THE GREAT SEMI-WEEKLY NEWS OF THE WEST.

Is Issued Mondays and Thursdays and Contains All the Cream of the Daily and Saturday News.

LOCAL BRIEFS.

August Gattiker, formerly of Switzerland, but now a resident of this city, has been admitted to citizenship by Judge Armstrong. Judge Willis Broth of the Juvenile court will deliver an address in the Nineteenth ward meetinghouse on next Sunday evening at 6:30 o'clock. A large photograph of the senior "gym" class at the Y. M. C. A., has been taken and is displaying in the lobby of the association building. The new guard house at Fort Douglas has been so far completed that the prisoners have been removed from the old "reel" to the new and more palatial quarters. There will be a civil service examination in this city August 23, for the position of bookkeeper in the Panhandle office, at \$100 to \$125 per month; age limit, 18 to 40 years. The fees of the county clerk's office for the month of July amounted to \$2,394.45 as against \$3,022.65 for the same month last year, making an increase this month of \$628.20. The rush of tourists "continues with unabated fury," and the hotels are full to overflowing. The hotel clerks have their hands full and the liveliest places in town are the hotel lobbies. Surg.-Maj. Allen M. Smith of Fort Douglas has gone to the Strawberry valley for duty with the troops in the field, and Asst. Surg. Keller has returned from the field to the Post for duty. Hot weather and low water in the streams of the state are having a bad effect on the fish. It is reported that large numbers, particularly along the Weber river, and Lost and Chalk creeks. The department employees of the city were paid yesterday by the city treasurer for the last half of July. The amount of the payroll is \$14,921.88. This is also pay day for the county employees so that they will have some circus money, too. There is an increased demand for butter reported among the local dealers, the wholesale price of which in consequence is advanced from 20 to 21 cents. The supply is shortening, as it generally does at this time of the year on account of the hot weather which dries up the pastures. Reports from Los Angeles state that Landlord Fred Wey of the Wilson hotel, has under consideration an offer to engage in a hotel enterprise in the Angel city, in the erection of a hotel of 500 rooms at Fifth and Spring streets. Mr. Wey's success as a hotel keeper in this city has given him an enviable reputation in the business over the west. J. Kodak Smith of Castle Gate, is at the Wilson. He says that there is no excitement to speak of in his part of the country over the Uinta reservation opening, and very few people will try for a homestead along the west. The ex-strikers remain in that section, but as a body they have practically disappeared, and none have succeeded in getting back into the coal mines. A defective fire caused a fire at the residence of Mrs. W. T. Taylor, 315 East street yesterday, and damage to the extent of about \$80 was done. The blaze burned a hole in the roof of the kitchen and some damage to the contents. The place is fully insured, however, and Bray will suffer no actual loss. The alarm was responded to by the apparatus from station No. 1. There was a large attendance of the citizens attending in the following on the occasion of the 40th anniversary of the Utah lodge No. one of I. O. O. F., in this city. Past grand master jewels were presented to Charles Popper, Henry Cobb and M. Stockman, and the program was enjoyed by everybody. Refreshments and a social closed the evening. A baby was smuggled into yesterday afternoon's Tabernacle organ recital, "contrary to the statutes here made and provided," and its presence was shortly made evident—in the usual way. Its shrill piccolo obligato, very noisy, was heard in the organ. The addition to the tender strains of Balthasar's Communion in G, on the organ, and it was noticed that the tonal expression and intensity were perfect. The accompaniment varied with the grouping of certain steps on the organ. Contractor Campbell who went to Chicago for a plumbing outfit for the new Federal building, has been fortunate to find just what he wanted in stock, so that there will be no delay, and the goods have been shipped west. The final arrangement of marble also is nearly here, and when that comes, the unfinished staircase work will be at once completed. There is some criticism on the flooring of the court rooms with Oregon fir, when the elegance of the surroundings would call for at least for hard maple, if not marble tile flooring. Zion's Savings Bank and Trust Company was organized in 1873, and now opens an average of more than 10 new accounts every day. We want YOUR business. Joe F. Smith, President; George M. Cannon, Cashier. C. S. Martin Coal Co. Rock Springs, Cumberland, Castle Gate and Clear Creek lump and slack. ONLY \$11.65. Twin Falls, Idaho, and Return. From Salt Lake, August 5th and 6th, via Oregon Short Line. Celebration in commemoration of completion of railroad will be held at that point August 7th. Sale of University and State lands will be held on August 8th. Tickets will be good for return until August 16th. YELLOWSTONE EXCURSION. Only \$19.50. To and through the Yellowstone park from Salt Lake and return, via Oregon Short Line. Excursion train leaves Salt Lake 10:30 a. m. Aug. 7. Party will be limited to 20 persons and reservations should accordingly be made early. City ticket office 201 Main street.
