There was but one cloudy day, and the temperature averaged

sary of the gathering of 3.000 Saints at Brighton in celebration of the tenth anniversary of the arrival of the first emi-

gration.

On invitation of Horace S. Ensian, secretary of the D. A. & M. society, the Daughters of Utah Pioneers decided to have a permanent exhibit in the Swan building. This will be collected in a short time, and will be in place in the space affected for it before the first of October. The Daughters also discussed an old-time hall to be given this whiter at the Salt Lake Theater, the dancers to be attired in the fashions of 50 years ago, and it was believed that the idea would prove a success. The room in the Lion House, set apart as a hall of relice, will be put in perfect order for the October meeting of the Daughters of the Ploneers.

FELT MAKES STRONG DENIAL OF DEBT CHARGE.

To the Editor:

In justice to myself I trust you will give me space to refute the uncalled-for charge against me as president of the Utah Press association, which was first made by an unfriendly associate and published in cer-tain Salt Lake daily papers.

I deny that I owe the old Utah Press association 190 or any other sum; on the contrary, a balance was due me and the money for same was unanimously voted to me in an appropriation. The matter referred to by the special committee was a rebate fund to the excursionists who went to Portland in May, 1906, and which was said to have not been paid to all that were entitled to same. Therefore, in my opinion, there is no justification for the charge made.
