Allen's Strengthening Cordial has never been known to fail in giving immediate re-lief in all diseases of the Kidneys and Urin-ary organs. This medicine challenges the most profound attention of the medical faculty, many of whom are prescribing it to their patients.

Allen's Strengthening Cordial acts as de-lightfully on the tender babe, the most del-icate lady, and infirm old age, as on the strong man; imparting health and vigor to the nerves and brain, blood vassels, heart and liver. When taken you can feel its life-riving power course through every artery, destroying all diseases in the blood and giv-ing health, elasticity and strength to the whole organization.

Allen's Strengthening Cordial is acknowl-odged by all classes of people to be the best and most reliable blood purifier in the world. It is a never failing remody and can be relied upon. If the bowels are costive, or hendache accompanies the dis-ease, the use of Allen's Liver Pills will re-move it. Over eight years experience and the increasing popularity of Allen's medi-cises are conclusive proof.
