Senator Jones, of Florida, intends to visit Europe this summer, whence he came forty years ago, a poor Irish boy, to seek fame and fortune in this country.

The convict population of Siberia is now about 440,000, and will be considerably increased before the date of the Czar's coronation. Scores of victims are daily bashed.

RE-ORGANIZATION OF THE FIRM OF Fish Brothers & Co.

TO THE PEOPLE OF UTAH: The Co-partnership between T. G. FISH, E. B. FISH and J. C. HUGGINS, under the firm name of Fish Bros. & Co., expired by limitation on January 1st, 1883. At that date, J. C. HUGGINS retired from the firm D. J. MOREY and S. S. LYON purchasing his interest. In the re-organization of the new firm of Fish Bros. & Co. which then took place, our Utah trade was thoroughly discussed, and we determined to give the Utah trade that attention in future which it deserves, and which was, to some extent, neglected in 1882.

S. S. LYON, one of the new members of the firm, who had been in the employ of the old firm many years, spent several weeks with Mr. Lowell at Salt Lake last fall, and gave his special attention to ascertaining all defects and all needed improvements in the Fish Wagon, to keep it in the future, as in past years, the STANDARD WAGON of Utah and adjoining Territories.

Call on The John W. Lowell Wagon Company and examine this year's make of the Fish Wagon, for we assure you it will be found a BETTER WAGON THAN WE EVER SENT TO UTAH BEFORE. We are selecting all the timber, and taking special pains in manufacturing all Wagons for Utah trade.

Yours Respectfully, FISH BROS. & CO. Racine, Wis., April 18th, 1883. d 133 s & w Zme
