, and Mrs. Bathsheba Smith, grandmother of the bride, and others were among the pleasant features. Assisting the hosts in receiving and entertaining were Mrs. B. S. Merrill and Mrs. Alice M. Horne, mother and sister of the bride. Miss D. G. Allen, Mrs. Joseph L. Richards and Miss Ina Smith. About a hundred guests enjoyed the affair.

Another pretty affair of Friday was the Thanksgiving luncheon given by Mrs. Alice M. Horne for the Daughters of the Revolution, about 20 members of the patriotic society being present. The table was decorated in green and white, and the hostess read several patriotic selections which were much enjoyed. The guest of honor of the occasion was Mrs. Mary S. Horne, whose marriage to Joseph Horne took place 50 years ago to the day. Mrs. Horne related many interesting reminiscences of that far away Thanksgiving day. She stated that the prominent memory of her wedding day was seeing on their way home after the ceremony, the approach of the famous handcart company which that day arrived from their terrible journey across the plains. Her wedding day was spent in ministering to the pressing wants of the wanderers, a task which engaged the efforts of the entire pioneer colony. Not many brides could tell of such a unique wedding celebration, and Mrs. Horne's recital was most touching.

## STOMACH SUFFERERS

SQUANDER MILLIONS

In Search of Relief.

The world is full of disordered stomachs and 90 per cent of the money spent upon physicians and drugs goes in an attempt to cure the stomach.

People are made to believe that in order to gain health they must doctor their stomachs and use cathartics. So the doctor gets his fee for the stomach treatment and the druggist for the physic, until the savings of a life time are exhausted and yet no cure.

Let's be reasonable.

The sick stomach is in every case the result of over-eating, hurried mastication and improper choice of foods. The secret lies in the way down the food tract loses its sensitiveness, and when food is forced down the muscles fail to respond. They do not churn the food as they should. The glands no longer give out gastric juice to dissolve the food and render it capable of assimilation. The man has become a dyspeptic.

There is one sure way and only one to bring positive relief. Put into the stomach of yours the very elements that it lacks to get that food into liquid form. It takes pepsin, diastase, golden seal and other ferments to accomplish this. The healthy stomach contains these elements. The dyspeptic stomach lacks part or all of them. Stuart's Dyspepsia Tablets is made up of just what the dyspeptic stomach lacks—nature's digestives.

Tablets are not a medicine, not a drug, not a cathartic. They do not cure anybody of anything but Dyspepsia and Indigestion and such ailments as arise from poorly digested food.

While they digest the food the stomach recuperates. The mucous membrane is coming out of its stupor, the gastric juice is coming to the surface, the muscles are regaining their power. Every organ of the body takes on new life, the skin gains color, and the eyes are no longer tinged with yellow. You live.

Why doctor and why drug yourself? Stuart's Dyspepsia Tablets will take care of your food while Nature cures you.

Try a box at your druggists, 50 cents. Or, if you prefer a free trial package before buying, send your name and address today. P. A. Stuart Co., 68 Stuart Bldg., Marshall, Mich.

The hop at the Post Friday night was a delightful affair, a large number being present from the city as well as the garrison. The hall was bright with palms and flowers, and the guests were received by Col. and Mrs. Lockwood, Capt. and Mrs. K. G. Worriell and Capt. and Mrs. Clement. The buffet supper was in charge of Mrs. W. H. Point and Mrs. F. T. Burton, and was served in the ante-room, while punch was dispensed during the evening from a prettily arranged corner. A choice musical program was given by the instrumental orchestra, and the entire affair was delightful.

Mrs. H. J. Woodhast and daughter Margaret of Los Angeles are in the city and will be the guests of Mr. and Mrs. Albert S. Horne for the next two weeks.

Mr. and Mrs. George Romney, Jr., have gone east for a short stay.

On Wednesday Miss Louise Allington and Mr. E. Hart were married, the ceremony being performed at 8 o'clock at the home of Mr. and Mrs. J. H. Saxman which was prettily decorated for the occasion with palms, ferns and flowers.

Bishop F. S. Spaulding performed the ceremony, and Miss Alta Young was the bridesmaid, while Mr. Saxman acted as best man. Appropriate bridal music was furnished by Mrs. Merritt. The bride wore a handsome gown of white net over taffeta with pearl trimmings and carried bride's roses. Miss Young was gowned in white mulle and carried pink and white carnations. After Dec. 15, Mr. and Mrs. Hart will be at home at 329 south Eighth West street.

A delightful program was given at the Ladies' Literary club Friday, consisting chiefly of a story written by Mrs. Morris Ritchie, which brought in some of the best known child characters of fiction, who were represented by living children in tableaux. Musical numbers were also given by several young people, including Alfred Peabody, Margaret Harris, John Putnam, Marion Hooper and others.
