The only business of any importance considered by the council was the reading of the mayor's veto to the granting of a tranchise to Simon Bamberger for his electric railroad in Ogden City, but the franchise ordinance was passed over the mayor's veto by a unanimous vote and the veto was lost. The mayor's vote and the veto was lost. The mayor's main reason for vetoing the franchiso was not because he is opposed to the building of the railroad, but he was op-posed to granting the franchise for more than 30 years, and the one given Mr. Bamberger is for 50 years. The work on the line will now be pushed by Mr. Bamberger between Farmington and Ogden. He has already had the proposed route surveyed and made the preliminary arrangements.

# What Is It Worth **Your Liver Right?**

Lots of people have liver trouble, and many ills disappear when you get the liver working right. You can tell when it's out of order by your sallow skin. dull eyes, morning headache, sluggish bowels and poor appetite.

When you have any of these unpleasant feelings, resort to Beecham's Pills. Take a dose at once, and then follow directions. It will save greater expense and things will soon look brighter. Take Beecham's Pills and the bowels become regular, the head clears, eyes brighten, skin improves, appetite returns and you feel like yourself again.

Remember Beecham's Pills do this. Your neighbors know it and thousands have proved it. Beecham's Pills are the best medicine you can take for stomach, liver and bowels. This was true over fifty years ago, and it's true today.
