

INTERMOUNTAIN GOLF CONTEST.

Match is Arranged Between Salt Lake and Butte Teams For Sunday.

CHALLENGE IS ACCEPTED.

Butte Team Will Leave Tomorrow for This City—Fine Game Is Looked For.

A golfing contest for the intermountain championship has been arranged to come off next Sunday at the country club's links between teams representing Butte, Mont., and Salt Lake. A challenge was issued by the country club, and arrangements were made by T. M. Hodgson for Butte, and A. W. Copp for the local club. The matter was talked over by phone last night, and it was stated that J. H. Leysen had offered a handsome silver trophy to the winning team.

It was agreed that a team match would be played with eight men on each side, the players to be paired and the winning team will be decided upon the total number of points won by all the players on the teams. It has not been definitely decided whether the play will be 18 or 27 holes.

BUTTE ACCEPTS CHALLENGE.

The following special was received by the "News" this morning:

Butte, Nov. 25.—The Butte Golf club has accepted the challenge of Salt Lake, and tomorrow a party of seven of the best players in the club will leave for Utah, and Sunday the contest will be held. Mr. McQuinn, who is champion of the Butte team, is among the party, together with P. H. Hodgson, a well known banker of this city, who was the runner up in the championship of the state last year. The other members of the party are: Charles Lee, Jos. H. Case, ex-Senator Lee, Mr. Bryant and E. J. Barker. The golfers plan to practice Friday in Salt Lake.

ISLE OF PINES.

Inquiry to be Made into Interests of American Citizens.

Washington, Nov. 24.—The treaty between the United States and Cuba for the adjustment of title to the ownership of the Isle of Pines has been returned to the senate committee on foreign relations for an inquiry concerning the interests of American citizens before action is taken. The treaty was reported yesterday, and in executive session today Senator Bacon called it up for ratification.

Objection was made by Senator Penrose, acting for Senator Quay, on the ground that certain citizens of Pennsylvania have investments in the island which have not been properly safeguarded under the treaty. He protested against precipitate action, and at his request the treaty was ordered referred to the foreign relations committee. The extent of American interest will be made the subject of investigation.

By the terms of the treaty the United States relinquishes in favor of Cuba all claims to title to the island and receives in consideration grants of coal and naval stations in Cuba. It is agreed that citizens of the United States who at the time of exchange of ratification of the treaty reside or hold property in the island shall suffer no diminution of rights or privileges acquired prior to the exchange.

House Adjourns till Friday.

Washington, Nov. 24.—When the house convened today, Mr. Payne moved that when an adjournment is taken it be until Friday.

After some debate, during which Mr. De Armond (Mo.) said the house had transacted the business for which it had been called in extraordinary session, the motion for adjournment until Friday prevailed.

The speaker then read an invitation from the governor of Louisiana to the members of the house to be present at the celebration of the 100th anniversary of the transfer of the tract purchased by the United States from France.

Mr. Meyer (La.) asked unanimous consent for the consideration of a resolution accepting the invitation, but objection was made, and the matter was postponed.

The house then adjourned until Friday.

New Telegraphic Apparatus.

Berlin, Nov. 24.—William v. Siemens of the Siemens-Halske company, exhibited today before an audience of postal and telegraph experts a new telegraphic apparatus, which he said telegraphed by means of light.

Dr. Franko, Dr. Thomas and Dr. Ehrhart have been working for several years. Perforated paper ribbon is used in the apparatus, and the experiments show that the instrument sends 2,000 words per minute for long distances. The message is received on a strip of sensitized paper which emerges with the letter fully developed.

Sensor Clark's Daughter Sued.

New York, Nov. 24.—Charging that Mrs. Everett Mallory Clark has defamed the affections that Solon J. Vlasto, her husband, should have for her, Mrs. Elizabeth R. Vlasto of this city today began suit in the supreme court for \$500,000.

The papers were served on the defendant at her residence in this city today.

Mrs. Culver, a daughter of Senator A. W. Clark of Montana, is already in the public eye because of her divorce suit instituted against her husband.

Mr. Vlasto is a well known Greek, and proprietor of the Greek newspaper "Attika." Mrs. Vlasto says her husband's friendship for the Culver family brought about her separation from him in 1901.

Trials at Kischineff.

Vienna, Nov. 24.—Reports received here of the trial at Kischineff of persons connected with the massacre of Jews say that the court absolutely refused to permit the mention of the names of any persons not actually accused, even when witnesses for the defense represented that prisoners were the tools of more intelligent and responsible agitators whose names they offered to give. The military commander of the district testified that he had a guarantee of 5,000 men in Kischineff, but took no action because he had no orders from the governor. When, however, he feared the massacres would be perpetrated, he used his troops and speedily restored order.

In all \$2,500 was secured and Marks says the money was evenly divided among the three men. The next day Marks and his two companions went to Denver, where they remained for a short time. From Denver they went to Cripple Creek, and in a week they came back to Chicago, since when, according to Marks, the three men have been implicated in a number of hold-ups and shooting affairs.

New York, Nov. 25.—Minister of Foreign Affairs Carlos Rico, answering Mr. Beaupre's note, accompanying the transmission of the treaty between the United States and Panama, signed on the 18th, says that he hopes that during the coming events of worldwide importance the American government will demonstrate that it did not recognize isthmian independence with the object of obtaining any material advantages, but from generous, humane and friendly motives to prevent bloodshed, says a Bogotá dispatch to the Herald dated Nov. 21.

Minister Rico also thanks the American government for its offers of its good offices to both sides, which should effect peace and maintain Colombia's integrity.

CAUSE OF DIPHTHERIA.

New York Physicians Say it is Owing to Burning of Leaves.

New York, Nov. 25.—Physicians of Suffern, N. Y., and Rameau, N. Y., have made a new discovery as to the cause of diphtheria. This disease has been epidemic in these towns for some time. After an investigation the doctors have concluded that the cause is the burning of leaves in the Ramapo mountains, which leave peculiarly poisonous irritants in the smoke that has descended on the villages for some time.

FITZ-GARDNER FIGHT TONIGHT.

Big Fellows Will Battle for Light Heavyweight Championship.

"OLD MAN" IS THE FAVORITE.

Says He Will Go After Gardner Quickly and Finish Him as He Did Rubin.

At Mechanics' Pavilion, San Francisco, tonight Robert Fitzsimmons, the "old man of the prize ring," and George Gardner, champion of light heavyweights, will battle for the title held by the latter. If the men are down to weight they will enter the ring at 165 pounds. The fight is scheduled for 20 rounds, and will be conducted under straight Marquis of Queensbury rules. Eddie Graney will referee the fight.

This contest has been talked of ever since Gardner defeated Root the last time and a great deal of interest is felt all over the country in sporting circles. Fitzsimmons is undoubtedly the favorite on the coast with odds at about 10 to 3. In Salt Lake the old man is the favorite although Gardner has many warm supporters here. Gardner is looked upon everywhere as a game, hard fighter, a tough fellow to whip and a terrible punisher. But the Fitz admirers believe the Ruby Robert has it over him a city block in cunning and ring generalship, and that he has not lost his terrible wall-gardner is tough and rugged, and never lets an opponent rest. He is at his man all the time from the sound of the going jabbing and slashing away in the hope of ending the battle. He has followed these tactics in all of his fights. But will he do so with Fitz? Those who know him best say that he will, and strange as it may seem, it is on this theory that many pick Fitz to win. The latter has always declared he could whip any man who would come to him tonight. Tonight's battle will tell the tale. Of course, Fitz is handicapped by age. Will youth and strength gain the mastery over cunning? Here is what Fitz says about it:

Alameda, Cal., Nov. 24.—I am glad that my battle with Gardner is so near, so that the tedious training routine is over. It will be a short fight, for I don't expect any trouble in defeating Gardner. I always enter the ring the same way—full of confidence and in good condition. Then, if I am beaten, I have no fault to find. But with Gardner there's no chance of my losing.

No doubt Gardner is game; in fact, I hope he is, so that the public will see a grand fight. I think it will be as quick as possible. I am just as confident as I was at the time I fought Sharkey and Rubin. Gardner has the following to say:

Larkspur, Cal., Nov. 24.—The fact that Fitzsimmons is a favorite over me for our battle tomorrow night does not worry me in the least. I am just as confident as ever before that I can defeat him, and I will enter the ring sanguine of carrying off the honors. I have trained hard for the contest, knowing that I was going to tackle one of the best fighters in my class.

I am down to weight now, and will be in as good shape on the night of the contest as good hand training can make a man. I will be ready to accept the opportunity to finish Fitzsimmons whenever it is offered. As to how long the battle will last, I don't know.

Champion Jeffries picks Bob to whip George. He says:

Chicago, Nov. 24.—The battle between Fitzsimmons and Gardner for the light heavyweight championship, which takes place tomorrow night at San Francisco, should prove a grand fight event.

Personally, I look for Fitzsimmons to win. I have fought him and I know that he is the hardest proposition I have ever encountered. He is a wonderful biter, and is on to all the tricks of the game. He is a ring general.

If, however, Gardner should defeat Fitzsimmons, and if Gardner is successful, we can put him down as a wonder. Of course, Fitzsimmons' age is a slight disadvantage.

Root-Flynn Bout.

Pueblo, Colo., Nov. 24.—Jim Flynn, the well known Pueblo prize fighter, stated that he will fight tonight with Jack Root. He will challenge the winner of the Fitzsimmons-Gardner fight. A few days ago Flynn knocked out two of his sparring partner's teeth, and this slightly injured

his own knuckles. However, he declares that he was never in better condition than he is for the coming fight. He fully realizes that Root is a hard man, but cannot see how he can lose. Kinsley, whose teeth were knocked out, is the man who came down from Denver to work with Flynn. He is a big fellow, and a strong one, and fought two draws with Flynn early in the latter's career. After becoming tight Flynn expects to take a run to the Pacific coast and do some fighting out there. One of the offers comes from Oakland, where the sure ante strong inducements. Flynn made much of his early reputation at Salt Lake and he is quite popular there.

Little Fellows Matched.

Chicago, Nov. 24.—A special to the Record-Herald from San Francisco says: Young Corbett and Eddie Hanlon were matched last night to fight here Dec. 28. The men will meet at 125 pounds, for the featherweight championship of the world, the battle to be twenty rounds.

Sieloff Defeated.

Port Huron, Mich., Nov. 24.—Willie Fitzgerald of Brooklyn tonight knocked out Otto Sieloff of Chicago, in the third round of what was to have been a ten-round bout.

Ryan vs. O'Brien.

Chicago, Nov. 24.—Tommy Ryan and Jack O'Brien were matched today for a six-round contest, to be held in Philadelphia about the first of the year. The fight is to be at catch weights, and if both men are on their feet at the end of the sixth round a twenty-round bout will be fought in some other city.

JOHN L'S BELT.

Heavyweight's \$10,000 Trophy Sold for \$2,000 in New York.

New York, Nov. 24.—John L. Sullivan's famous \$10,000 diamond belt has been sold at auction for \$2,000. The belt was given to Sullivan by the Ring in 1892, and has since been pawned about a year ago and was sold as an unredeemed pledge.

The purchaser intends to use it for display purposes in a curiosity shop. The belt consists of eight panels of gold, weighing 700 pennyweights, and studded with 400 diamonds, varying in size from one-half carat to one and a half carats. The last time the famous trophy of Sullivan's pugilistic prowess was on view, was when the former fighter was champion of the business in New York.

THE BIG YACHT RACE.

All Negotiations for It Are in Hands of Lord Lansdale.

New York, Nov. 25.—Lord Lansdale, who has been here to see the Kaiser relative to the International ocean yacht race, has been for London, says a Herald dispatch from Berlin.

Up to the time of his leaving he had not accepted the proposition he made to the commodore of the New York Yacht club beyond the statement from the commodore that the matter was being considered.

"From this time on," said Lord Lansdale, "all negotiations for the race are in my hands."

Baron Speck von Sternburg, who went to see the Kaiser with Lord Lansdale, said:

"I sail for the United States today week and shall do so with talking over the yacht race with the commodore adm members of the club. I am being in the hands of such a thorough sportsman as Lord Lansdale."

Athletes to Organize.

New York, Nov. 25.—Probable the largest organization of athletes in any city of the world is to be formed in New York. Almost 100,000 boys in the public schools of New York will be banded together.

The plan for the league was formed by Dr. Luther H. Gulick, director of the Madison Square Garden Dec. 26. There will be events for boys in the high schools and grammar schools.

RACES AT OAKLAND.

Favorites Captured Five of Yesterday's Events—Jockey Pulled.

San Francisco, Cal., Nov. 24.—Favorites took five of the races at Oakland today, the only outsider being Veteran, who scored at odds of 20 to 1. Fossil, the heavily-played, first choice, was badly ridden by Buxton, who pulled him up near the finish and lost the race. The boy was only reinstated yesterday after a judgment suspended him for two weeks for carelessness. The track was very heavy, but the weather was fine. Summary:

THE GREATEST "WOMAN'S MEDICINE"

No. 5 West Lexington Street, BALTIMORE, MD., June 17, 1903.

Rachel Littleton

HISTORIAN, DAUGHTER OF THE AMERICAN CONFEDERACY.

Wine of Cardui is the only real reliable medicine for a sick woman. I tried several other medicines before I tried it but Wine of Cardui cured me. For four years I suffered with profuse menstruation which weakened my system and debilitated my strength until I became so weak that I was unable to work. I was in despair as I had spent a good deal of money uselessly until I tried Wine of Cardui and then I began to get better at once. My menses which had been frequent and profuse and painful soon became regular, painless and the flow natural. I therefore consider that it is all the medicine a sick woman needs. It is better than all the doctors and other medicines, its cost is trifling, and it cures in a remarkably short time.

Wine of Cardui is a scientifically prepared medicine which does one thing and does that well. It regulates menstruation perfectly. There are no conflicting diagnoses to this treatment. The only diagnosis needed is that the menstruation is disordered and should be corrected. And following this principle Wine of Cardui has been the most successful female medicine that can be secured anywhere. In regulating the menstruation Wine of Cardui builds up and re-inforces the womanly organism. It drives out weakness and disease. With menstrual irregularities corrected, bearing down pains and ovarian troubles disappear. Headaches are banished, the nerves are strengthened and the sufferer begins to feel better at once as Miss Littleton describes.

You make no mistake in advising any woman to take Wine of Cardui. It is a medicine which almost every woman needs periodically to keep her in health. You could not make a better investment than to go to your druggist today and secure a \$1.00 bottle of Wine of Cardui and take it in your home. Wine of Cardui cured Miss Littleton when every other known remedy failed. Will you try it?
