Probably the most sensational dash ever witnessed in a roller skating race was that last evening at the Auditorium which at the end of half an hour's fast work, when Green of the Logan team tried to gain the quarter of a lap lost to the Salt Lake team, it was a finish between Green and Schatz that caused the spectators first to hold their breath, then jump to their feet and yell like mad.

A large crowd came down from Logan to watch the speedy little fellow from the West. He had announced his intention of trying to get out an even footing with the local team and Seinfeld did splendid work in his support of Green, but the speed of Schatz and the dash of the boys still won a quarter of a lap to the rear.

In the fourth mile last night the Butte team lost another lap, all the other teams going around them, and on the final lap the two Logan teams were fully half a lap in the lead.

Twelve laps from the finish, Green started to Seinfeld and the latter jumped in the lead ahead of Hardy and Schatz. The race went on for a place of place. Green quickly went to the center of the field and rested while Seinfeld was still in the lead and rested while Hardy and the others wanted. Schatz was watching his teammate like a hawk and when the race got into the name. When Hardy began to jog a trifle he gave the looked-for signal and Schatz shot out behind the racers with a wonderful burst of speed. But again the two Logan boys were too fast for Green. With a spurt that brought the spectators upstanding Green dashed in and took Seinfeld's place and then the Salt Lake and Logan skaters fought it out. Green was the winner.

Their partners were watching for a distress signal but both youngsters were game and promised to settle the question of supremacy. Just before the finish Schatz and Green got out in support that sent him three or four yards in the lead, but Green was right after him and on the finish. The Salt Lake boy was exceptionally clean, not a penalty being inflicted by the judges. The fourth leg of the race starts tonight at 9 o'clock.

S.S.S. PURIFIES BAD BLOOD

Bad blood is responsible for most of our ailments, and when from any cause it becomes infected with impurities, humors or poisons, trouble in some form is sure to follow. Muddy, sallow complexions, eruptions, pimples, etc., show that the blood is infected with unhealthy humors which have changed it from a pure, fresh stream to a sour, acrid fluid, which forces out its impurities through the pores and glands of the skin. A very common evidence of bad blood is sores and ulcers, which break out on the flesh, often from a very insignificant bruise, or even scratch or abrasion. If the blood was healthy the place would heal at once; but being infected with impurities which are discharged into the wound, irritation and inflammation are set up, the fibres and tissues are broken, and the sore continues until the blood is purified of the cause. S. S. S. is Nature's blood-purifier and tonic, made entirely from roots, herbs and barks. It goes down into the circulation and removes every particle of impurity, humor or poison, restores lost vitality, and steadily tones up the entire system. S. S. S. neutralizes any excess of acid in the blood, making it pure, fresh and healthy, and permanently cures Eczema, Acne, Tetter, Salt Rheum, Boils, and all other skin eruption or disease. Book on the blood and any medical advice free.

SCHEDULE FOR STATE LEAGUE

Great Interest Shown in High School Baseball Circles.

THE FIRST GAME TOMORROW.

Granite High and West Jordan Teams To Clash on Diamond at Murray —Growth of Organization.

In the past it has been the aim of a number of the prominent baseball fans to have some of the leading high schools of the state organized in a high school baseball league, in order that the majority of the high schools could take an active part in the fight for the championship. This year, until last Friday the formation of such a league seemed possible. A number of schools expressed their desire to enter a league, but none of them was able to make only three schools report that they had joined the University, Price, and Ogden.

At the present time, however, the Denver County, Colorado state championship, single and doubles for men and women, Intermountain, Idaho, and the Salt Lake City, Utah, state associations, and mixed doubles, were growing.

July 12—Oregon state championship, Multnomah Amateur Athletic club, Portland.

July 14—Open tournament, Wanderers' Cricket club and Athletic club, Chicago.

July 21—Western championship doubles, western singles for men and women, Western club, Chicago.

Aug. 1—Iowa state championship, Iowa City.

Aug. 15—National championship singles, championships and Intercollegiate championships, U. S. N. L. A., Newark, N. J.

Feb. 22, 1909—National indoor championships, New York, Seventh Regiment Tennis club, New York.

RECENT RESULTS

Many a Salt Lake City Citizen Knows How Sure They Are.

Nothing uncertain about the work

of Dean's Kidney Pills in Salt Lake City. There is plenty of positive proof of this, in the testimony of citizens. Such evidence should convince the most skeptical sufferer. Read the following statement:

A. Reynolds, living at 379 west First North street, Salt Lake City, Utah, says: "Before I procured Dean's Kidney Pills at the F. J. Hill Drug Co., I had been troubled for a long time from kidney complaint and backache. I was restless at night and as a consequence would arise in the morning feeling tired and worn out. Dean's Kidney Pills helped me in every way and I have not had any trouble since."
