Reilly and His String of Ball Tossers Have Returned Home.

## READY FOR THE LOBSTERS.

If Weather Only Clears Up a Little, The Old Time Rivals Will Fight It Out Again."

nocal ball fans have been waiting patiently for the 10th of May. That's tomorrow, the day set for the opening of the Pacific National league baseball season; the day when the oldtime rivals, Ogden ad Salt Lake, meet on the diamond as ght it out again. Everything now ..... ends on the weather man. If he is considerate enough to give us a few hours sunshine all will be well. If not, then the game will have to be postponed. Both aggregations are eagerly awaiting the call "play ball" for the first game ,and each team feels sure of victory in the first contest.

Beilly simply says: "A little hard luck, but things will be different from now on." Updocate nothing has been heard from Murdock and Carney, but Relly has sent for them and says he expects they will come here as soon as possible. The home team will be here for three weeks. After it gets through with the Lobsters, the Fruitplekers of Boise, and the links of Spokane will come here for theirs.

the Indians of Spokane will come here for theirs. Relly says that the team suffered a great deal by the absence of Thornton at first. The big fellow was injured in a practise game here before the season opened, and unfortunately has been out of the game ever since. He has recovered from the linury, however, and expects to be back in the game tomorrow. Suess, an-other good man, has also been forced to keep off the diamond owing to an injured leg.

les. Both Reilly and Secy. Shepard say that Sait Lake has the strongest team in the league, but that the team has been un-fortunate in many respects. Bad weather was encountered on the trip, and then two of the best men were laid up,
