EAST NIGHT'S DISPATCHES.

EASTERN.

BOSTON, 28.—The wool market is
steady, with a firm feeling. Coarse
western neglected Ohio, 49 to 52¢,
extra Michigan, 48 to 50; Kentucky
combing, 44 to 46; New England, 50
to 55; 35 to 45; tub, 50 to 54;
scoured, 55 to 60; fine rolls, 75.

James H. Allen, messengers of
the New Haven Bank, were
arrested, and, after a brief
trial, were condemned to life imprisonment.

A grand jury, convened at New
York, on Friday, voted to indict
John W. Chapman, president of
the bank, and all the money
and checks had been refunded.

Judge Chapman ordered the
discharge of the men, the bank
officers failing to prosecute.

A despatch from the Springfield,
Mass., office states that the
men, supposed to be W. H. Allen
and his companions, were seen in that
town on Wednesday. Next morning
the party was at Sanford, con-
cerns, where they obtained crackers
and tea, and had a hearty meal
at a hotel.

Two of the men had
revolvers.

New York.—The defeat of Gar-
field by Cuyler, in the election
this week, gives the New Yorkers a
hope that their pet, Maurice Daley,
may yet come off with the prize.

Daley has defeated Dion, Garner
conquered, Dion, and W. H. Allen
had a victory over Garner.

Garnier seems to be the struggle for
the championship. Garnier seems
to be regarded as having the best
chance of winning the race.

He has made the highest run, 113.

Daley is expected to bear New
York to the front, while to Diane
is awaiting the start, and has
the colors of Canada and France.

In the six hundred match, Dion,
Garner, and Daley were pitted
against Deery, Ubassy and C. D. Dion,
and defeated them by a total score
of 30 to 21.

WASHINGTON.—Edward Matson,
aged twelve, shot himself fatally
to-day during the absence of his
parents, at his home.

CINCINNATI.—Fourteen deaths
from cholera to-day.

PHILADELPHIA.—The wool mar-
ket shows no improvements in de-
mand. The new clip is beginning
to come in, and the market is
turning, purchasing only for imme-
diately necessity, under the impression
that lower prices must prevail.

NEW YORK, 28.—Davis Webb,
commission agent of the Baltimore
and Ohio railroad, at this point,
and Mr. Hausman last evening
purchased a large quantity of fire-
works for the Fourth of July.

The country in a hand,

had a lighted cigar fell into the
package, exploding the whole lot,
blowing the carriage top off and
killing the driver.

He was so badly injured that
he died at noon to-day in great
agony. Hausman is also hurt.

NEW YORK, 28.—While

it was proceeding to a fire
in the morning, the ladder con-
taining six men was upset. Two,
it is thought, are fatally hurt, and
two others painfully.

NEW YORK, 28.—A man has found

a verdict of Jas. Jackson causing the
death of Mary J. Sullivan, found
dead in a house on Thompson St.

on the morning of May 17th, Jack-
son attempted to kill him

himself.

NEW YORK, 28.—The steamer

"Tigress," purchased by the govern-
ment to go in search of the "Polaris,"

has arrived at Brooklyn Navy

Yard. She will probably be ready

to sail about two weeks.

NEW YORK, 28.—The examining committee of the Plymouth church have received from F. West a specific charge of
slander against Henry C. Bowen.

It is charged that he is a
fatherless man, and that General Beecher's name

is false, and his

Bowen's expulsion is called for.

Investigation will be made im-
mediately.

The matter is referred to the
attorney general.

The attorney general will be
called upon to make a report.

NEW YORK, 28.—An application
was made to-day, in the court of
general sessions, for a new trial in
the case of the murder of Bob
Denn. One of the defense cited
the language used by Recorder
Beecher in his speech to the jury.

It is asserted that any man who
said such a thing would be almost unfit
to witness, would be almost unfit to live.

Some of the jurors unite-

dly said that they would be
unable to give a verdict of guilty.

They thought that the
accompanying recommendation
to mercy carried with it a sentence

of imprisonment for life.

The "Daily Eagle" adds, "This morning
our reporter called upon Halliday,
who is answer to a request for a
copy of the charges, said, 'You
can't get them from me.' He
then gave us some information concerning
the proposed investigation.

The reporter came in contact with several eminent members of

Beecher's church, and got some
opinions as to what it would

be better for the church if the
investigation were carried on in

public. On very good authority

it is ascertained that the charges re-
ferred to in the "Daily Eagle" were

not true.
