

SEVERAL very interesting lectures last night in this hall on "Governmental Education." His remarks were highly instructive and were listened to with much interest by the audience.

HAS VOTED.—Denver has voted for in \$500,000 bonds to the Union Pacific Railroad, and for a branch line. Her people were urged to come promptly up to their duty, as General Dodge requested. They came; they crowded around the polls; and they voted; the county casting 1,251 votes, of which 1,200 were for the bonds and the railroad. Denver may jubilate, she will hear the whistle of the steam engine by another fall; so it is promised, and this she has voted for.

CERTAINLY.—Denver is not quite as old as Rome, but it can take rank in modern civilization (2) with the large cities towards the rising of the sun. "Pauline" is the name given to a "little stranger," found there a few days ago on the steps of the Mansion House. Poor baby! It had a father and a mother. Pity but they could be "set on the steps" of a solid night, or worse.

THE WEATHER.—This morning we had a little snow—a very little. Towards noon the sun shone out brightly. Hard frost last night. The following has been received by Deseret Telegraph Line:

Logan; cold and foggy; very hard frost last night.
Ogden; bright, but very cold.
Payson; sun shining and very clear; air cold and freezing. We continue to have very cold nights, which partly retain the snow.
Nephi; clear and pleasant; thawing.
Chicken Creek; clear and cold. It looks like spring. We have only two inches of snow.
Cove Creek; cold, but beautiful and clear. A severe frost last night.
Beaver; clear and very mild, not a cloud to be seen. The nights are very cold.
Parowan; clear and pleasant. The snow is a foot deep.
Tukerville; fine and quite warm.
St. George; clear and beautiful; the streets are dry, and it is pleasant traveling. Thermometer 64.

Special Notice.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugsley's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David Le Baron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Br. Le Baron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed, if.

We must again refer to Mrs. White's success in her teaching music by "Robbin's American Method," as encouraging to all desirous of becoming acquainted with the art. One of her pupils in this city, a boy under 11 years of age, in three weeks tuition, without having any previous knowledge of music, was able to write his own accompaniments. All things considered, this is astonishing. It would be an excellent thing if some of our best musicians would obtain a knowledge of her system, especially those who play the piano and organ, for without doubt a better knowledge of music can be obtained by it in a few months, than by years according to the old system. The application of thorough Bass, or Harmony, to the Piano and Organ, is a point that should not be overlooked.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors.

The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get held of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS?

Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.
