The board of county commissioners held a short session this forenoon and attended to the following business: Claim of Dr. H. A. Anderson for sal ary for first half of this month, before he resigned, amounting to \$75, was al

lowed. Dr. Straup, health officer at Bingham

was allowed \$50 for expenses incurred

while performing his duties. The office of assistant county physici-an was abolished to take effect Febru-ary ist. Dr. Jones of Murray has held this position since December 17th. On motion of Horne the county physi cian was authorized to employ infecting agent if he found such action

necessary The county clerk was instructed to notify Mason, Lewis & Co., bankers of Chicago, who asked concerning a pro-posed bond issue of \$35,000, that the anty did not contemplate issuing any

bonds Alma H, West was appointed road su-pervisor of district No. 12 (Bluff Dale); ind like action was taken with refer-ince to John J. Fields as to district No. 17 (Hunter).

Meeting Yesterday. The annual meeting of the Black Bird Copper-Gold Mining company, limited, was held yesterday at which 000,000 shares were represented out 1,609,000. Lengthy and detailed reports were submitted showing the costs of hauling coke for another run. the operations of the company in Lem-hi county, Idaho, where the company has very extensive property which is just now looking extremely promising. A number of samples of the late strike in the St. Joe shaft at a depth of 75 feet, which are being assayed, are ex-pected to show 15 to 20 per cent cop-per. The ore is fine looking stuff carrying a great deal of spathic iron. directors chosen are as follows:

The directors chosen are as follows: P. A. H. Franklin, John E. Dubols of Dubols, Penn., J. M. Gambill of Roa-noke, Va., Charles J. North of Buffalo, New York; Carl H. Fowler of New York city, and H. V. Van Pelt and M. P. Gilbert of this city. Dr. Franklin is president; Charles J. North, vice president; John E. Dubols, treas-ures and M. P. Gilbert, secretary and vice president: John E. Items From the South,

It will not be long before the Johnny mill will be running on rich ore, says the Stateline Sentinal.

New life has unoubtedly set in at Plo-ne. The Abe Lincoln and other propaaitions recently purchased by Los An-geles capital are being 'vigorously deeloped, and the machinery and equip tent for a ten-stamp mill is now being orwarded from Uvada, the present ter-ainus of the Utah & Pacific railroad. Rice and Erickson are at work devel-oping Chokecherry Springs. It is presumed that the Ophir people are behind the proposition, as they will want wa-ter for their proposed mill. On top of this news it is understood that outside people are trying to secure the Ban-nion springs from Smithson & Fran-cis, but there is more money in it for

them to pipe the water here themselves. Change in the Tetro.

A change has taken place in the Tetro of Tintic, though the nature of the change could not be learned today. For some time past the management has some time past the management has been driving northeasterly in a big fis-sure on the 200 level below the tunnel with varying success. At times as high as \$12 per ton in gold and silver was found, but no bodies of pay ore has been encountered. BISHOP SPERRY'S CLOSE CALL

Came Near Being Killed on the Rail road This Morning.

Bishop Harrison Sperry, of the Fourth ward, had a very close call from death at 9:45 this morning. He was in the act of crossing the Rio Grande Western rallroad track on Eighth South at the time. He was on his way over the river, seated upon a hay wagon, and was driving four horses abreast. somewhat cold at the time he had his cap drawn down over his ears and did not hear the approach of the train until the horses were squarely upon the track. There was no time to whip them over the roadbed so he threw his full strength on the reins and backed them off just as the engine and train rushed by close enough to graze their noses. Mr. Sperry was not injured in any way but the by-standers who witnessed the incident were thrilled at the narrow escape from
