SALT LAKE'S GREATEST BLACK SILK SALE.

\$30,000 Worth to Be Sold for About \$15,000.

It would be difficult, indeed impossible to compare this with any Black Silk Sale ever instigated in this part of the West. So colossal, so significant is it. Literally miles and miles of Black Silks. Very nearly all last week did it take to invoice entire shipment. The finest that American and European manufacturers can produce, purchased at enormous concessions from regular market prices.

Enthusiasm is the soul of retail business—the Walker Store finds a way or makes one to create it. Into every mart of the world it goes for merchandising. And abroad or at home the potency of its individuality, of its personality is felt, and with the touch of power, lo, the gates of under-price, more often than not, swing wide ajar.

So you who are familiar with the store ways and means, who have benefited from all the good the past has given will believe this report—

THE GREATEST BLACK SILK SALE WITH THE GREATEST UNDER-VALUE ON THE QUALITIES EVER KNOWN HEREBOUT.

The idea of vastness can be had only by coming. Some prices are given, but even in a page advertisement, brevity must prevail. Otherwise confusing news would result. Looking, tho, is different. Enthusiasm centers everywhere. Let us expect you.
