It is in order now to

proceed against the persons who assaulted the officers when in performance of their duty. But the most important thing for the People's Party to do now is to weed

out from the registration lists the names of unlawfully registered persons. It is claimed by those who ought to know, that non-residents others who had no right and

do so have registered, so to swell the numbers of the alleged "Liberals" and give opportunity for frauds at the election.

Although the representatives of the People were prevented from stopping this evil at the source, the registration machinery being in the hands of the enemy, they must follow it up and see that it is not allowed to overflow and accomplish what is intended. First, purge the lists as far as they can be cleaused of lilegal entries. Then [see that every person not entitled vote who offers a ballot is challenged at the election. Finally take action against all who attempt to practise or connive at fraud in any of the proceedings affecting the election, that offense being a felony, punishable by a maximum penalty of
