A MONSTER!

FOR some time past I have been afflicted with a Solium, one of the worst species of the Tape Worm, causing loss of speech at times, swooning and fainting, with a voracious appetite, and after eating, vomiting more or less every time. I am happy to say that I am now relieved. Dr. Crookwell gave me a medicine, which I have been taking for the past ten days, and which brought from me a Tape Worm seventy feet long, and relieved me from the above symptoms. A large portion of the Solium may be seen at Godde's Drug Store.

A CARD.

To the Inhabitants and purchasing Community of this Territory:

Owing to the great decline in the prices of goods in the Eastern Markets (being determined to keep IN RATIO with them), I have made a further reduction in the prices of goods, which upon examination will speak for themselves. I have also on hand a great many articles that have laid over for one and two years—which I will sell, REGARDLESS OF COST, even lower than the present rates in the Eastern Markets will permit of; viz.: Table and Pocket Cutlery, Spades, Shovels, Scythes and Snaths, Bake Skillets, Locks and Latches, Tea and Table Spoons, Carriage Bolts, Cast Blister and Plough Steel, Soap, Lye, Tobacco, and an immense variety of other goods, which are necessities for every day use. Farmers and Country Merchants would do well to call and examine the stock and prices, and as Greenbacks are scarce in the country, I will take for pay, Cutlery, Wheat, Flour, Barley, Oats, Pork, &c., for which I will give a price that will guarantee satisfaction.

LEGISLATIVE.

The Legislative Assembly met at 2 p.m. to-day, pursuant to law, in the State House in this city.

Council.—Patrick Lynch, Esq., Secretary of the last session, called the roll. The same gentleman, as Clerk of the United States District Court, administered the oath to the members elect; after which the Council organized with the following officers:—

George A. Smith, President; Patrick Lynch, Secretary; Joseph M. Simmons, Assistant Secretary; J. D. T. McAllister, Sergeant-at-Arms; Albert Carrington, junr., Messenger; Joseph Busby, Foreman; and Joseph Young, senr., Chaplain.

The officials having been duly sworn, Councilor Carrington presented an Act to provide for the Legislature meeting in the City Hall, Great Salt Lake City, which passed; was sent to the House, and passed there; and was engrossed for the Governor's action upon it.

The Council appointed a Committee to wait upon his Excellency, with a like Committee from the House, and inform him that the Council and House would be in session to-morrow at 2 P.M., in the City Hall, of this city, or at such hour as would best suit him, to receive such communications as he might have to make.

Council adjourned till to-morrow. House.—R. L. Campbell, Esq., Chief Clerk of the House for last Session, called the roll, and the members were qualified by W. W. Phelps, Esq., Notary Public.

The Hon. John Taylor was elected Speaker, and sworn by W. W. Phelps, Esq.; after which the following officers, to complete the organization, were elected, and duly qualified:—

Speaker—John Taylor.  
Chief Clerk—Robert L. Campbell.  
Assistant Clerk—Joseph C. Rich.  
Sergeant-at-Arms—Sam'l H. B. Smith.  
Messenger—Franklin S. Richards.  
Foreman—George W. Slade.  
Chaplain—W. W. Phelps.

The Council was then notified that the House was organized and ready to proceed to business.

An Act was received from the Council, relative to the meeting of the Legislature at the City Hall, upon which action was immediately taken, and it passed.

A Committee was appointed to act in conjunction with a similar Committee from the Council, to wait upon his Excellency, the Governor. The House then adjourned to 1 P.M. to-morrow. Governor Durkee signed an Act which had passed the Assembly, removing the sitting of that body from the State House to the City Hall.

It is not generally known in this country that one and the same telegraphic alphabet is used in Great Britain, France, Belgium, Holland, the German States, Italy, Spain, Portugal, Malta, Switzerland, Denmark, Norway, Sweden, Russia, Persia, Greece, Turkey, Africa, and India; also for the Mediterranean, Persian Gulf, and the Atlantic Cables. This alphabet was originated by the Germans.
