Salaries of Such County Officers to be Fixed Three Months Beture the July Election.

Alterney General Bishop rundered an opinion bidey, in response to a request from Bion, Jahn L. Park, Risks superintendent of public lastraction, tinguisting whether the county commissioners have a fawful tight to change the salary of nounty superintendent of cones; three months prior to the election to Nivember, Bids, after having flash his salary once within thirty days eller the taking effect of simple L24 of the laws of 1890, in accordance with section 4 thereof.

Judge Bishop holds that when the county commissioners attempted to fix the salary of the county superintendent in Schools three months writer to the election in Nivember, 1890, they did connet; superintendent in a county superintendent in a county superintendent in a county officer, his calculus overs in July, 1890, and his salary should be fixed and determined at least three months prior to that time, and blomality follows; he would be three months prior to the Navember election in 1890, and blummally thereafter.
