BORN IN IOWA. Our family were all born and raised in Iowa, and have used Chamberlah's Colle, Cholera and Diarrhoea Remedy (mide at Des Molnes) for years. We know how good it is from long experi-ence in the use of it. In fact, when in El Paso, Texas, the writer's life was saved by the prompt use of this remedy. We are now engaged in the mercantile business at Narcoossee, Fla., and have introduced the remedy here. It has proven very successful and is constant-by growing in favor.—Ennis Bros. FIRE CHIEF INJURED

Former Fire Chief Vail met with painful accident last night and had a close call from death by coming in contact with live wires in front of the Auerbach building. It was the second alarm to which the chief re-sponded while the council was cutting off his official head. He climbed a lad-der to determine which was the besi way to get at the blaze and in doing so had to pass between several wires. His wrist came in contract with one of the wires and Vail was rendered unconscious. Some of the firemen hitconscious, some of the interment quickly saw his danger and removed him from among the wires. Chief Vail's wrist was badly burned and he stated that but for the prompt assistance ren-dered by the men he would surely have been killed.

He was on his way home, walking along First South between First and Second West'streets when he was confronted by two men, one armed with a revolver. They forc-ed Coon to throw up his hands and then relieved him of \$4. The matter was reported to the police but Coon was unable to give a good description of the robbers.
