The knife with which the wounds were inflicted, has not been found.

For Land and Livestock—The Western Wyoming Land & Livestock company filed articles of incorporation yesterday with the county clerk yesterday. Looking for Witnesses—The waterworks committee of the city council was in conference with City Attorney Ogden Hiles and Special Counsel Franklin S. HER LOVE FOR JEWELS.

Miss Edna Kruse borrows diamonds with Unpleasant Results.

Her love for glittering gems got Miss Edna Kruse of Pleasantville into trouble last evening. The young woman, who comes from a highly respected family, has been employed at the home of Lucian A. Ray, 112 East South Temple street for some time.

Mrs. Ray has a fine collection of diamonds and the girl desired them greatly. Sunday Miss Kruse had an appointment to visit some friends and she wanted to make an impression on them. Watching her chance she took a \$250 diamond ring from Mrs. Ray's jewel case. The girl says she intended to return the ring immediately, but she was unable to do because she lost the key.

When Mrs. Ray missed the diamond she suspected the girl because of the latter's strange actions. Miss Kruse was accused and denied all knowledge of the missing ring. Finally the police were called and Officer Taylor placed the girl under arrest. At the police station she confessed. She became hysterical and her grief was so great that she begged Mrs. Ray to grant her to send the girl to her relatives at Pleasantville, but the police declined to release her.

BUCKINGHAM IS TO RESIGN, DEC. 15

Local Officials Deny Any Knowledge of Such Step Most Strenuously.

"E. B." IS NOW IN THE EAST.

Reports That He is to Retire Are Persistent—One of America's Greatest Railroaders.

Despite the desire of all concerned to keep reports of E. Buckingham's probable resignation from the position of general superintendent of the Oregon Short Line hushed the news has leaked out. Mr. Buckingham is now in Chicago and will be in Omaha Thursday. Later he will reach this city where the company's general offices are located. So cannot be reached for a statement.

EXPERT RAILROADER.

W. H. Bancroft, vice president and general manager of the Oregon Short Line, denies having any knowledge of Mr. Buckingham's intention to resign, but as this has been a subject for gossip around the office, Mr. Bancroft is evidently leaving Mr. Buckingham to either deny or confirm the reports. "E. B." as Mr. Buckingham is familiarly known by western railroad men, has been in this city for three years and is one of the best railroad officials in America. It is understood a number of tempting offers have been made and while these under consideration, he has not out-of-pocket action had been taken by their recipient.

BIOGRAPHICAL.

Mr. Buckingham was born in Lebanon, Ind., in 1858, at a very young age became a messenger clerk and was employed by the St. Joe & Denver at St. Joe, Mo. In 1880 he entered the employ of the Union Pacific as chief clerk in the car accountant's office at Omaha and remained in Omaha until he climbed from car accountant to superintendent of transportation. In 1894 he was made general superintendent of the Oregon Short Line with authority over the Union Pacific as far east as Green River and the Southern Pacific as far west as Sparks, Nev.

PECULIAR FEATURE.

A peculiar coincidence in this connection is that upon the date, which is reported to be the day upon which Mr. Buckingham's resignation goes into effect, Dec. 15, the jurisdiction of the Oregon Short Line offices in this city over the Union Pacific will cease. No probable successor is being named in the reports.

BRACKEN'S HORRIBLE DEATH

Freight Cars Run Over Him at Bingham Junction—Wife Prostrated.

William H. Bryan, a brakeman in the employ of the D. & R. G. met death at Bingham Junction yesterday. He was engaged in switching cars and as there were no witnesses to the death just how he came to get beneath the wheels is not known. His head and left arm were cut off and the right arm cut off at the elbow. His mangled body was discovered after two cars had passed entirely over it. The accident happened at 3:30 o'clock; a couple of hours before William Bracken, another brakeman, was pinned between cars on the same train while he was switching at Murray.

While Bryan's body was found in a place and a caboose and a special train in charge of Conductor W. E. Vallant came through to Salt Lake. Bryan's wife, of No. 3 Wilkey apartments, Pierpont street, had been notified of her husband's death, and she was prostrated by the news. Bracken was brought down on the same train and placed in the St. Mark's hospital, where his injuries were found not serious.

Bryan, the dead man, was 43 years old, and a splendid fellow. He was a Mason and a member of the Brakemen's union. He came to Salt Lake from Denver about 12 years ago, and was well known and liked among the railroad boys of this territory. An inquiry was not thought necessary by J. K. Williams, justice of the peace at Bingham Junction.

RAILROADER DEAD.

Pittin, at One Time Superintendent of N. Y. P. & O., Dies Here.

James Pittin, formerly a prominent railroad man, died yesterday afternoon at the home of his daughter, Mrs. L. M. Pittin, at Second South street. He was a native of Hamilton, Ont., Canada, and was 69 years of age. For many years the deceased was a train dispatcher in the employ of the Denver & Rio Grande, at Denver. Prior to his connection with that road he was superintendent of the New York Pennsylvania & Ohio, with headquarters at Meadville, Pa.

Mr. Pittin is survived by a wife, a son and daughter and several grandchildren. He has been a Mason 20 years, and was a member of Royal Arcanum.

ROBBED OF \$140.

Cl Carmen Knocked Down by Thugs On State Street.

About 6:30 last evening, Cl Carmen, a laborer, reported to the police that he had been robbed by three men of \$140 and a watch in an alley on State street between First and Second South. The robbery took place at about 4:30 and Carmen spent the time between the hours mentioned in looking for the robbers. Carmen had been drinking heavily all day and was badly intoxicated when he appeared at police headquarters, and was unable to give an accurate description of the three men.

Carmen says he was walking along State street when three men suddenly pounced upon him, dragged him into the alley, knocked him down and took his money and watch. The men then fled through the alley.

Police Officers Stains and Carey later arrested three men on the charge of committing the crime. One of the men is E. J. Richardson, known here for many years as "Razor Jack." He is an ex-convict and has been jailed scores of times for various offenses. The men arrested with Richardson gave the

names of George Wilson and Van Houghton. Wilson recently served a term in the city jail.

The prisoners denied all knowledge of the robbery, but Carmen identified them. Only a small amount of money was found on the prisoners and no trace of the watch was found by the police.

CURED WINTER COUGH.

J. E. Gover, 101 N. Main St., Ottawa, Kans., writes: "Every fall it has been my wife's trouble to catch a severe cold, and therefore to cough all winter long. Last fall I got her a bottle of Hanchett's Cough Cure. She used it and was able to sleep soundly all night long. Whenever the cough troubles her, two or three doses stops the cough, and she is able to sleep up and down. Sold by Z. C. M. I. Drug Dept., 112 and 114 South Main St.

STEALS CONTRIBUTIONS.

Thief Impersonates Salvation Army Officer and Takes Cash.

Some thief has been stealing contributions from the Salvation Army pasteboard boxes which were placed at different places about the city for the purpose of raising funds for the poor. Yesterday afternoon the thief made a bold stroke. He walked into Franklin's store, represented himself as being an officer in the Salvation Army and stated that he came there to get the contributions. What he was there for, however, he was caught as he was about to be no doubt, but his statement that he belonged to the Army was false. The fellow did not take the box away but tore it open and pocketed the money. His actions aroused suspicion and Adj. Plumstead was notified.

Plumstead said the man was an impostor. He reported the matter to the police and they have reason to believe the fellow will be caught as they have a good description of him.

INVALUABLE FOR RHEUMATISM.

I have been suffering for the past few years with a severe attack of rheumatism. What I was there for, however, he was caught as he was about to be no doubt, but his statement that he belonged to the Army was false. The fellow did not take the box away but tore it open and pocketed the money. His actions aroused suspicion and Adj. Plumstead was notified.

CHEAP STREET LIGHTING.

Proposition Made to City for \$60 Per Month Per Light.

A proposal has been received by Mayor Bransford from the Utah Light & Railway company to install 1,000 arc lights at a cost of \$60 per light per year, bringing the cost annually to \$60,000. The present arrangement with the Utah Light & Railway company is for 588 lamps at a cost of \$42,836 per year. It is said that the new price is the cheapest municipal lighting contract in the United States. It is offered, it is understood, on the condition that the clause requiring the sprinkling and flushing of the paved streets by the railway company, as provided in the franchise, recently passed by the council and refused by the company, be eliminated when the new franchise asked for by the company is granted by the council.

It is also understood that the committee of the council in whose hands the franchise has lain since its first reading in the council, has arrived at a satisfactory agreement to all concerned and that the franchise will be passed at an early session of the council.

A Methodist Minister Recommends Chamberlain's Cough Remedy.

We have used Chamberlain's Cough Remedy in our home for seven years, and it has always proved to be a reliable remedy for all coughs. The local dealer does more than the manufacturers claim for it. It is especially good for croup and whooping cough. R. J. Williams, Justice of the Peace, Milaca, Minn. M. E. Church, Chamberlain's Cough Remedy is sold by all druggists.

WILL MAKE USE OF CLAY.

The Western Clay Products company has filed articles of incorporation with the county clerk. The concern will manufacture all sorts of clay products. Its capital stock is \$25,000 in shares of \$100 each. The officers are: George Curley, president; Andrew A. Cahoon, vice president; William S. Romney, treasurer; Alice Curley, secretary, and John P. Cahoon and John A. Spiker, directors. The company's clay beds are situated in Salt Lake and Juab counties.

LINGERING COLD.

Withstood Other Treatment But Quickly Cured by Chamberlain's Cough Remedy.

"Last winter I caught a very severe cold which lingered for weeks," says J. C. Hanchett, of Zephyr, Ontario. "My cough was very dry and harsh. The local dealer recommended Chamberlain's Cough Remedy and guaranteed it so I gave it a trial. One small bottle of it and I was able to breathe freely. I have since used it and I believe Chamberlain's Cough Remedy is the best I have ever used. This remedy is for sale by all druggists."

LIVINGSTON ARRESTED HERE.

Edward Livingston of Spring City was arrested in this city yesterday by officers from the sheriff's office on a statutory charge brought against him by Miss Ada Christiansen of the Sanpete town.

He has been taken back to that county to face the charge brought against him. The woman in the case is said to be in a delicate condition. Livingston denies his guilt. The day after the charge was brought against him he is said to have fled into Wyoming.

CURED OF BRIGHT'S DISEASE.

Mr. Robert O. Burke, Elmora, N. Y., writes: "Before I started to use Foley's Kidney Cure I had to get up from twelve times a night. I was so weak and bloated up with dropsy and my eyesight was so impaired I could scarcely see one of my family across the room. I had given up hope of living when a friend recommended Foley's Kidney Cure. I got a bottle worked wonders and before I had taken the third bottle the dropsy had gone, as well as all other symptoms of Bright's disease." For sale by J. J. Hill Drug Co., "The Never Substituted."
