

The Sanity of Roy Kaighn.

Morning Session Was Taken Up in the Introduction of Rebuttal Testimony on This Point—The Case Will Perhaps Not Go to the Jury Until Some Time Next Week.

The morning session of the Kaighn trial was taken up in the introduction of rebuttal testimony on the sanity of Roy Kaighn at the time he did the shooting. Five witnesses were called and testified, judging from the attorney's conversations of defendant, the police station on the afternoon of the shooting, he was sane and was perfectly capable of distinguishing between right and wrong.

Official John Hempel was of the same opinion as Mr. Hilton, namely, that the boy, at the time he saw him, was sane and could distinguish between right and wrong. Detective Gillespie testified that he saw defendant for about 30 minutes on the afternoon of the shooting after he had been arrested. In his judgment the boy at that time was sane and able to tell right from wrong. Desk Sergeant Charles Livingston stated that he was on duty when defendant was brought into the police station after the shooting and was in his presence about 20 minutes. He acted in a very nervous and excited manner. The further examination of the witness was continued until 2 o'clock and the court then took a recess until that time.

REIGN OF TERROR IN WILKESBARRE.

Sheiff and Deputies 'Powerless to Maintain Order—Street Cars Boarded by Mob Searching for Non-Union Men—Some on Their Way Home From Mine Badly Beaten And Left on Broadway for Dead.

Wilkesbarre, Sept. 24.—A reign of terror existed in this city last night and early today. Sheriff Jacobs and his deputies were powerless to preserve order. No sooner was one outbreak suppressed than another broke out.

At Nanticoke the street cars were boarded by the mob in search of non-union men coming from or going to work. A sheriff's posse and a crowd of strikers exchanged shots at Wanamie after the latter had deflected a train of coal cars. At Plymouth non-union men on their way home from No. 2 mine were beaten so badly that they were left on the roadway for dead.

Shortly after 1 o'clock a demand for more deputies was received from no less than ten places in Luzerne county. Those applying for aid said that if help were not sent at once there would be loss of property and possible bloodshed. Shortly before 2 o'clock this morning Sheriff Jacobs telegraphed Stone that the situation in the Wyoming region was beyond his control and in order to protect life and property troops would have to be sent here at once.

At Exeter this morning a mob of 500 gathered in the vicinity of a washery and prevented the employes from going to work. A deputy sheriff named Burke was knocked down by stones and injured severely.

Large crowds are gathered around the washeries and mines in operation and the situation is very threatening.

Gov. Stone, Adjt.-Gen. Stewart and Sheriff Jacobs did considerable talking over the long distance telephone today. The governor suggested that the names of 12 prominent citizens be sent him as a guarantee that there was real need for the troops. The required number of signatures having been secured, the governor and adjutant general then held a conference, and at noon the order came calling on the Ninth regiment with headquarters in this city. The work of mobilizing the regiment at once commenced. The regiment is made up of 12 companies, about 750 strong, and is commanded by Col. C. B. Dougherty.

This morning the situation is more quiet, although an uneasy feeling prevails. The soldiers sent here last night are on duty and have pitched their tents apparently for a long stay. No move has been made to send the colored iron workers away, as the management of the American Iron and Steel company is said to have promised Mayor Hess yesterday, and it now looks as if they are to stay.

TO CLOSE ON STATE FAIR DAY.

Governor Wells and Mayor Thompson Issue an Appeal to the Citizens of Salt Lake, Who are Asked to Show Their Loyalty.

Governor Heber M. Wells and Mayor Ezra Thompson issued the following to the citizens of Salt Lake today:

To the Public:—It is represented to the undersigned that the directors of the Deseret Agricultural and Manufacturing society are arranging to make a special feature of the opening day of the state fair, on Tuesday, Sept. 30, at 1 o'clock p. m., and are especially desirous to have the same patronized on that day by the people of Salt Lake City. In furtherance of this object it has been proposed that all places of business in the city be invited to close on the afternoon of that day, in order to afford their employes an opportunity to attend the fair.

Believing that the state fair, having for its object the promotion of home industry and the development of the resources of the state of Utah, is deserving of every encouragement, we most cheerfully second the public spirited efforts of the directors to make the opening of the fair an especially memorable occasion, and to this end we earnestly request the business people of the city to close their respective places of business on Tuesday next at noon, and we respectfully urge all the people of the city to demonstrate by their presence at the fair their devotion and loyalty to those interests which make for the material welfare of the commonwealth.

HEBER M. WELLS, Governor. EZRA THOMPSON, Mayor. Salt Lake City, Utah, Sept. 24, 1902.

STRATTON'S WILL WILL BE CONTESTED.

Denver, Colo., Sept. 24.—I. Harry Stratton of Pasadena, Cal., after a conference today in this city between his attorney, Judge A. T. Gunnell of Colorado Springs, and Wolcott & Valle, decided to contest the will of his father, Winfield S. Stratton, leaving the bulk of his estate estimated to be worth from \$100,000 to \$120,000 for the establishment of a home for poor sick people at Colorado Springs. Under the provisions of the will, the remainder of the \$30,000 which his father bequeathed to him by making a contest.

GREIG'S FORGERIES VERY LARGE.

London, Sept. 24.—L. H. Greig, a bookkeeper in the London offices of the Carnegie Steel company, who was charged on Friday last on the charge of forging checks amounting to \$3,500, purporting to have been signed by Col. Millard Hunsicker, chairman of the Nickel corporation, was again remanded today after a brief hearing.

ST. LOUIS REPUBLICAN CLUBS.

Peoria, Ill., Sept. 24.—The convention of the state league of Republican clubs opened at 10 o'clock today with 2,900 delegates in attendance. President Parker in his annual address said: "The young and inexperienced voter is prone to follow an individual rather than to support the party platform. He is apt to become a factionalist before you have a chance to do otherwise." The Republican party exists to better general conditions and the large majority of its members welcome internal improvements. Conduct your fight for that you think is right from within the party rather than carry on a separate campaign from a detached point which to the naked eye appears suspiciously like the camp of the enemy."
