In the Whole History of Medicine No preparation has ever performed such marvelous cures, or maintained so wide a reputation as AyER's CHEBRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long-continued series of wonder-Its long-continued series of wonder-ful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary celds, which are the fore-runners of more serious disorders, it acts speedily and surely, always relieving suffering, and often sav-ing life. The protection it affords, by its timely use in the throat and hung disorders of children, makes ung disorders of children, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it, never will. From their knowledge of its composition and effects, Phy-sicians use the CHERRY PECTORAL U. S.
