

FLOATING FRAGMENTS.

Elder Henry Peck, of Malad, Idaho, is in the city. He starts east to-morrow morning on a mission to the States.

The board of directors of the 29th Ward Co-op. met on Saturday evening, and declared the semi-annual dividend. The institution is in a prosperous condition.

On Saturday evening, a short distance south west of the city, the D. & R. G. train accidentally struck and killed a valuable Jersey heifer and a calf, the property of Brother Angus M. Cannon.

This morning Brother Andrew Jensen's friendly face was wreathed in smiles. The reason is obvious. His first daughter was born yesterday. Mrs. J. and the little infant are doing nicely.

LOCAL AND OTHER MATTERS.

Rates for the Concert.—The Utah Central Railroad Co. have arranged to issue special round trip tickets for the Musical Festival on Friday June 18th, at very low rates, good for return until and including Sunday June 17th. A special train will leave Salt Lake Friday night, after the concert, for Spanish Fork and intermediate stations.

Wants Work.—A young man, 18 years of age, named Arthur Winters, is in want of a situation as book-keeper. He has had considerable experience in keeping accounts, having been book-keeper in a lace warehouse in Nottingham, England. Those who are capable and willing to work should not be without employment.

Officers and Directors.—At half past 7 o'clock on Tuesday (to-morrow) evening, there will be a meeting of those interested in the establishment of Zion's Building Society. On that occasion it is expected that the officers and directors will be elected. A cordial invitation is extended to all interested. The meeting will convene in the Legislature Chamber of the City Hall.

Brush Making.—Brother Wm. H. Miles, formerly of New York, is carrying on his business of brush making, his workshop being at 148 Commercial St. He is an excellent workman, of extended experience, pays special attention to custom orders. Besides all other lines, he makes a specialty of painters' tools. He is a worthy gentleman, well-deserving of liberal patronage.

Funeral Services.—The funeral services of Father Whitley were conducted in the Twentieth Ward School House yesterday, Bishop Sharp presiding. The opening prayer was offered by Elder W. C. Dunbar. The speakers were Bishop H. B. Clawson, Elders Geo. Goddard, Henry Puzey, R. F. Neesen and Bishop Sharp, all of whom testified to the faithfulness and general stability of the deceased. Elder W. W. Willes pronounced the benediction.

Hit and Hurt with a Stone.—This morning a stray cow ran into the lot of Brother John Tuddenham, of the 21st Ward. The cow made an attempt to drive it out, and ran behind some bushes after it. Some small boys who were chasing the same, threw stones at it from the street. One of the stones struck him over the eye and on the bridge of the nose, cutting a couple of gashes that reached to the bone. He was taken to Dr. Joseph Richards, who put some stitches in the wounds, adorned his face with some strips of adhesive plaster, and put him on the road to recovery.

Primary Organization.—On Saturday, June 9th, at 10 a.m., a meeting was held at East Mill Creek, for the purpose of organizing a Primary Association in that Ward. Bishop John Neff presiding. There were present from the city, Sisters Margaret P. Young, Ellen C. Clawson and Camilla Cobb. Sister Clawson organized the Association under the direction of the Bishop. Officers were: Fanny E. Oliver, President; F. Maria Neff and Edith E. Fisher, Counselors; Manie Neff, Secretary; Eva Fisher, Treasurer. Twenty-seven members were enrolled. Remarks were made by the Bishop, and Sisters Young, Clawson and Cobb.

Sunday Services.—The congregation at the Tabernacle yesterday afternoon was addressed by Elder Franklin Woolley, who briefly reviewed his travels and labors while on a late mission to Great Britain. He made some excellent remarks on the first principles of the Gospel.

Elder H. W. Nalbitt was the next speaker. He spoke at some length on the interest taken by the world in the biographies of great men. Notwithstanding this fact, there was great ignorance existing with regard to the life of the Savior and His teachings while in mortality. He made some very instructive remarks on the first principles of the Gospel and organization of the Church, showing, in a clear and powerful manner, their perfection.

Special Meetings.—The special meetings held in South Cottonwood Ward House on Saturday and Sunday last were of a very interesting character. E. Snelgrove and E. Morris, of the presidency of the High Priests' Quorum, met with the High Priests at 2 p.m. on Saturday. The Stake Presidency of the Mutual Improvement Associations met with the young people at 5 p.m. on the same day.

Meetings were held at 10 a.m. and 1:30 p.m., on Sunday. The meeting house was crowded to its utmost capacity, ten speakers occupying the time in a very spirited manner. The instructions were mainly in relation to the correct education of the youth of Zion and the duties and responsibilities of the Priesthood.

We understand it to be the intention of the Presidency of the Stake to have more meetings of the same character held in other parts during the summer.

AN INTERESTING OCCASION.

SOMETHING RELATING TO ORIENTAL MARRIAGE.

The Davis Stake Conference was held at Centerville on Saturday and Sunday, President W. R. Smith presiding. At the first meeting the Bishops reported their wards; the statistical report was read, and Elders Arthur Stagner and A. H. Raleigh were the speakers. In the afternoon other wards were reported, after which Elder Albert Carrington, of the Quorum of the Twelve, addressed the Conference. On Sunday the Conference convened in the New Meeting-house. After some preliminary remarks by President John Taylor, the house was dedicated, the dedicatory prayer being offered by President George Q. Cannon. The main part of the structure is 35 feet by 70 feet, with a vestry and upper room 24 feet by 25 feet, ground measurement. The whole is built very substantially of rock, nicely finished, being neatly painted and grained. The hall is adorned with fine chandeliers and bracket lamps. The stand is capacious, cushioned and carpeted. The entire building cost seven thousand and fifteen dollars, all paid in donations ranging from fifty cents to six hundred and thirty-five dollars. There are only eighty families in the settlement. The Church donated, through the Trustees-in-Trust, five hundred dollars.

After the dedication the Conference adjourned to fifteen minutes and re-assembled in the bowery erected for the occasion, just west of the building. President John Taylor delivered a powerful discourse, the first part of which was devoted to showing that the existence of Deity was demonstrated by His works, and explaining the absence of a knowledge of God and His creations in the world. He then gave a lucid explanation of the duties of a Teacher in the Church, illustrating his views by a practical exhibition of the manner in which they should proceed while acting in their official capacity.

In the afternoon Elder Arthur Stagner read an affidavit made by Elder Thomas Grover. The substance of the document was that the affiant was a member of the High Council of the Church, that in 1848 Hyrum Smith, the Patriarch, appeared at a meeting of that body and presented the Revelation on Celestial Marriage, at the same time declaring it to be from God.

After the reading of this paper Elder Grover made a statement to the effect that Hyrum there and then asserted that those brethren who received the revelation should be blessed and preserved, while those who rejected it would go down. Nine members of the Council accepted and three took a stand against it. Those three subsequently apostatized, were excommunicated from the Church and are all now dead.

Elder Joseph B. Noble next addressed the conference. He stated that the Prophet Joseph told him that the doctrine of celestial marriage was revealed to him while he was engaged on the work of translation of the scriptures, but when the communication was first made the Lord stated that the time for the practice of that principle had not yet arrived. Subsequently, he stated, the Angel of the Lord appeared to him and informed him that the time had fully come. Elder Noble sealed his wife's sister to Joseph, that being the first plural marriage consummated. The Prophet gave the form of the ceremony, Elder Noble repeating the words after him. Elder Noble bore testimony to the purity of character of his sister-in-law, who was a woman of irreproachable morality, who entered into the plural marriage relation on a deep-seated conviction that the doctrine was from God.

President Taylor spoke briefly, stating that he was present at a meeting of the leading authorities of the Church in Nauvoo at which the subject of the Revelation on Celestial Marriage was laid before them and unanimously received as from God, Joseph declaring that unless it was received the Church could progress no further. Soon after he met the Prophet Joseph, who, addressing the speaker, said the time had come when he must embrace the doctrine of plural marriage.

Elder Charles W. Penrose spoke a short time. He advised the young people especially who were present to store the facts that had been elucidated in their minds, that they might be able to refute the baseless stories about, the object of which was to show that the Prophet did not receive the revelation, and did not practice plural marriage. He showed that the revelation that had been the subject of attention was the only one published on Celestial Marriage, and if the doctrine of plural marriage was repudiated to must be the glorious principle of marriage for eternity, the two being indissolubly interwoven with each other. He also showed that the most severe troubles of the Church had been before the introduction of that doctrine, comparatively no success having attended the efforts of opposition since, its practice having been accompanied by "blessing and not cursing."

Elder George Reynolds spoke a short time, alluding to his incarceration in prison for the sake of that doctrine. Alluding to the "tender mercy" of the world, he stated that notwithstanding his case was a test case, a request for pardon had been denied, and he served out his full term, with the exception of the allowance made on account of good conduct under the law; he received no clemency whatever from the powers that be.

President George Q. Cannon delivered a thrillingly powerful discourse on the subject of plural marriage, showing that while those who had entered into that relation properly had, as a rule, been greatly blessed, men who had tampered with the other sex outside of the "marriage relation," had wilted and gone down in every instance. Those who had embraced the doc-

trine were the leading men of the Church, possessing the Holy Spirit to a much more than ordinary degree. The speaker showed how the Lord had not confined His blessing to any class, or special families, but men of humble origin had been selected as His instruments to forward His purpose. It would yet transpire, he said, that God would take men out of the humbler walks of life and of them make Apostles and Prophets, who would perform mighty works in His name. The discourse was reported in full.

A FEARFUL CASUALTY.

FIVE YOUNG PEOPLE DROWNED IN UTAH LAKE.

The following special to the News from Payson, was received this morning:

"Five young people were drowned in Utah Lake, near Benjamin, about six o'clock last evening (Sunday). Two of them were the children of Richard Yates, his oldest son and daughter, the former eighteen years old, the latter twelve. One was a daughter of Wm. Eddy, thirteen years old, one a daughter of John Hawkins, thirteen years old, and one a daughter of Isaac Reese, twenty-three years old, all residents of Benjamin.

"They were out in a boat with four others. The boat began to leak when all rushed to one side and tipped it over. One of the young men saved a little brother nine years old by putting him on the boat. The scene was witnessed by a young man named Benjamin Sheppard, who with great exertion, tore another boat from its moorings, where it was chained and locked in with others. He hastened to the rescue and succeeded in saving the lives of the remaining four. All the bodies were recovered."
