In the haste of making the transfer to the new quarters of the Deseret News in Ogden, some of the office records were misplaced or lost, and this will require a delay in delivering premiums to a number of subscribers. All Ogden patrons who have contracted for premiums, and who have not yet received them, are requested to call on or telephone at once to the manager of the Ogden branch of The News.

ATTORNEY HARRIS DEFENDS HIMSELF

Justifies Action Taken in Vacos Murder Case in District Court.

PATHETIC SIGHT AT DEPOT.

Car of Insane Soldiers on Way to Asylum at Washington—Hold Up On Viaduct—Incipient Blaze.

OGDEN, Sept. 17.—District Attorney N. J. Harris has issued a statement defending himself for the stand taken in the Vacos murder case which was before the district court this week. A part of his statement follows:

The plea of guilty to murder in the second degree was accepted and a recommendation for sentence made, only after a thorough investigation and careful consideration of all the facts in the case, the reasons therefore being stated to the court and becoming a part of the record in said matter. District Attorney F. C. Loobourou of Salt Lake City, was associate counsel for the state, and together we considered every phase of the case, concluding all the obtainable facts.

"We considered the fact that the principal witnesses those upon whom the state must rely for a conviction were all fellow countrymen of the defendant, speaking a foreign language. Also, that such testimony is often unreliable and that it is extremely difficult to obtain clear and positive evidence in such cases, and especially through an interpreter. It would have been necessary, in this case, to take into consideration the extreme uncertainty as to results in prosecutions for first degree murder. Juries are loath to bring a verdict that would carry with it the death penalty. There never has been such a verdict in the county during the entire 12 years of statehood, and in the entire state there have been but two executions during that period. And there can be no conviction of murder in the first degree (in cases of this kind) except deliberation and premeditation be proved beyond a reasonable doubt.

the highest, that in consideration of the defendant having pleaded guilty a sentence of 25 years would have been reasonable according to the established precedents. I have not learned of a greater sentence ever having been imposed in the state upon a plea of guilty to that crime.

In the event of such withdrawal, vigorous efforts will be made to ascertain and determine the wisdom of our action and the soundness of our judgment in said matter."

FIRE AT CLEANING WORKS.

OGDEN, Sept. 17.—But for the prompt action of the fire department, the building occupied by the Up-to-date Cleaning & Dyeing company at 237 Washington avenue, would now be a total wreck. About 7 o'clock yesterday morning a call was received at Station No. 1 and by the time the men arrived the flames were on the scene and had the rapidly spreading flames checked. The blaze was caused by the explosion of a gasoline heating apparatus. The boys at station No. 2 also responded and say that the engine was nearly overturned by the bad roads at the corner of Madison avenue and Twenty-third street.

PATHETIC SIGHT AT DEPOT.

OGDEN, Sept. 17.—An infrequent and sight was witnessed at the Union depot yesterday morning when a tourist car loaded with insane soldiers from the Pacific coast stopped to be transferred to an eastern train. The unfortunate men are being taken to the government asylum at Washington. Four guards are locked in the car with them and some of the men have to be manacled to prevent them from doing themselves and others injury.

HELP UP ON VIADUCT.

OGDEN, Sept. 17.—W. H. Stanhope, an insurance agent, reported to the police that he was held up by two masked men on the west end of the viaduct over Twenty-fourth street on Monday evening just east of the bridge. The police are investigating.

DRUNKEN MAN CAUSES TROUBLE.

OGDEN, Sept. 17.—The police arrested a man who gave the name of James Franklin, yesterday morning for drunkenness and disorderly conduct. Franklin entered the Utah knitting factory at 302 Twenty-fifth street and defied the girls working there to put him out. He used vile and insulting language and was indulging in a very fine time, according to his liquor crazed mind, when the officers arrived with the patrol wagon and hauled him to the city jail.

DEATH OF CHILD.

OGDEN, Sept. 17.—A telegram was received yesterday morning from William H. Eccles announcing the death of his grandchild, Orla Reagan, at Eugene, Oregon. The child was the eight-months-old daughter of Elmer M. and Pearl Eccles Reagan. The body will be brought to Ogden this morning for burial. The funeral was held at 3:30 this afternoon at the residence of David Eccles.

INSULTING BEGGAR ARRESTED.

OGDEN, Sept. 17.—A call was received at the sheriff's office yesterday morning from Wilson Lane to the effect that a stranger who was going from home to house begging had become very insulting to certain ladies in the locality. Sheriff L. E. Weston and Deputy Naylin drove out and brought the fellow back. He said that his name was Stewart. He will be given a chance to explain his actions at an early date to the judge of the municipal court.

THREE YEARS IN PEN FOR REESE.

OGDEN, Sept. 17.—William Reese, who recently plead guilty to a statutory offense with a young woman named Althea Tubbs, was brought into the district court yesterday morning and formally sentenced to a term of three years' imprisonment in the penitentiary. Deputy Sheriff Naylin took him to that institution yesterday afternoon.

Open With Largest Attendance In History of Noted School

CITY.
(Special Correspondence.)

PROVO, Sept. 17.—Students for the Brigham Young university have been arriving for several days, and many young people are now in the city, who have not been here before, and others who have come for the first time to attend the Brigham Young university. There are from Canada, Arizona, New Mexico, Idaho and Wyoming, and from every section of Utah.

Yesterday the enrollment began and will continue through the week, and on Monday the departments will be fully organized and the work of the school year begin. There is every indication that the attendance will be greater this year than in any previous year in the history of the university.

PROCTOR ACADEMY.
PROVO, Sept. 17.—The Proctor academy opened last week and has 260 students enrolled. It is expected the enrollment will reach 400 before the year is over. Twenty-four boys and 26 girls are enrolled in the high school department, and the enrollment in this department is likely to remain during the year. It is rather unusual to have a greater number of boys than of girls in high school departments but this is a common experience with the Proctor.

CITY SCHOOLS.
PROVO, Sept. 17.—The city schools, which open this week, have 1,665 pupils enrolled, divided among the several schools as follows: Maeser, 339; Franklin, 466; Parker, 491; Timpanogos, 408. The enrollment is 20 more than last year.

The total school population is 2,948 which is an increase of 286 over last year's. With the addition of the third story to the Parker school and other improvements and additions to other school buildings, the board of education hopes to be able to accommodate all the pupils who will be entering the district schools this year and next year another large school building will be completed to meet the needs of the increasing school population.

BEAVER IN LINE FOR PROHIBITION

Citizens Will Meet in Mass Meeting to Devise Means to Eliminate Saloons.

(Special Correspondence.) BEAVER, Beaver Co., Sept. 14.—A mass meeting of Beaver citizens has been called for next Monday evening, in the stake tabernacle to consider the necessary steps to eliminate the drink evil, in this place, and it is expected such a pressure will be brought to bear upon the county and city authorities, that saloons will be abolished from the county.

BEAVER SCHOOLS AND MURDOCK ACADEMY OPEN.

(Special Correspondence.)

BEAVER, Beaver Co., Sept. 14.—The district schools of this city commenced the season's work with a splendid enrollment, with J. B. Banks principal. It is somewhat of a disappointment that the new building is not yet ready for occupancy as the school enrollment is so large, that the trustees are making arrangements for private buildings in which to hold school.

The Murdock academy also opens with a splendid outlook, the enrollment exceeding that at the commencement of last year's work. The faculty has received valuable additions to its members, and every encouragement is being given to the best year's work in the history of the school.

Elder Reinhard Maeser who has been closely and faithfully employed in the church school work, for the whole time of its existence in this city, and who has been the teacher in English for some years, leaves this week to continue his studies in his chosen line of work at the Wisconsin University at Madison, Wisconsin. His wife accompanies him. Elder Fred W. Merrill assumes the temporary vacancy caused by Mr. Maeser's absence in the presidency of the school under President Josiah E. Hickman.

The M. E. academy also has started out with a very good enrollment.

After a long spell of rainy weather, causing heavy loss to the farmers, fine, warm, clear days, with cool nights now prevail.

NORTH SANPETE BANK ELECTS DIRECTORS.

(Special Correspondence.)

Mt. PLEASANT, Sept. 15.—The stockholders of the North Sanpete bank held their annual meeting Tuesday afternoon. The yearly report was made and a dividend declared. The following were elected directors: C. W. Sorenson, A. J. Agard, A. J. Stewart, Simon T. Beck, Clarence Priftich and Ben R. Hansen. These will appoint the other officers later.

Y. L. M. I. A. ANNUAL DAY.

MT. PLEASANT, Sept. 15.—The Y. L. M. I. A. of the North Ward served a dinner at the Y. L. M. I. A. hall Saturday evening. Seventy-five of the young ladies and their mothers and the bishops were present, and an enjoyable time had. A short program was rendered followed by games. The interesting feature was a guessing game in which Ethel Christensen won the prize, a year's subscription to the Young Woman's Journal; after the games light refreshments were served.

MT. PLEASANT BRIEFS.

The Mt. Pleasant school board has condemned the old engine room, walls on each side of the building from the school building across the school ground to the engine room. This also includes a cement square around each of the two water fountains on two sides of the building.

B. Y. UNIVERSITY AND OTHER PROVO SCHOOLS

Open With Largest Attendance In History of Noted School

CITY.

(Special Correspondence.)

PROVO, Sept. 17.—The Brigham Young university have been arriving for several days, and many young people are now in the city, who have not been here before, and others who have come for the first time to attend the Brigham Young university. There are from Canada, Arizona, New Mexico, Idaho and Wyoming, and from every section of Utah.

PROVO.

Sept. 17.—Nicholas Rogegger, committed from Washington county, died at the state mental hospital yesterday at the age of 77 years from organic heart weakness. It is not yet known whether his remains will be sent to Santa Clara, his home town for burial.

TEACHERS TO MEET.

PROVO, Sept. 17.—The Uintah county teachers' institute will be held at Geneva, Saturday. In addition to the regular work of the institute, Prof. John P. Meekin will address the teachers on the subject of the development of baseball between the teachers of the north end of the county and those of the south end will be played, and boating and other sports will be enjoyed.

PRESIDENT TAFT'S VISIT.

PROVO, Sept. 17.—The committees which have been appointed to arrange for President Taft's visit to Provo, met last night in the Commercial club rooms. Reports were made by the several sub-committees, which proposed that the best place for making the brief stay of the president in this city as agreeable as possible. As only a limited number of people can be admitted to the tabernacle it was decided only adults should be admitted.

A NEW TOWN.

PROVO, Sept. 17.—The Denver people who bought 278 acres of land from the state, Wednesday, have bought other land from private individuals on the west side of the city, with a view to lay out a town and sell small tracts of land for fruit farms. A pumping station will be installed on the lake and water pumped on the land for irrigation. The company now owns about 1,500 acres of land and has already invested about \$100,000 in the project, and next spring it is expected to begin the work on the farms. A number of orchards will begin in earnest. In addition to the profits expected from fruit culture the new town will also be an ideal summer resort and will be connected with Provo by a line of boats across the lake.

BEFORE JUSTICE NOON.

PROVO, Sept. 17.—Thomas Arrowsmith, of Colton, entered a plea of guilty in Justice Noon's court yesterday, to keeping and selling liquor. He was fined \$10 for the first offense and \$5 for the second.

Wm. Boyack will have a hearing today on two similar cases at Castile, and there is a case for selling liquor also at Castile against his brother, Wm.

Harry Brown was fined \$15 on a plea guilty to a charge of malicious mischief.
