OFFICERS' HIKE.

Six and a Half Hours.

covored 19 miles in six and a half hours without the loss of a man. Under command of the senior officer in the party, Col. J. L. Clem, known as the "drummer boy of Shiloh;" Col George H. Torney, surgeon general of the department of California; Col. J. Walter Benet, commander of the Benicia arsenal; Col. Adam Slater, Col. C. L. Anderson, Maj. W. A. Bethel and Maj. J. M. Kennedy, wearing the reg-ulation campaign uniforms, left the Presidio entrance at First avenue at 8 o'clock this morning and arrived at Thirty-sixth and Fulton streetes at 2:30, having walked 19 miles along the Ocean boulevard and over the drives and poads through Golden Gate park. The little party of veterans came in-to camp at a brisk gait after their long "hike" and looking fresh. They de-clared that the test was easy for them, and that it would demonstrate that they were still physically fit for severe campaign duty in the field. Tomorrow morning they will walk over a 17-mile route along the Ocean beach and wind up on Thursday, varying the program by going over hills and level ground alternately.

There is talk of Denver converting the big auditorium built for the Demo-cratic national convention into a bleycle collseum. Harry Heagren, manager of the Salt Palace saucer, suggested that a 10-lap saucer be built and the idea made the Denverites sit up and take no-tice. City officials are now considering the feasability of the scheme, and if it is regarded as a good thing, Denver will have a colliseum. Little of New York in the chal-lenge match of the eighteenth annual long wood tennis tournament, three sets to love, the score being 64, 6-1, 6-3. Larned haying won permanent posses-sion of the cup played for last year, de-fended his title of last year's champion against Little today. The latter was never for a moment in the running. Aft-er his declasive defeat of B. C. Wright yesterday, it was expected that he would sive Larned at least a hard fight, but back to Little's of play shows that Lar-ned made 20 nets to Little's 18, 18 cuts to Little's 24; 43 places to Little's four. Larned is credited with three service aces, Little served not a one.

OVERCAME TWO MILES. "Hayes ran a truly remarkable race. He was going smoothly when he passed me, just before I was forced to quit. I don't know what hurt me, unless it was the sunlight and the pounding my feet received over the hard pavements. When Hayes passed me I declared that he would win, but at the time I did not know how far ahead Dorapdo was. The Italian deserves a lot of credit for the gameness he showed, but Hayes' work in overcoming a handicap of nearly two miles in less than seven was a wonderful praise. When Hayes was presented with the Marathon trophy by the queen of England, several of the oher athlets: lifted him upon a wooden pedestal and bore him off the field amid the wildest
