# MINING NOTES.

The Yankee has nine cars of ore eady for sampling today. Total transactions on the mining exchange for January involved 2,059,223 shares and \$1,091,045. The Victor has four cars, the Ajax three, and the Star Con, one car of ore on the market today. It is stated that plans for the new dono will are nearly completed and will be submitted in a few days. The Conklin sampler was in receipt rning of seventen cars of ore

2 46 from Tintic and one from Bingham. The May Day has two cars of ore beng assayed as has also the Ren Butler lve cars. They will all be marketed on Monday

General Manager McVichie of the Bingham Con., accompanied by Presi-dent White, is expected to reach the city from the cast tomorrow. The Taylor and Brunton sampler was

a receipt today of five cars of con-entrates from Hingham, two cars of re from Tintic and one from Nevada, The report is out that the Red Wing dining company owning properties in Singham, will soon reorganize with a arger capitalization, assessable for de-

slopment work. Much improvement in values has been andown in Utab conner stocks, quoted in Boston, during the past week. Utab is proted at \$26.25. United States, at \$17.50; Bingham, at \$24.50; and Daly-West, at \$28.00.

Advices concerning the remodeled Tesora mill state that the new process saves more iron and about the same ercentage of copper as before. It is tated that until richer ore is encounred the company will do well if it areaks even on expenses.

J. R. De Laniar, the millionaire mine owner, is retiring from active business. Yesterday he sold control of the Consolidated Mercur. 501,000 shares out of a total of 1.000.000, to his associates. John Dern and others. It is understood that his California copper mine, the fully Hill, is for sale for cash.-Boston News Bureau.

Ore and buillon settlements in this city for the month of January aggre-gated \$1,525.356, as compared with \$1,-783,908 for the corresponding month of last year. The falling off is in a large

Banking men say that the past week has been more quist, with rates of in-terest stiffening, and the focling has been one of confidence. There is a gen-eral disposition to be cautious.

According to Bradstreet's report for the week ending yesterday, Salt Lake's bank clearings amounted to \$2,968,569; mill keeping ahead of Seattle, whose figures are \$2,527,772. Los Angeles is pickins, up rapidly, its clearings for the weat being \$3,984,949, Portland, Ore, is behind Salt Lake, with \$1,841,830.

Bradstreet reports 292 failures in the United States the past week as against 29! for the previous week, 281 for the last week in 1901, 252 for the same week in 1900, 246 in 1899, and 288 in 1898,

The George M. Scott-Strevell Hard-care company re-elected the old officers of the company as follows: President, Geotre M. Scott, yice president and The M. Scott vice president and murr C. M. Strevell: secretary, W. B. Outcall: other directors, O. Stansbury and W B. Rice, A 2 per cent qaurterly dividend was declared.
