

FRAGMENTS.

To-morrow evening Sol Smith Russell opens his new play, "Pa," in the Theatre.

M. P. BENTON, of the Union Ticket office, has returned from his trip to California.

The Eleventh Quorum of Elders will meet in the Twenty-first Ward meeting house, this evening, at 7:30.

The News makes a fine presentation of telegraphic news to-day, and it is mainly of the better class of telegrams.

The Thirteenth Quorum of Seventies will hold their regular meeting in the Twentieth Ward school house, this (Monday) evening at 7 o'clock.

JOHN L. SULLIVAN and his co-sluggers were expected in Salt Lake to-day. The former is en route to San Francisco, where he is to meet Paddy Ryan in a fistic encounter.

HELD's excellent band was out to-day, reminding the populace that H. E. Gilles' benefit concert takes place at the 15th Ward Meeting House this evening. The playing of the band attracted a large crowd of admiring listeners.

W. P. JOHNSON, general passenger agent of the Lake Shore and Michigan Southern Railway is in the city, accompanied by his wife. This being their first visit to Salt Lake, they were shown around town by I. A. Benton, of the Union Ticket office.

We call attention to the card of Madame E. Lassaunage, which appears in another column. The lady teaches vocal music, and will accept engagements to sing at concerts, entertainments, etc. She may be found at the St. James Hotel from 2 to 5 o'clock p. m. daily.

This concert in the Fifteenth Ward meeting house this evening will commence at 7:30 o'clock. Mr. Gilles, to whom it is tendered as a complimentary testimonial, is a popular and talented musician, and the excellent programme prepared should draw a large audience.

The Western School of Elocution and Oratory, will give its opening exercises at 106 Main Street, at 8 o'clock to-morrow evening. It will be seen by a special advertisement that a general invitation is extended. As the subject is an attractive one, the attendance will doubtless be large.

The service over the remains of honest John Ald, were conducted at the Eighteenth Ward Chapel on Sunday at 11 o'clock. Elder Wm. B. Barton offered the opening prayer. The speakers were Elders James W. Palmer, H. G. Park, James Leatham, Bishop O. F. Whitney and Elder J. Nicholson. The benediction was pronounced by Bishop Alex. McFate.

LOCAL NEWS.

A Free Entertainment.—A free concert will be held in the Ninth Ward Assembly Hall, to-morrow (Tuesday) evening, commencing at half-past seven o'clock. Good music, good singing and good recitations may be expected. The programme includes some attractive features. The songs, recitations, etc., will be taken from J. H. Ward's "Ballads of Life."

Concert and Ball.—We acknowledge the receipt of a complimentary ticket to the grand concert and ball, to be given in aid of the Hebrew Benevolent and Relief Societies, at the Salt Lake Theatre, on Thursday evening, November 18th. The object is a commendable one, and will doubtless be a success, as all similar entertainments under the same management have been in the past. The price of the tickets, including supper, is \$5.

The New Pen.—A dispatch from Washington, received this morning, says the commission appointed on the matter of the new penitentiary for Utah, for which Congress made an appropriation of \$20,000, has sent its opinion to the Secretary of the Interior. It suggests that an addition be made to the present building. The plans and specifications are now being considered by the Secretary, with a view to selecting the best.

Rands vs. Brain.—Shortly after 4 o'clock on Saturday afternoon the jury in the suit of J. W. Rands et al. vs. Edward Brain returned with their verdict. The plaintiffs asked for four-sevenths of the property on which Mr. Brain's broke was situated, but the jury found that only two of the plaintiffs were entitled to recover—Elizabeth Rands and Sarah Leigh—and gave a verdict for them of two-sevenths of the property. Ten days' stay of proceedings was granted in which the defendant may perfect an appeal.

C. W. Shaffer Arrested.—On Saturday night another step was taken in the cattle dispute in which the Indiana Land and Live Stock Company and Messrs. Orth, of Ogden, are concerned. On complaint of Mr. Orth, Sheriff Chase, of Millard County, and taken to Ogden, where he was to have a preliminary hearing to-day. The defendant is accused of unlawfully holding some cattle belonging to the Indiana Company. He claims to have possession of them under instructions of a deputy marshal.

"Pa."—Sol Smith Russell appears at the Salt Lake Theatre next Tuesday and Wednesday and Wednesday matinee, in the laughable and picturesque comedy-drama "Pa." It is of old that "the name of Sol Smith Russell has become a by-word in the homes of the American people, and no economist is needed to add one jot or tittle to this artist's fame. He stands eminently in the front rank of his profession. An entire new repertoire of songs, recitations, and funny characters has been introduced."

The Wrong Man.—Last evening an officer from Nebraska arrived in this city for the purpose of taking back with him the murderer who escaped from custody there last September, and was supposed to have been arrested by deputy marshals in Utah. As soon as he set eyes on Mr. Moler, who was believed to be the man wanted, he saw that an error had been made. Mr. Moler was accordingly released, and will return to Ogden, where he has quite a number of friends who have never doubted his innocence, and have declared it a case of mistaken identity.

It is understood that E. A. Franks, "detective and ex-deputy marshal," worked up the case against Mr. Moler, and there was some dispute about who was to get the reward. But as the "detective" was "off," he will probably have to be content with nothing for his trouble.

The description given of the escaped murderer tallied closely with that of Moler, but the latter is slightly the taller of the two.

ANOTHER RAID.

MILL CREEK AND BIG COTTONWOOD VISITED BY DEPUTY MARSHALS.

About 7 o'clock on Saturday night the home of

LORENZO STUTZ,

at Mill Creek, Salt Lake County, was compassed about by deputy marshals, with a warrant of arrest for William Stutz, on a charge of unlawful cohabitation. The warrant was served on Mr. Lorenzo Stutz, who was brought before Commissioner McKay to-day, and pleaded not guilty to the complaint, signed by D. W. Rensch, and charging him with unlawfully cohabiting with Mrs. Wm. Stutz and Jane Doe Stutz as his wives. The Commissioner changed the name "William" to that of the defendant. The preliminary examination was waived, and Mr. Stutz gave \$1,500 bail for himself, and \$200 for each of four witnesses for the prosecution.

At the time of the visit of the deputies, Mrs. Stutz was in a very weak condition, and the being but a few days old, and the shock to her system has been quite serious.

Early this morning, Big Cottonwood ten miles south of this city, was also visited by a force of deputy marshals, among the number being two whom their chief of men in this city delights to designate by the euphonious titles of "Arthurus Fabricius" Pratt and "Mommus Ciccero" Cannon. The first named served a warrant of arrest upon GIDRON M. MUMFORD,

who was seated at breakfast when the call was made. He was brought to this city to answer to the charge preferred against him by D. W. Rensch, before Commissioner McKay, of having lived, from Dec. 1, 1883, to Nov. 3, 1886, with Mrs. Gideon Mumford and Jane Doe Mumford as his wives. The defendant waived examination, and was required to give \$1,500 bail to await the result of the grand jury's investigation. Six witnesses were also ordered to furnish bonds in the sum of \$300 each.

All of the witnesses in these cases were ordered to appear before the grand jury on Monday, November 22.

Police Court.—The time of Justice Pyper was occupied to-day in hearing the case against Robert Briscoe, charged with receiving stolen goods. The witnesses for the defense were being examined when we went to press. The boys who stole the chickens testified that the defendant knew how they got them, while the witnesses for the defense declared just the opposite.

James M. Gill, Wm. Anderson, Robert Gill and John H. Noakes are held for trial for being drunk and disorderly.

There is a prospect of the "lasso" nuisance being investigated and abated in the near future. On Saturday, a small boy, the son of Baillet S. L. Sprague, was seized by a boy named Foster, and was badly choked and otherwise severely injured. This and a number of other cases have been reported, and will probably be adjudicated in the Police Court. The practice should be promptly discontinued.

Court Notes.—Proceedings in the Third District Court to-day: F. Wertheimer vs. C. V. Whitting et al.; default and judgment for plaintiff.

E. D. Egan vs. James T. Clabey; plaintiff allowed until Dec. 15th to file motion for new trial.

Frank Wright vs. M. S. Ascheim et al.; trial before jury in progress.

Timothy Spray was admitted to citizenship.

Max Lipman was excused from further service as petit juror.

Frisco Consolidated Mining Company vs. D. N. Swan; twenty days from date to file statement for new trial.

Daniel Eyer vs. Daniel Bateman; same order.

Barn Burned.—About six o'clock yesterday morning the nightwatchman from the City Hall was going down the State Road on his way home, when he happened to look toward the Twenty-first Ward, where he observed that a building was in flames. He immediately returned and gave the alarm, and the firemen hastened to the place—a barn on the premises of M. K. Evans. The flames had made such headway that there was no prospect of saving anything, and the pressure on the mains so far up the hill was so slight that a stream could not be turned on the burning building until the fire engine arrived at the place. By active work the firemen saved a barn close by, belonging to Bishop W. L. N. Allen, which was scorched. The loss to Mr. Evans is about \$500. The fire is supposed to be the work of tramps who slept in the barn.

The Territorial Official Cases.—The Supreme Court of the United States has given a decision in the case of "The People of the Territory of Utah, by District Attorney W. H. Dickson, ex rel. Bolivar Roberts and Arthur Pratt, against James Jack and N. W. Clackson." The complainants moved to dismiss the appeal, heretofore granted the defendants by two Justices of the Court of last resort. A private dispatch states that the motion was denied. The contest was consequently carried up through the appeals until it reaches the Supreme Court of the United States, and will reach a final decision on its merits.

Dwelling Destroyed.—Yesterday forenoon the dwelling house of Mr. George Bishop, near the Warm Springs bath house, was burned to the ground. Mr. Bishop was engaged in boiling tar on the stove in the kitchen, when the contents of the kettle took fire. The flames quickly caught the roof, and in a few minutes the whole building was soon enveloped. The neighbors quickly gathered, and saved some of the furniture, but the house, which was frame, was burned, with its contents of clothing, furniture, etc., leaving the family destitute. The loss is about \$500.

Fort Duchesne.—Mr. B. H. Young arrived Saturday evening from Fort Duchesne, in the Uintah reservation. He reports trading with Indians and getting a tolerably lively; probably three million pounds of freight will go over the road from Price this winter, and considerable has already been taken. An immense amount of lumber work will be done on the government contracts, and bids are being prepared lively. The Indians are on their good behavior, and everybody seems prosperous.

Horse Recovered.—Mr. David Lambert was passing Commercial Street to-day, when his eye rested on a horse which was stolen from him about two years ago. It was in the possession of M. L. Lewis, second-hand dealer, who, after the identification of the animal, restored it to the owner. Mr. Lewis purchased the horse from Chas. Palmer, of East Mill Creek, from whom he has a bill of sale. Mr. Palmer (or Mr. Farr, as it is said his true name is) will have an opportunity to tell where he obtained it.

PRIESTHOOD MEETING.

There was good attendance at the Priesthood meeting held in the Assembly Hall on Saturday last.

All the Wards of Stake (41 in number) were properly represented, excepting the 5th, 8th and 10th of the city, and Mountain Dell and Riverton of the country wards.

There were only three out of seven quorums of Elders who did not respond to the roll call viz.: the 3rd, 7th and 10th.

The quorums of the lesser Priesthood were well represented from the country wards.

Five young men were recommended for ordination to the office of Elder.

A number of speakers addressed the meeting, and a variety of subjects were presented. The necessity of obeying the law of the Lord in every particular was strongly advocated; the setting of our houses in order in relation with the revelation given by President John Taylor, October 12th, 1882, and the purification of Zion was urged.

Many are sickly in consequence of a violation of one of God's commandments wherein it says: "And now, behold, this is a commandment which I give unto you, that ye shall not suffer any one, knowing to partake of my flesh and blood unworthily, when ye shall minister it; for who eateth and drinketh my flesh and blood unworthily, eateth and drinketh damnation to his soul."

Therefore if ye know that a man is unworthy to eat and drink of my flesh and blood, say: "Thou art unworthy." (See 3rd Book of Nephi, 18th chap. 28 and 29 verses, latest edition.)

In dispensing the sacrament of the Lord's Supper the Elder or Priest, or whoever officiates, should see that it is properly administered.

The Church has ill feelings against another, let the parties be reconciled before they partake of this sacred ordinance.

Bishops should see that no iniquity exists in their Wards, and Teachers, to certify their calling in an acceptable manner before the Lord, are required to see that there is no evil in their districts.

If Bishops and Teachers will not attend to their respective duties, let them resign their offices.

The drunkard, seducer, Sabbath-breaker and the profane of the name of Deity have no fellowship with the Church of God, and are to be shunned.

Every one should be severed from the Church of God if he practices iniquity; for it is a reflection on the people of God if such things exist.

Again, we require a great many children who require proper instruction, and the word of the Lord is very explicit concerning the training of our offspring.

Every parent in Israel will be held accountable for the acts of his children. If they have not been properly instructed while in their infancy, and when we want to proceed, the boys who stole the chickens testified that the defendant knew how they got them, while the witnesses for the defense declared just the opposite.

James M. Gill, Wm. Anderson, Robert Gill and John H. Noakes are held for trial for being drunk and disorderly.

—Says a Montana paper: Farmers of Montana have no fears of a tumble in this season, since the speculators that supply their markets are buying Salt Lake and Pocatello, Idaho, and paying \$1.25 per hundred there, and we think the same figure in Dakota.

—The prospects of a mining claim in the mountains near Wellsville, Cache County are said to be good. A mining district will be organized there this month.

WHENEVER and wherever an honest article of high merit has been produced in Utah, this establishment has invariably given it that preference, encouragement and opportunity, without which, home product, however meritorious, can achieve success.

We have followed this principle for seventeen years, and have not yet seen the slightest cause to abandon or modify it, and it is our earnest belief that every Merchant of high principle, who values the true interest of the people whose patronage he seeks, will accept this view.

We endorse, believe in and recommend the SOAPS made in Utah, as the best articles in that line that we carry, and will pay freight both ways and all other damages when dissatisfaction occurs.
