ing and Should Quit. A joke is a joke, but, as the Dutchman said, "Too much iss anuff, vot?" This fellow who styles himself "Prot. Sunshine" should have the sign "33" in big red letters tacked on him, and should betake himself to a coal mine. When he appeared in the ring here with an Ethio-plan dubbed "Prof. Pistol." the fight fans-enjoyed it because their stunt was furny. Nothing like it had been seen here before. It was a great joke, but a joke often told becomes stale and flat. So with Sunshine. The press gave him columns. He took it seriously and since that time has imposed himself upon communities that knew nothing about him. His travels extended from Canada to Mexico, mostly on the Shanks' Pony route.

from Canada to Mexico, mostly on the Shanks' Pony route. It appears that he was in Bingham the other night and "boxed" with some un-known and was given a good licking. The unknown beat the "professor" in three rounds. According to accounts, Sunshine was floored three or four times and the last time he went down he remembered the tastics of Pistol, and refused to get up.
