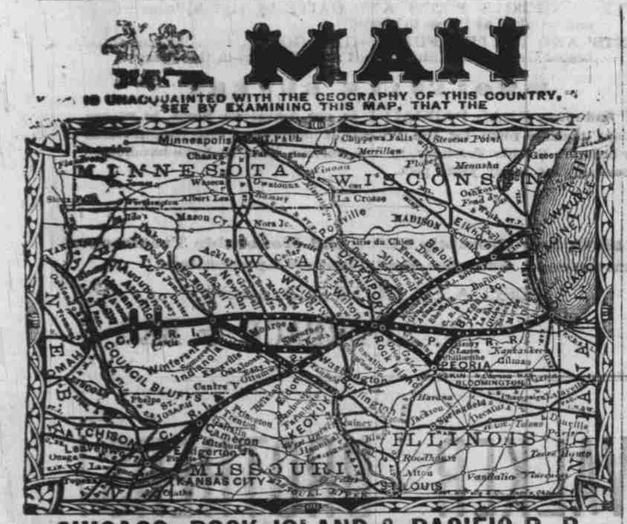
MAN

IS UNACQUAINTED WITH THE GEOGRAPHY OF THIS COUNTRY, SEE BY EXAMINING THIS MAP, THAT THE



CHICAGO, ROCK ISLAND & PACIFIC R. R.

IS THE GREAT CONNECTING LINK BETWEEN THE EAST & THE WEST!

Its main line runs from Chicago to Council Bluffs, passing through Joliet, Ottawa, La Salle, Geneseo, Moline, Rock Island, Davenport, West Liberty, Iowa City, Marengo, Brooklyn, Grinnell, Des Moines (the capital of Iowa), Stuart, Atlantic, and Avoca; with branches from Bureau Junction to Peoria, Wilton Junction to Muscatine, Washington, Fairfield, Eldon, Belknap, Centerville, Princeton, Trenton, Gallatin, Cameron, Leavenworth, Atchison, and Kansas City, Washington to Sigourney, Oskaloosa, and Knoxville; Keokuk to Farmington, Bonaparte, Bentonsport, Independence, Eldon, Ottumwa, Eddyville, Oskaloosa, Pella, Monroe, and Des Moines; Scotch to Monroe; Des Moines to Indianola and Winterset; Atlantic to Lewis and Audubon; and Avoca to Harlan. This is positively the only Railroad, which owns, and operates a through car from Chicago into the State of Kansas.

Through Express Passenger Trains, with Pullman Palace Cars attached, are run each way daily between CHICAGO and PEORIA, KANSAS CITY, COUNCIL BLUFFS, LEAVENWORTH and ATCHISON. Through cars are also run between Milwaukee and Kansas City, via the "Milwaukee and Rock Island Short Line."

The "Great Rock Island" is magnificently equipped. Its road bed is simply perfect, and its track is laid with steel rails.

What will please you most will be the pleasure of enjoying your meals, while passing over the beautiful prairies of Illinois and Iowa, in one of our magnificent Dining Cars that accompany all Through Express Trains. You get an entire meal, as good as is served in any first-class hotel, for seventy-five cents.

Appreciating the fact that a majority of the people prefer separate apartments for different purposes (and the immense passenger business of this line warranting it), we are pleased to announce that this Company runs *Pullman Palace Sleeping Cars* for sleeping purposes, and *Palace Dining Cars* for eating purposes only. One other great feature of our Palace Cars is a SMOKING SALOON where you can enjoy your "Havana" and look out upon the beautiful scenery of the Mississippi and Missouri rivers at all points crossed by this line, and transfers are avoided at Council Bluffs, Kansas City, Leavenworth, and Atchison, connections being made in Union Depots.

EVENING NEWS.

Friday, - - August 12, 1881.

A Nice Distinction.

A domestic servant in a hotel found some money in the hotel parlor and took it to the landlord, inquiring whether or not he had lost it; he replied that he had not, but that he supposed it belonged to A, who had transacted some business in the room, and if so he would restore it. But A did not lose the money, and the owner could not be found. The servant then demanded it, but the landlord kept it, claiming that as the proprietor of the hotel he was the trustee of the owner, was responsible for the care of lost property, and was entitled to its possession until the owner was found. In the court below, the servant recovered a judgment, and the case, Hamaker vs. Blanchard, was carried into the Supreme Court of Pennsylvania, where it was decided June 9. Judge Trinkey, in the opinion said: "It seems to be settled that the finder of lost property has a valid claim to it against all the world except the true owner, and generally that the place in which it is found creates no exception to the rule. But property is not lost, in the sense of the rule, if it was intentionally laid upon a table, counter or other place by the owner, who forgot to take it away, and in such case the proprietor of the premises is entitled to retain its custody. Whenever the surroundings show that the article was deposited in its place the finder has no right of possession against the owner of the building. An article casually dropped is within the rule. Where one went into a shop, and as he was leaving picked up a parcel of bank notes which was lying on the floor, and immediately showed them to the shopman, it was held that the facts did not warrant the supposition that the notes had been deposited there intentionally, they being manifestly lost by some one, and there was no circumstance in the case to take it out of the general rule of law, that the finder of a lost article is entitled to it as against all persons, except the real owner."

Parallel of Sexes.

There is an admirable partition of the qualities between the sexes, which the Author of our being has distributed to each with a wisdom that challenges our unbounded admiration:

Man has science — woman has taste.

Man is strong—woman is beautiful.

Man shines abroad—woman at home.

Man prevents misery—woman relieves it.

Man has a rugged heart—woman a soft one.

Man has judgment—woman has sensibility.

Man is great in action—woman in suffering.

Man is a being of justice—woman an angel of mercy.

Man talks to convince—woman to persuade and please.

Man is daring and confident—woman is diffident and unassuming.

The Desert of Sahara.

Dr. Lenz has found that Timbuctoo has now only 20,000 inhabitants, and that many of its brick-built houses have fallen into decay. But the town yet contains many schools and rich libraries, besides not a few learned men, capable of holding extremely interesting dialectic discussions, especially on doctrines of the Koran. The old canals which formerly connected the place with the Niger, distant only about six miles, are now merely a series of lakes. His notes regarding the Sahara are of importance. The great desert is in no part below sea-level, and is a plateau more than 900 feet above tide-water. Here and there are hills of granite, plains of sand, very shallow lakes, and patches of great fertility, and there are very few beasts of prey. The Sahara of the boyhood of still young men is rapidly losing its romance of terror under the influence of the more recent accounts of actual exploration.

Truth in Brief.

Anybody can soil the reputation of an individual, however pure and chaste, by uttering a suspicion that his enemies will believe and his friends never heard of. A puff of idle wind can sow a million of the seeds of the thistle, and do a work of mischief which the husbandman must labor hard and long to undo, the floating particles being too fine to be seen, and too light to be stopped. Such are the seeds of slander, so easily sown, so difficult to be gathered up, and yet so pernicious are its fruits. They know that many a wind will catch up the plague and become poisoned by their insinuations, without ever seeking the antidote. No reputation can refuse a sneer, nor any human skill prevent mischief.

Be a Man.

Foolish spending is the father of poverty. Do not be ashamed of hard work. Work for the best salary or wages you can get, but work for half price rather than be idle. Be your own master, and do not let society or fashion swallow up your individuality—hat, coat and boots. Do not eat up or wear out all you can earn. Compel your selfish body to spare something in profits saved. Be stingy to your own appetite, but merciful to other necessities. Help others, and ask no help for yourselves. See that you are proud too. Let your pride be of the right kind. Be too proud to be lazy; too proud to give up without conquering every difficulty; too proud to wear a coat you cannot afford to buy; too proud to be in company you cannot keep up with in expenses; too proud to be stingy.

THE JAPANESE LABORER.—In his own country the frugal Jap lives in a house of no more than four rooms; one for eating, sleeping and sitting, one for cooking, one for bathing and one to spare. He never wears boots nor brings mud into the house. He and his family sit on the floor when they eat, and take their meals at a low table. The floor of their dining and sitting room is covered with clean, soft mats, upon which at night cotton comforters are spread to sleep under. Such a house can be built and furnished for one hundred dollars, and though cheap and small is comfortable. The bath, found in almost all laborers' houses, is in daily use. "Better than gold is the water cold."

SHORT AND SHARP.

Why is it that a lump of wax tied in a rag and some salt sprinkled on a paper, will polish a hot flat iron? First apply the wax rag, then rub with the salt sprinkled on paper.

The *Onancock Virginian* tells of a nice young man visiting that place who included "lady-killing" among his other seaside recreations. He kept looking in the window of a married lady until he saw her shake her handkerchief, when he called at her room. After being picked up at the bottom of the stairs and having his dislocated bones set, it was explained that she was only shaking some apple peelings from her napkin.

A quiet man was traveling a short time ago on an English railroad, and was annoyed by the noise which two or three men in the same carriage were making. One of them had been telling tremendous stories about himself in a loud voice, and had tried once or twice to draw out the quiet man, but in vain. At last he turned to him and said rather offensively: "I fear, sir, that our noise has rather inconvenienced you?" not in the least," he replied. "I thought," returned the noisy man, "that you did not seem interested by my stories." "Quite the reverse, my dear sir," said the quiet one: "I was very much so—in fact, I am a bit of a liar myself."

TUTT'S PILLS!

AS AN ANTI-BILIOUS MEDICINE, are incomparable. They stimulate the TORPID LIVER, invigorate the NERVOUS SYSTEM, give tone to the DIGESTIVE ORGANS, create perfect digestion and regular movement of the bowels.

AS AN ANTI-MALARIAL They have no equal; acting as a preventive and cure for Bilious, Remittent, Intermittent, Typhoid Fevers, and Fever and Ague. Upon the healthy action of the Stomach and Liver depends, almost wholly, the health of the human race.

DYSPEPSIA. It is for the cure of this disease and its attendants, SICK-HEADACHE, NERVOUSNESS, DESPONDENCY, CONSTIPATION, PILES, &c., that these Pills have gained such a wide reputation.
