**REMARKS.**

By President BRIGHAM YOUNG,

made in Tooele City, Aug. 17th, 1867.

[REPORTED BY G. D. WATT.]

I desire to say much to the people,

but I fear I shall have to deny myself

the satisfaction, unless I am strength-

ened of the Lord. I will present before

you a few things with which I am more

particularly impressed. I desire you to

hearken to that which has been said

during the session of this Conference,

and to that which may yet be said dur-

ing the continuation of our meeting.

We can enjoy the blessings of heaven,

or we can deprive ourselves of that en-

joyment. Intelligent beings have the

power to exercise their free will and

choice in doing good, equally as much

as in doing evil. All have the privi-

lege of doing evil if they are disposed

so to do; but they will always find that the

This is no new or strange thing that

you are required to do. Thirty-five

years ago we were called upon to reform

in our lives, by giving heed to the same

Words of Wisdom; and if any man

comes to you and tells you that you

must have a little tea and a little coffee,

by the same rule he may urge you to take

a little tobacco, and a little intoxicating

liquor, or a little of any other substance

which is hurtful to man. This destroys

their claim and right to the spirit of re-

velation and they go into darkness.

There is not a single Saint deprived of

the privilege of asking the Father, in

the name of Jesus Christ, our Saviour, if

it is true that the Spirit of the Al-

mighty whispers through His servant

Brigham to urge upon the Latter-day

Saints to observe the Word of Wisdom.

All have this privilege from the Apostle

to the lay member. Ask for yourselves.

We are called to be Saints, to be the

chosen people of the Lord Almighty, to

be the saviors of the children of men, to

gather the house of Israel, and save the

house of Esau. Are we trifling with

our high and holy calling before the

Lord? Are we trifling away our precious

time? If we are, we are trifling with

our salvation. Then hearken, O ye

Latter-day Saints, and hear the Words

of Wisdom which the Lord has given

unto you. It is written: "For the chil-

dren of this world are in their genera-

tion wiser than the children of light."

There is a just reason for this saying.

But the Latter-day Saints who hearken

to the words of the Lord given to them

touching their political, social and fi-

nancial concerns, I say, and say it bold-

ly, that they will have wisdom which

is altogether superior to the wisdom of

the children of darkness, or the chil-

dren of this world. I know this by the

revelations of the Lord Jesus Christ,

and by the results of my own actions.

They who have hearkened to the coun-

sels given to them in temporal matters

have invariably bettered their condition

temporally and spiritually. The day

has gone by in which the people of God

are to be trodden under foot by their en-

emies, in which they are to be poor out-

casts to wander in sheep skins and goat

skins, etc., but they had better continue

to do that, and dwell in the caves of

these mountains, and dress as the Indians

do, than to forsake their God and their

religion. Who is there among this peo-

ple who cannot handle the things of this

world without loving them in prefer-

ence to the things of God? If there is

such a person, I pray God to make him

or her poor. Some among us are so

foolish as to lift up their heels against

the Almighty as soon as He blesses them

sufficiently to make them a little com-

fortable and independent. This is la-

mentable. It is a disgrace to humanity

to suffer the paltry things of this mor-

talidity to decoy away our affections from

God and turn them to the beggarly ele-
