remand Ballof Bas, in the Decem-ber number of her paper has a long and pointed article on the Utah question. The lady wants to know why the Governor of this Territory "in a spaam for virtucus indigna-tion, proposed the disfranchisement ind, proposed the disfranchisement tion, proposed the disfranchisement and industry. But the system which anti-poly-sex, and says. "If it is on account "In a spaam jot virtuous indigna-tion, proposed the disfranchisement of Utab woman." She cannot see why he discriminated against her nex, and says. "If it is on account of polygamy, the women were not its institutors; if the laws of Utab are illegal, the women did not make them." Pethaps we can enlighten jthe lady a little on this question. The indy a little on this question. The

Indy a little on this question. The the offspring of lustful cohabita-forernor "didn't mean it." His to --if any, as nameless children of aname, puts a bas on the sinned thrown to the hungry "Mormon-enters, who had been elamoring against him because he had shown distruct, deception, disease, dagraagainst him because he had shown distrust, deception, distant, digrano decided hostility to the majority dation and death; festers crime, of the people for whose benefit he and strikes at the very foundations position of the first elecuit jadg-was appointed to office. But if it of domestic, social and national ship, he will defer his own wishes will be any satisfaction to the lady bandlaces and existence.

will be any satisfaction to the lady happiness and existence. and , her associates, we can assure That which Mrs. Gage alludes to, them that he has made no capital and which Talmage in a small dethem that he has made no capital by his "spasm," and it is not at all likely that his propositions will at-tract any further notice than that accorded to them by the portion of the press which has given them passing mention. The lady them takes up the sub-ject of the movement of "the Gen-tile women of Utah," and makes the following caustle comments:

rality is this cry against plurality of basis for the social superstructure; partially suspended. Stack Brokers. we're no liquor mloons, no gambling duais and families together in a Naw York, I3. - The World says:

were no liquor micros, no gambling hells, no houses of prostitution, no paupers and few criminals. They weres not compelled to lock their doors from thieves, and at any hour of the night a woman was safe to traverse any part of the city unat-tanded. But now, through the housbands, fathers, brothers and friends of the male sex of these 'Gentile' women, institutions have been established wishes were pre-viously unknown in Utah: 'Baloons, gambling dens, houses of ill-fame.' These the 'Gentile' is declass they feel is not to each vices in the Blates, but plural marriages they feel is 'more than their delicate natures' 'many husbands is hated and scern-ed by these very men who 'sup-our bear.
