## WARRANT OUT FOR DOWNEY

Bliss Himself Off to Paris Unknown  
To Avoid Trouble—No Worse  
Than Some Others.

The more that Salt Lake sport fans think of the way they were hoodwinked at Walker's field on Thursday night, when they paid their good money to see what they had every right to believe would be a first-class exhibition, the more disgusted they are. They feel that they were flim-flammed to a finish. The man Downey who was to meet the Mexican had been heralded loudly and officially, being the man he claimed to be. The proclamation removed the last doubt that many had, and so, on the strength of it they bought tickets of admission. When the management announced that he was not the man—but a miserable counterfeiter, there was a howl—good-natured at first, but entirely lacking in those qualities now. If the promoters of the fraud could hear but a tenth of the deserving criticism that is hurled at their heads it is hardly likely that they would have attempted what they did attempt, even for the money there was in it. But no amount of croaking will help matters now. There is only one thing to do, and that is, wipe it off the slate, and remember the name of every man who contributed to the fake affair. A warrant has been issued for the arrest of Downey, but he has gone and the community is well rid of him just as it would be better off with the departure of a hundred of his kind who are now in the city. Every blatant swindler who stood for Downey—who said he was all right, is now attempting to square things; and even Mr. Mulvey has found it necessary to work along the same lines by announcing that Downey was a fake. It will not be given to him at all, but will go to charity. But that does not lessen the shamelessness of the fraud one iota. The men who paid their money to see the fake expected to see a scientific exhibition. They had been assured that they would see such a show. They did not go there to pay any part of their cash to charity. When they pay to charity they prefer to do so direct. They don't want it out in two with one fourth for charity and three fourths for pugilism. That is the way the situation is sized up by nine-tenths of those who attended. They are tired and disgusted in the extreme, and declare that the game was about as badly hurt on Thursday night as it could be.

Butte, Mont., July 3.—Joseph Walcott, the Barbados demon, tonight decisively knocked out Mose La Fontaine, the champion welter-weight of the northwest, in the third round in a battle for the championship welterweight of the world. The end came shortly after the sounding of the gong for the third round. Walcott rushed La Fontaine, missing a vicious left swing for the jaw. The negro then mixed it with the Butte lad, delivering a short right jab to the solar plexus, sending La Fontaine down and not rising during the fight. La Fontaine appeared to have a chance, Walcott getting inside of his guard with impunity and landing his opponent with apparent ease. Several times La Fontaine went to the floor and each time the negro assisted the Frenchman to his feet.

## LOBSTERS WERE BEWILDERED

Maroons Ran Around Diamond Till  
All Was Dizzy—Score 20 to 0.

The Maroons ran around the diamond so fast and so often yesterday afternoon, on the Walker's field, that the Lobsters were bewildered and even Billy Dutch got dizzy. He recovered himself before dark, however, and exercised enough influence over the locals to keep them from intensifying the record of 20 to 0 in their favor. The large enthusiastic crowd of Lobsters were obliged to tote home. About two innings before the end, Dutch and the batters tried with all their health and strength to drag the Lobsters into the game, but they failed. If a Maroon stood at the bat with his feet at an angle of 45 degrees instead of 60, Dutch called him out, and it "went" with the fans. Everybody went to see the Lobsters mark up one on the blackboard, but they were too tired. In the absence of anybody who could pitch, "Maude" Plake was transferred from short stop to the strong arm box. "Maude" did perfectly well, putting them over the plate every time, about midway between the batters' belt and his knees. The locals, to show their appreciation of "Maude's" heroism, proceeded to keep the outfielders busy journeying after the ball. In the seventh Moe McDonough was put in the box and Plake came back to short stop. Mac was equally as good as Plake, but Billy Dutch called everything a strike that the catcher could haul back behind the plate within three and a half minutes. But even at that the Lobsters could not use their opportunities, and the slab-sided score stood pat. Everybody was good natured, including the players, and the grand stand got up and departed in the very sight of good humor. The summary:

"Oh!" a little bit short and crusty, am I?"  
"Well, I'm not so tough as the last pie you cut, if your edge is an indication!"  
"Took an hour to make, and a week to bake, did it?"  
"Folks had to dig the fruit out of it with a pickaxe. I'm told, and—sent the shell to the Blacksmith for hinges!"  
"But—never again will they need to do that, since now they use 'magical' PRESTO."  
"It makes the quickest, surest, lightest, whitest, and cheapest, of cakes and pastry."

throw to first by Flannery, fielding Weed's single, resulted in a run for the visitors on Borchers's single, with two out. In the eighth inning Joe Marshall put the ball over the clubhouse corner. It was a pitchers' battle, in which Borchers had a trifle the best of it. Many hard line drives went straight to the fielders' hands. The piece de resistance of the game was a long running catch by Jack Lawler, who doubled Weed at first by a sensational throw that brought Lawler money. Attendance, 1319. Score:

## WORLD'S RECORD BROKEN.

Chicago, July 3.—Jane Holly ran six and one-half furlongs in 1:18 1/4 at Washington park today. The mark is lower than the world's record of 1:18 3/4, set by McChesney at Harbison in 1901, but it may not stand as the new time, as the start was made out of a chute, thus eliminating one turn.

## HERTZ SIGNS PAPERS.

## Arranges for Return Match Between Yanger and Hanlon.

San Francisco, July 3.—Before his departure for the east tonight John Hertz, manager of Henry Yanger, the featherweight pugilist, signed articles for a return match with Eddie Hanlon, the bout to take place in September before the Hayes Valley Athletic club. The men will fight at 120 pounds, ringside, Hanlon and Yanger fought a 20-round draw in this city last Tuesday evening.

## ROOT-GARDNER FIGHT.

## Bets Are Even but Irishman's Money Is Not Taken.

Buffalo, N. Y., July 3.—All is in readiness for the Root-Gardner fight tomorrow night at Fort Erie for the lightweight championship. The winner of the 20-round go gets the title, a \$1,300 diamond emblem and the lion's share of a \$7,500 purse.

The bout rivals the Corbett-Jeffries mill on the coast next month, for the followers of Root predicted that the winning champion will be the logical opponent for the victor of the Pacific slope.

Both men rested today and both are confident of victory.

The out-of-town attendance will be very large and the gate money will be \$20,000 easily.

The Chicago delegation, several hundred strong, will come in the morning on two 10:30 trains, picking up crowds at Detroit and elsewhere.

The betting is at even, but Gardner money floods the town without many takers.

## OLD CHALLENGER INJURED.

## Sir Thomas Lipton's Boat Crippled By the Wind.

New York, July 3.—A sudden shift of wind today brought Sir Thomas Lipton's former challenger, crippled and out of the race, across the finish-line minus her clip-top sail, only four minutes behind the new clip hunter, Shamrock III, after the latter had beaten her 8 minutes and 20 seconds in 26 miles of a sail-stretching trial before the old boat was partly disabled.

The club-top sail on Shamrock I, broke at the top-masthead when she had four miles to sail. She was 12 miles behind the new boat when the damage was repaired and the race resumed. Before the accident the Shamrock III, beat the old boat 4 1/2 minutes running to leeward 5 miles, and nearly 4 minutes in sailing a long leg close hauled.

The new cup seeker was hardly up to her standard today. Ordinarily, in a light wind such as prevailed, she is 10 minutes better than her namesake in a 15 miles run, but changes which had been made in her trim and reduction in her ballast had not improved her. The wind during today's trial varied from two knots to about seven. The course was 30 miles long. Summary:

Start Finish Time.  
Shamrock III, 1:11:24 2:36:00 4:21:35  
Shamrock I, 1:11:24 2:36:00 4:21:35  
In elapsed time the Shamrock III, won by 5 minutes, 20 seconds.

## Lions Long Rests Attell.

## National League Changes.

New York, July 3.—Managers Hanlon of the Brooklyn baseball club and William Robinson of the Eastern League Baltimore club have made a deal at Washington park by which the Brooklyn acquire the services of Outfielder John Haydon. In exchange the Baltimore club gets Hugh Jennings, Hughie Ahern, Outfielder McLeedie and Pitcher Pound. Robinson has resigned the management of the new Baltimore and Jennings will take charge tomorrow.

## Big Cricket Match is On.

London, July 3.—A good sized crowd was present at Lord's grounds today when the actual cricket match between Oxford and Cambridge, begun yesterday, was resumed. Oxford, in their first inning yesterday, scored 259 runs, and at the close of play Cambridge in their first inning had scored 128 runs for eight wickets down. They were all out today for 157 runs. Oxford was all out in their second inning for 291 runs, giving them a total for the two innings of 550 runs and leaving Cambridge 414 runs to make up in their second inning in order to win. At the close of play today Cambridge had scored 88 runs for five wickets down in their second inning.

"Lottie has been ailing for some time," says her mother, Mrs. C. Plyter. "She had Catarrh dreadfully and became very deaf—had trouble with her stomach, could not enjoy her meals, and was very restless at night. I took her to see Dr. Shores and placed her under Dr. Shores' treatment. Since then she has improved every day and we could see the treatment gradually curing her, and now we find all her old troubles are gone, no more deafness, no more Catarrh, no more dizziness—she eats well, sleeps soundly and to all intents and purposes is absolutely well and cured."
