The Favorite

Medicine for Throat and Lung Difficulties has long been, and still is, Ayer's Cherry Pectoral. It cures **Croup, Whooping Cough, Bronchitis, and Asthma**; soothes irritation of the **Larynx and Fauces**; strengthens the **Vocal Organs**; allays soreness of the **Lungs**; prevents **Consumption**, and, even in advanced stages of that disease, relieves Coughing and induces Sleep. There is no other preparation for diseases of the throat and lungs to be compared with this remedy.

"My wife had a distressing cough, with pains in the side and breast. We tried various medicines, but none did her any good until I got a bottle of Ayer's Cherry Pectoral, which has cured her. A neighbor, Mrs. Glenn, had the measles, and the cough was relieved by the use of Ayer's Cherry Pectoral. I have no hesitation in recommending this

Cough Medicine

to every one afflicted."—Robert Horton, Foreman *Headlight*, Morrillton, Ark.

"I have been afflicted with asthma for forty years. Last spring I was taken with a violent cough, which threatened to terminate my days. Every one pronounced me in consumption. I determined to try Ayer's Cherry Pectoral. Its effects were magical. I was immediately relieved and continued to improve until entirely recovered."—Joel Bullard, Guilford, Conn.

"Six months ago I had a severe hemorrhage of the lungs, brought on by an incessant cough which deprived me of sleep and rest. I tried various remedies, but obtained no relief until I began to take Ayer's Cherry Pectoral. A few bottles of this medicine cured me." Mrs. E. Coburn, 19 Second st., Lowell, Mass.

"For children afflicted with colds, coughs, sore throat, or croup, I do not know of any remedy which will give more speedy relief than Ayer's Cherry Pectoral. I have found it, also, invaluable in cases of Whooping Cough."—Ann Lovejoy, 1237 Washington street, Boston, Mass.

THE PATENT

Wire Gauze Oven Door

IS THE LATEST IMPROVEMENT ON THE

It Produces Practical Results in Baking and Roasting never before attained in any Cooking Apparatus, and will

Revolutionize the Present Methods of Cooking

IT'S THEORY

Is that all Food Baked or Cooked, should be cooked in fresh air freely admitted to the oven. This is done by discarding the close oven door heretofore used, and substituting for it a door containing a sheet of Wire Gauze nearly as large as the door itself.

Through this Gauze Door the air freely circulates, facilitating the process of cooking, and producing food that is unequalled in flavor and nutrition, and actually cooked with less consumption of fue than in an oven with a closed door.

It makes an enormous saving in the weight of meat.

It also produces larger Loaves of Bread, requires less attention from the cook, and promotes the health of the family by the SUPERIOR QUALITY OF THE FOOD COOKED IN IT.

OPINION OF AN EXPERT.

MRS. MARY T. WELCH, Teacher Domestic Economy, Iowa State University, says: "My deliberate judgment is that the oven of the Range, as compared with others, is not only more equally heated in every part—front and rear—but as a result of its superior ventilation the food placed therein is better cooked, while retaining a sweeter flavor, and a larger proportion of its juices. I find, also the consumption of fuel in this Range is much less than any other or same work.

EVENING NEWS.

Saturday, - November 17, 1888.

TELEGRAPHIC NEWS.

Continued from First Page.

The Slave Trade.

ZANZIBAR, Nov. 16.—British officers boarded the steamer *Barabas* off the coast today and found she was carrying 400 slaves, who were destined for the Congo. The British took two slaves who had been forcibly kidnapped, and allowed the vessel to proceed. The incident has caused a scandal, it having been found that arrangements for the traffic had been made through the former Belgian Consul.

The Sick Convalescent.

NEW YORK, Nov. 16.—Mrs. Jay Gould spent a quiet night; her condition this morning is much improved.

Dr. Meyers said this morning that Rear-Admiral Baldwin, under all the circumstances, spent a very comfortable night. He says, however, the end is not far off.

LONDON, Nov. 16.—John Bright passed a good night, and is a shade better this morning.

Lord Sackville.

OTTAWA, Nov. 16.—Lord Sackville and Mrs. West have abandoned their proposed trip to Ottawa. The governor-general has received a dispatch that they will sail from New York for France at an early date.

LONDON, Nov. 16.—Parliament will be questioned Monday with reference to the appointment of a successor to Lord Sackville, the British minister at Washington.

On Thursday the fishery dispute will be brought up.

Mexican Politics.

CITY OF MEXICO, Nov. 16.—It is stated that Señor Romero, minister to the United States, has been called to take charge of the ministry of foreign affairs, Señor Mariscal going to England as plenipotentiary. It is also stated that General Sostenes Rocha will be appointed secretary of war.

WASHINGTON, Nov. 16.—Señor Romero, the Mexican minister to the United States, said tonight there was no foundation for the statement sent out from the City of Mexico to the effect that he was to become the head of the Mexican ministry of foreign affairs.

Balfour on Gladstone.

LONDON, Nov. 16.—Balfour chief secretary for Ireland, made a speech tonight at Leeds. In criticising Gladstone's recent speech at Birmingham he said the allegations set forth by the ex-premier were characterized by unblushing impudence. It was monstrous that the very man who had appointed the bulk of resident magistrates in Ireland, although he well knew that such had led to murder and suicide, should in order to obtain a cheer from the Birmingham mob hold them up to the odium of their fellow men. Never once in the course of his long speech had Gladstone deviated into accuracy. A more scandalous performance had never been given by a great statesman.

The Woman's Congress

DETROIT, Nov. 16.—At today's session of the woman's congress Mrs. Julia Ward Howe was re-elected president. Twenty five vice-presidents were selected from the various states represented.

Mrs. Mary E. Bagg presided at the forenoon session. Mrs. Anna J Miller, ex-president of the dress reform association, read a paper on "Correct Dress." A short discussion was held on this paper, several delegates taking part. Miss Calliope Keithijaca, the educationalist, who has established schools at Athens and Constantinople, spoke briefly on educational matters.

The British Colonies.

MELBOURNE, Nov. 16.—The assembly today discussed the abstract right of the colonies to take part in the nomination of their respective governors. The Premier, without discussing the Queensland question, pointed out that the Constitution gave to the Queen alone the power of appointment. Her Majesty, acting upon the advice of the minister, was responsible to the Imperial Parliament. He called particular attention to the probability of a deadlock if the selection of the governor rested with both the colonial and Imperial Parliaments. He refused to endorse such a scheme and said he was confident that the less the colonies insisted upon sharing in the power to appoint or nominate the better it would be for the colonies. The Premier's remarks were received with cheers. Other members spoke in a similar strain.

National Board of Trade.

CHICAGO, Nov. 16.—The National Board of Trade resumed this morning.

The Cincinnati Chamber of Commerce presented a resolution for the appointment of a committee to inquire into the question of trusts and combinations and report to the next annual meeting. After some discussion it was placed at the bottom of the list of subjects for consideration when reached.

The New Orleans Chamber of Commerce presented a resolution that Congress be memorialized to take measures looking to the streathening of our harbor coast defenses. Adopted.

On behalf of the New York Produce Exchange a resolution was offered calling on Congress to reduce the revenue. Adopted.

On behalf of the Cincinnati Chamber of Commerce a resolution requesting that the duty on rough timber be removed was presented. Action was postponed till the next annual meeting.

The New Haven Board of Trade presented a resolution to Congress asking the repeal of the internal revenue taxes. Action was postponed.

The Philadelphia Chamber of Commerce presented a memorial and resolution looking to the restriction of immigration. Passed.

The Philadelphia Board of Trade presented a resolution for a memorial to Congress for the suspension of the purchase of bullion and the coinage of silver dollars. Adopted—1 to 13.

Turf Congress.

NEW YORK, Nov. 16.—The Session of the American Turf Congress continued today. The conference committee and the committee of eastern clubs with whom they talked yesterday joined with the convention in rendering a report of their proceedings. The informal agreement of 118 pounds for two year-olds and 123 for three-year-olds will probably be adopted and made final. Yesterday's conference was secret. Whatever was agreed upon, however, was not final, as but one eastern committeeman, Phillip Dwyer, had the full power to act for his club. Others have placed the matter before their executive committees, and if they agree to stand by the decision of their representatives, the committee will so report and the plans adopted at the convention made by-laws by the committee. Besides the weight question, it was agreed to appoint two collectors of forfeits, one for the east and one for the west.

The plan for licensing jockeys provoked hot discussion, which was not settled, and will be taken up today. Nearly all of the delegates appear to be in favor of this, but they are divided in opinion as to the method of so doing.

At today's session of the American Turf congress, a resolution was adopted placing the weights for 2-year-olds at 118 and 3-year-olds at 122 pounds.

A committee was appointed to draw up a full set of rules to be submitted at another meeting.

The convention next looked up the subject of betting privileges, and after a long argument, the following was adopted:

Resolved, That the subscribing jockey clubs agree that no contract for betting privileges be made with an association of bookmakers nor any member thereof.

This means war to the knife between the racing clubs and the Bookmakers' Association.

London, Nov. 16.—Rains have fallen in western and eastern India. The crop prospects are improved.

DIAMOND WORDS.

★ "There are a few things that I believe in with all my heart, and it affords me pleasure to tell of one of them." The speaker was Ex-Senator Albert Merritt, head of the large fruit firm, 82 Park Place, N. Y., and the scene his office. "I was sick, and feared that I had become fated to endure the tortures of dyspepsia and a dangerous affection of the Kidneys. A relative said to me: 'Why don't you try Dr. Kennedy's Favorite Remedy?' I did so. I grew steadily better, could eat, digest, sleep, work with a clearer head, and the yellow color of my skin had given place to the tones

That Announce Pure Blood,

and every organ of the body in healthy action. Dr. Kennedy's Favorite Remedy is entitled to the credit of saving my life. If any one has a doubt about the truth of my statements let him write to me. I can give you the names and addresses of fifty persons who affirm, as I do, that Favorite Remedy, made by Dr. David Kennedy, of Rondout, N. Y., has been to them a help

And a Blessing

in time of need." Mrs. A. DeRevere, Tarrytown, N. Y., says: "For a long time I was troubled with severe attacks of Dizziness and Blind Sick Headache. I thought it was due to impure blood and disordered state of the system. I was advised to try Dr. Kennedy's Favorite Remedy. I did so, and have been completely cured. It is the best thing I ever heard of for any disorder of that nature, and I've recommended it to many with like success." Mr. Daniel Pitts, Hamilton, Mass., says: "I recommend Dr. Kennedy's Favorite Remedy

For Dyspepsia and Sick Headache.

I suffered for many years with these complaints and was cured by Dr. Kennedy's Favorite Remedy." Mrs. M. C. Dougherty, Millville, N. J., says—"I had been a sufferer from Dyspepsia since I was sixteen years old. I could find no relief, and had almost given up in despair, when Dr. Kennedy's Favorite Remedy was recommended, which I tried and am now cured. It is the best medicine I know of."

CHATTANOOGA, TENN., June 27, 1888.—Swift's Specific Co., Atlanta, Ga.—Gentlemen: In the early part of the present year, a bad case of blood poison appeared upon me. I began taking S. S. S. under advice of another, and to-day I feel greatly improved. I am still taking the medicine and shall continue to do so until I am perfectly well. I believe it will effect a perfect cure. Yours truly,

DOCT. P. HOWARD, 111 West Sixth St.

COLUMBIA, S. C., July 7, 1888.—The Swift Specific Co., Atlanta, Ga.—Gentlemen: I was a great sufferer from muscular rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took over a dozen bottles of your S. S. S., and now I am as well as I ever was in my life. I am sure your medicine cured me, and I would recommend it to any one suffering from any blood disease. Yours truly, O. E. HUGHES, Conductor C. & G. R. R.

WACO, TEXAS, May 9, 1888.—Gentlemen: The wife of one of my customers was terribly afflicted with a loathsome skin disease, that covered her whole body. She was confined to her bed for several years by this affliction, and could not help herself at all. She could not sleep from a violent itching and stinging of the skin. The disease baffled the skill of the physicians who treated it. Her husband began finally giving his wife Swift's Specific, and she commenced to improve almost immediately, and in a few weeks she was apparently well. She is now a hearty, fine-looking lady, with no trace of the affliction left. Yours very truly, J. E. SHARP, Wholesale Druggist, Austin Avenue.
