LOCAL AND OTHER MATTERS.

FROM FRIDAY'S DAILY, JULY 7.

Releases and Appointments.—Elder Herbert L. James is released from the Bristol Conference and appointed to labor in the business department of the *Millennial Star* Office.—*Millennial Star*, June 18th.

Normals.—We learn from Mr. T. B. Lewis, County Supt. of District Schools, that the Board of Examination for Salt Lake County, will meet all Normal applicants for the ensuing Academic year, at the 20th District School house, Monday, July 16th, at 10 a. m.

Released on Account of Ill Health.—On Saturday evening Elder John McQuarrie arrived home from a mission to his native land, Scotland. He left Ogden last October, with some other Elders and in due time reached his field of labor. But after he had been there some time he discovered the climate was too heavy for his constitution. He was taken sick and continued to get worse, so the authorities of the British mission released him from his labors in the ministry. He started home in advance of the company of immigrants.

What a White Patch Did.—Yesterday a man entered the office of Attorney Gee, east of the White House, and inquired if a man whose name he gave, was about the place. He was answered in the negative, when he passed into another room, took a couple of coats from the pegs from which they were hanging and tossed them out of the window. A confederate of the thief who was waiting below, picked up the garments, leaped the fence and escaped.

Fortunately for the owner of the coats, and not quite so for the party that ran off with the property, the latter had a white patch on an unmentionable part of his pantaloons. He was arrested by officers Phillips and Thomas, but the witnesses stated they could not positively identify his facial features. They said, however, that if he were the man he had a white patch on his pants. The gentle policemen turned him around and there was the patch sure enough. The other thief who threw the coats from the window was also arrested. Their names are James Young and Robert Brown.

The moral of this incident is that a white patch will, under some circumstances, serve a similar purpose to the dramatic "mole on the left arm."

How It Was at Grantsville.—The Fourth was heartily celebrated in Grantsville, the proceedings being conducted in the meeting house. The preparations were arranged and conducted by a committee appointed by the City Council. They were, W. R. Judd, A. L. Hale and Wm. Green. The musical exercises were ably conducted by Prof. Ratcliffe, the leading musician of the county, who is doing much good in that line. He is leader and instructor of a brass and other bands, including a juvenile martial one.

Wm. Jeffreys, an orator of the day, delivered a telling speech. Excellent speeches were also delivered by

F. Kesler, on education; W. Rydalo, on Co-operation; W. R. Judd, on Grantsville. The last named was a regular side-splitter, the speaker keeping the audience in a constant condition of hilarity by the relation of sparkling local allusions and anecdotes.

Among the features of the occasion was a public dinner given by the brass band. There was a large variety of field and other sports, the scene closing with a dancing party at night.

The Work in England.—From the *Millennial Star* of June 11th, we learn that Elder Isaac Green and other brethren were recently abused by a mob at a place called Hanham, a few miles from Brighton. They attempted to hold an open-air meeting, which was, however, broken up, and they were followed half a mile by a crowd and pelted with a variety of missiles, one stone striking Elder Rhees in the back. The brethren did not feel at all discouraged by these demonstrations, and proposed prosecuting their labors with undiminished vigor.

The same periodical contains the following:

"While Elders G. O. Parkinson, W. F. Smith, B. Bennett and H. L. James were holding an open-air meeting at Birkenhead on Friday evening last, a preacher named Jos. Adam, of the Christian Church, publicly challenged Bro. Parkinson to discuss with him the doctrines of 'Mormonism,' declaring he could prove them unscriptural. The challenge was accepted, and the discussion will be held in the Christian's Meeting house, Wesley Street, off Cloughton Road, Birkenhead, on Tuesday, June 12, commencing at 7.45 p. m."

THE SILVER LAKE CASUALTY.

FURTHER PARTICULARS OF THE SAD AFFAIR.

Yesterday we made a brief statement to the effect that Robert Ritter and another young man were accidentally drowned on Silver Lake on the 4th. The name of the other deceased is William Ayers. They were, in company with Amos Shaffner, out on the water on a boat, and engaged in a scuffling frolic, when the little vessel turned bottom side up. Shaffner being unable to swim clung to the boat and managed to mount it. The other two being expert swimmers, struck for the shore, but becoming exhausted failed to reach it and sank.

No persons were near at the time, and Shaffner shouted with all the vocal energy he possessed, until the sound of his cries reached the people at the hotel, when eight or ten men rushed to the edge of the lake. There being no other boat than the one to which Shaffner was clinging he was reached and rescued by means of an old raft. Ayer's body was recovered at 5 p. m. the same day, an hour after the accident, but that of Ritter was not reached until 10 o'clock yesterday morning. Both were brought to the mouth of Big Cottonwood last evening, and handed over to the Justice of the Peace of Butler Precinct.

Ritter, who was 24 years old, and a resident of Big Cottonwood Ward, where his mother and other relatives live. Ayer, aged 25 years, was a stranger, having come from the East some time since.

We understand that none of the parties were under the influence of liquor when the accident occurred, all three being quite sober.

DEATH OF JOSEPH TORONTO.

At a quarter past ten o'clock this morning, Brother Joseph Toronto, after an illness extending over a period of six years, breathed his last, at his residence, in the Eighteenth Ward. The deceased was an old member of the community, and much respected for his exemplary conduct. He was a native of the Island of Sardinia, where he was born in 1818. When he was a mere child his parents immigrated to Palermo, Sicily. In early life he was engaged as a seaman in the Mediterranean merchant service, and subsequently held the same position on American vessels. He embraced the Gospel in 1845, being baptized in Boston, by Elder George B. Wallace. He soon afterwards went to Nauvoo, via New Orleans.

The life of Brother Toronto exhibits many interesting incidents reflecting credit on the goodness of his heart. The late President Young

used to frequently tell one of a more than ordinarily striking character. It was to the effect that when the authorities of the Church appeared to be at a standstill in the prosecution of the work of finishing the Nauvoo Temple, Brother Toronto entered a room where a meeting was being held and poured out upon a table a large quantity of gold, \$2,600, which was contained in a number of old oyster cans, to be used in advancing the work.

He came to this Valley with the Pioneers, traveling in President Young's company, with whom he resided for several years. In 1853 he located in the Eighteenth Ward.

Among other labors he performed in connection with the Church was a mission to Italy, in 1848, soon after he came to this Valley. He performed another mission to Sicily, going in 1875 and returning in 1877, when he brought here at his own expense, a company of fifteen Sicilians. Subsequent circumstances connected with that event appeared to bear heavily upon his mind, materially affecting his health, and he never recovered his former balance.

While many people know a great deal of good about Brother Toronto, we do not think there is anyone who can truthfully say anything bad about him.

The funeral services will be conducted at the Eighteenth Ward Chapel at 4.30 p. m. on Sunday, the 8th of July.

TO THE FRESH MEN!

You must put in your orders soon for the **Case Agitators** to get them this year, as the supply is likely to be exhausted early, as it was last year.

The record stands thus: We sold 20 in 1891, 33 in 1892 and we already have 35 orders for this year.

Send in your orders or you will be too late.

Don't let any man deceive you by the assertion that he has nearly as good a machine as the Agitator. The Agitator, as is well known, will out-thresh them all and clean and save every kernel.

RELIEVED OF TAPE WORM.

SALT LAKE CITY, U. T.,

July 2nd, 1892.

This is to certify that my little girl, eight years old, has been afflicted for some time with a monstrous tape-worm, for which I placed her under the treatment of Dr. E. L. Plant, and in a very short time he took from her a worm 18 feet long, and I am pleased to say she is now well and hearty as ever. I sincerely recommend Dr. Plant as a skillful physician in that and many other lines.

Yours truly,
Mrs. E. HABISH,
14th Ward.

ANOTHER LIFE SAVED.

Mrs. Harriet Cummings, of Cincinnati writes:

Early last winter my daughter was attacked with a severe cold which settled on her lungs. We tried several medicines; none of which seemed to do her any good, but she continued to get worse, and finally raised large amounts of blood from her lungs. We called a family physician, but he failed to do her any good. We then called on a physician—a most skillful professor in one of our colleges—he said that she could not get well. At this a friend who had been cured by Dr. Wm. Hall's Balm for the Lungs, advised me to give it a trial. We then got a bottle, and before she had used it all up she began to improve, and by the use of three bottles was entirely cured.
