Paris, Aug. 30 .- The sixth international trades unions congress opened tional trades unions congress opened today. Among the subjects discussed were the reduction of hours of labor, regulation governing work in domi-ciles and a proposal to put an end to international strike-breaking. Samuel Gompers, president of the American Federation of Labor, and Dr. J. Eads Howe, the philanthropist, represented America. Mr. Gompers submitted a proposition for an infernational federation of work-

ROSEBERY WILL SPEAK AT ANTI-BUDGET MEETING

London, Aug. 30 .- The greatest sensation of the present budget campaign sation of the present budget campaign was furnished today when Lord Rose-hery accepted an invitation from the business men of Glasgow to speak at an anti-budget meeting in Glasgow Sept. 10. Lord Rosebery's attitude on this sub-ject has un to the present time been doubtind. If he comes out strongly against these financial propositions he will sever himself completely from his party and be in a position of greater isolation than before. Lord Rosebery has a large following of independent voters, and his antagonism probably will be a hard blow to the budget which recently has seemed to be gaining in popularity with the masses.

SHOOTING AT CAMP PERRY.

Camp Perry, O., Aug. 30 .- Long range marksmanship today engaged the at-tention of the riflemen at the annual tournament of the National Rifle association. One hundred and sixty-three most skilful long distance shots of America took the 800-yard rarge, to compete for the cup presented by Ar-thur Blennerhassett Leech, captain of the Irish rifle team which visited New York in 1874. The contest is seven shots at behind 900 and 1,000 yards, with any military rifle and any ammunition.

BOARD BUYS BONDS.

The state board of land commissioners this morning decided to purchase municipal bonds of Lehi issued for water works and refunding purposes to the amount of \$21,000. Some time ago the board authorized the purchase of Tooele school bonds of \$20,000 and Nephi City bonds, \$9,000. This last purchase practically exhausts the funds on hand for such purposes and the board can invest no more money in this way until funds begin to come into the treasury in October. The board now sas on hand applications for loans amounting

BACK FROM DENVER.

State Chemist Harms Says Utah is Fai In Lead on Food Laws.

State Chemist Harms has returned from Denver where he went with State Food Inspector Hansen in attendance on the Pure Food convention. Referring to the extended discussion on benzoate of soda, Mr. Harms is glad to say that the Utah pure food law is a marked improvement over the incomplete and ineffective legislation enacted along ineffective legislation enacted along this line in other states. For illustra-tion, the Utah law specifies distinct-ly just what ingredients can not be used as adulterants or preservatives in food production. Thus the manufact-urer knows just "where he is at," what he can, and what he can not do. In other states the legal provision is merely against "harmful ingredients." leaving it to the courts to decide what is and what is out harmful, with ex-pert testionary testifying in favor of both sides. DIES FROM BLOOD POISONING.

Amy Gillespie, the 6 prear-old daughter of Mr. and Mrs. John S. Gillespie, of \$19 West North Temple street, died yesterday afternoon of blood poisoning, the result of two ulcerated teeth. The little girl complained on Monday of the pain of her jaw and on Tuesday as her face was swollen terribly and she was in great pain she was hurried away to the dentist who extracted two back teeth. Although this relieved her, her condition appeared to be critical, and Dr. A. S. Bower was called in. He said her blood was poisoned and it had started before the teeth had been extracted, thus exonerating the dentist.
