VENZEUELA PREPARED. Washington, April 19--it developed today that the intention of the Ven-surein government ever since it was evident that former President Cas-tro would leave Europe for South Am-rica was to arrest him on the indict-ments pending against him if he ever set foot on Venezuelan soil. The of-ficials there assert their belief that they are in a position to handle the situation adequately and that there need he no fear of an uprising by Castro's followers if Castro should suc-read in landing in Venezuela. What they have been anxious to have done is to keep nim off the islands in the vicinity that might be made the base of a milliar; movement ignainst the conaters. Enforcement of the French government's order to deport Castro

close run for that event. Gutting, Anderson and Cannon are now in the sprints and Cannon is making good in the 220 and 100. Sam Brinton is not failing shari of his former records, but is expected to pull down the state record on the 100. Harry Alley seems to be the only eligible man left from last year for the mile. Two young freshmen go against him this afternoon. Next Saturday the great cross coun-try contest will be muled off, and on April 23, the university will meet the A. C. U. on Curomings field. May 1 is the date set for the invitation relay carnival. Couch Maddock has sent in-vitations to several intermountain coi-leges, and every effort will be made to make the affair a big success. It is hopsed that this will become an annual event. The university goes to Provo May 8, and on May 15 the state meet will be held at Logan. The state high school meet will be held on Curmings tield May 23, and the stanford on May 28.

Newark, N.J. April 10 -- Thomas A, Edison has settled for \$550,000, the suit for invisch of contract brought against him by the New York Phonograph company. In addition, his counsel has signed an agreement to settle ap-proximately 700 suits brought by the New York company against dealers in that state. The amount involved in the settlement of these, and the prin-cipal suit, is approximately \$2,000,000. The settlement was reached after an all night conference in this city pre-liminary to which there were negotia-tions of several weeks during which the wires were kept busy between Orange N.J., and Mr. Edison's sun-mer home in Florida.

### Vag Who Insists He is a Hard-Working Man Gets Floater.

The suit was for the territorial rights for the sale of Edison phonograph and phonographic supplies in New York state. It was begun in 1901. A similar suit for territorial rights to the New England states is now pending in the courts. An injunction was recently granted in the New York courts so-restraining Mr. Edison and his associ-ates that settlement was necessary

#### CHRISTIAN SCIENCE.

New York, April 10.—As a means of carrying on a campaign for recruits in upper Fifth arenue, the Christian Science church has leased the grand-ballroom of the hotel Flaza for Sun-days for one year. The room has a seating capacity of 800 and the first service will be held tomorrow after-noon. Part of the hotel orchestra will provide music to accompany the bound Mea Eddys amonthen to the non. Part of the hold orchestra will provide music to accompany the hymnas Mrs Eddy's sanotion to the hotel innovation was obtained before the contract was signed. The consid-eration for the one of the ballroom was not announced.
