The notion that the American Indians were de-reason yet to change my mind. Un-night, will you retract?" Schwariz til the necessity becomes very clear denied the statement roughly, which seceded from the House of for me to say something, I shall as- when Haskell drew a pistol and David under Jeroboam was, at the date of the appearance of the Book of Mormon, very prevalent in the that day."

of Mormon, very prevalent in the United States; and many books and pamphlets were written, newspa-per articles printed, and sermons preached, to give credibility to the statement idea of such relationship. Any one of these may have served as a hint,

if hints were necessary, for the un-dertaking. Smith's announcement of the discovery of the golden plates 1829 so that the revelation was, to say the least, projected before Smith could have had any knowledge of

the production from which its substance has been putatively derived, that, to some extent, in the way of names, he may have made use of men bears, palpably, the evidence that it was produced for the pur-pose for which it was used, and by those who had such purpose distinctly in view in its production. In short, the end of its creation was not literary, as was the case with the Spaulding chronicle, but dog-matic and practical. And how-ever amenable it may be to the rules of literary criticism, there is no denying the skill and knowl-edge of human nature with which

one is safe. The Tribune says: The republi-cans are confident of electing their candidate for governor and at least names, he may have made use of the Spaulding manuscript, is not improbable; but the Book of Mor-man bears, minably, the quarrel will have upon the vote in San Francisco, but if it should re-San Francisco, but if it should re-sult in placing the city in the con-trol of the republicans it will be an unexpected piece of good fortune. The Heraid says: It would seem to be a bad time to alect judges, but the average voler in California pro-bably takes comfort in the reflec-tion that Judge Lynch, who is not elected judge, holds court perman-ently and may come to the rescue at any time, as the dourt of last

It is somewhat surprising that the United States, which owe their existence as a nation to the assertion that a colony must have voice in any negotiations which affect its interest, should not un-derstand the of the very prin-ciple when asserted on be-half of Canadr. It looks as if half of Canadr. It looks as if the fishery privileges granted by the treaty at Washington were of greater value than the people of the United States have been hitherte willing to allow. It is satisfactory to find that the government at Washington repudiates all inten-

tion of ashing any reconsideration of the Halifax award, on the grounds of subsequent ill-treatment of fishermen.

DAVIS COUNTY STAKE CON-

FERENCE.

The Davis County Stake Confer-nce was held in Centreville, on Saturday and Sunday, August 30 and 81, President Wm. R. Smith

On Saturday morning the mest-ing was addressed by Bp. J. W. Hess, who touched feelingly on the persecutions of the Saluts, El-Willey, who are called to go on missions; and Elder Joseph F. missions; and Elder Joseph F. Smith, who took up the history of the Church, and showed that that the Lord had fulfilled his promi-e to the people that if they would keep all his commandments they should always prevail over their
