

LOCAL AND OTHER MATTERS.

NOTICE.

The members of Zion's Camp, who accompanied Joseph Smith to Missouri in 1844, will bear it in mind that their adjourned re-union will take place at the time appointed, immediately after Conference.

ZION'S CO-OPERATIVE MERCANTILE INSTITUTION.—In accordance with the Constitution of Zion's Co-operative Mercantile Institution, the stockholders met to-day at two p.m., in the Tabernacle. The majority of the Board of Directors was present, but only a few of the stockholders. It is desirable that there should be a full attendance of those who have stock in the Institution, to hear the report of the Directors and to attend to other business; a motion was, therefore, made that the meeting be adjourned until two p.m. on Monday next, the 10th inst. This motion was unanimously carried. The stockholders should bear this appointment in mind and be present at the Tabernacle at that time.

THE THEATRE.—To-night that very beautiful meo-drama, "The Gunmaker of Moscow" will be presented, in which will appear Messrs. McKenzies, Graham, Thorne, Bowring, Teasdale, Mrs. Kiskadden, Miss Platt and a numerous cast. The play is a standard piece, and possesses sterling claims to public favor and appreciation, and in the hands of such a talented company it will be sure to gratify all beholders.

The entertainment will close with the laughable farce "The Lost Child," just the piece to excite the risibles after witnessing the trials and troubles of the Gunmaker and his lady-love, and the stern justice of the "mysterious monk"—the disguised Czar. Performance commences at 8 o'clock.

FOURTIETH SEMI-ANNUAL CONFERENCE.—Tomorrow, October 6th, the Semi-annual Conference of the Church of Jesus Christ of Latter-day Saints convenes at 10 o'clock a.m., in this city. For the past few years large numbers of people from the country settlements have been flocking in to attend, and as the weather is fine there will doubtless be as large a gathering as there has been on any previous occasion of the kind. "A time of refreshing" will be sure to be enjoyed by all who come to Conference for the purpose of being benefited by the wise counsel and instructions that will be given.

FOR NO. A little boy, three or four years old, dressed in a blue check-shirt and blue linen pants and black hat.

His parents can obtain him by applying at F. W. Elberbeck's, 17th Ward, near the Union Square.

RAILROAD ACCIDENT.—Rather a lively accident occurred a few days ago on the railroad line near Virginia, Mo. A man named Jerry Quinlan, who was engaged in hauling wood, had occasion to cross the railroad track with a heavy load. As soon as he drove on to the track, "there the team stuck and balked most provokingly, although Jerry knew the train was soon due, and he frantically urged them to the struggle both with whip and elevated voice. Just then the train came rushing around the corner at full speed, and in another instant the cow-catcher of the locomotive sent the horses whirling and over and both sides of the track, and the train stopped amid a shower of cordwood and pieces of wagon. Jerry was active, and got out of the way just in time. Fortunately neither the locomotive nor any of the cars got off the track, and no one was hurt, although it created quite a sensation among the passengers."

INFORMATION WANTED.—Charles Grindie, of Hermitage, Mercer county, Pennsylvania, would like to learn of the whereabouts of John H. Williams, son of John and Maria Williams. He emigrated to Utah from Victoria, Moonmouthshire, Wales, in 1864.

WELLS, FARGO & CO'S STAGE, ROBBED AGAIN.—We take the following from the Territorial Enterprise of Oct. 1st:

Wells, Fargo & Co's stage, running from Carson to Reno, was robbed again night before last at the same point at which it was stopped and robbed some two weeks since. This time the robbers did not molest the passengers. They took the treasure box and smashing it open obtained \$600, with which they decamped. The robbers were three in number, were masked, and are supposed to have been the same parties that last stopped the coach there and interviewed Lieutenant-Governor Slingerland and his fellow passengers. Since the above was put in type we have learned some additional particulars of Billy Sheppard, of this city, who was in Carson yesterday morning when the stage came in, and who saw and conversed with William Blackmore the driver. The stage was going up from Reno to Carson, and was stopped between 3 and 4 o'clock yesterday morning, and within six feet of the place where it was robbed before. Blackmore says he was just about to tell some gentlemen who were on board that they were now upon the spot where he had been robbed, when up came the men, their guns and Blackmore's heart into his throat. There they were and again on business. They asked for and got the treasure-box, when the coach was allowed to pass on, none of the passengers being disturbed. Mr. Blackmore says the men were precisely in build, action and every respect the same as those who stopped him before.

OGDEN, UTAH, Sep. 15th 1870

I hereby certify that my daughter has been

terribly afflicted with Rheumatism for some months

past—often having FIFTY TO ONE HUNDRED FALLING FITS A WEEK. All

medication failed to relieve her until I brought her to Dr. ROBERTS & COSS, at Ogden, Sep.

15th 1870. She had a great number of fits

the day I took her to Dr. R. & C., and had of it

when I carried her to their office. She has been

under Magnetic Treatment one week, and has

not had a single spasm or fit in that time; in fact, I have never heard of her being improved

in health. (Signed) GEORGE S. MARON
