Trumbull for the convictions uttered months ago, that the situation in Louisiana will eventually lead to revolution, and the only way out of the difficulty blackens that foreshadowing. His that the situation in Louisiana will

In Pine Valley, Dec. 15, 1874, of scarlet fever, GEORGE, son of William and Ann Snow, aged three years, one month and eleven days.

term has greatly decreased his popularity, and the recent events in the South have added largely to that decrease. If he had declined his second election, he would have retained his popularity as to both war and peace, for then it was at its acme, or at least it had not materially declined. But it has been surely declining since, and the signa are eminene of a pill lur-

ther decline to such an extent that an immediate third term will be impossible to him by the voice

of the people. The November elections foreshadowed that, and the Louisiana policy thickens and national reputation now is on the down grade.

Similar things may be said in a is through the establishment of a degree of General Sheridan. He military government. came out of the war with a brilliant reputation and if not first he was still very high in the popular regard. But his late unwise course

popularity is on the decline, particularly as to times of peace and

impelled to tarnish their fair fame, after having achieved such brilli-ant reputations as they did in the war. But their subsequent course is an indubitable proof that a man may be very great in one thing yet not in all, that it by no means fol-lows that a man whe is great in the arts of war is necessarily great in the arts of peace, but, on the contrary, that a man may stand on the highest pinnacle of distinct on

Correspondence.

at New Orleans has proved that his Holiday Times-President Young The Washington Factory-The Temple.

ticularly as to times of peace and the spirit and methods of civil government. His unfortunate dis-patches to Washington have in-censed the public mind and have earned for him the nickname of "Banditti" Sheridan, which in all probability will attach to him to the end of his life. It is really unfortunate, to them, that these two great men, great in their specialties, should be led or impelled to tarnish their fair fame, after having achieved such brilli-

contrary, that a man may stand on the highest pinnacle of distinct on in one department of public activi-ty, yet may be actually without any intrinsic fitness for public pro-minence in another and very differ-ent department. SOME OF THE RESULTS.

SOME OF THE RESULTS. THE famous Tichborne trial, by law expenses, not only impaired the value of the Tichborne estate probably fifty per cent., and im-mured the "Claimant" in durance vile with cakum-picking for his occupation, but proved the ruin of his counsel, Dr. Kensaly, who be-came so incensed at the course the trial took, that he fell to abusing the judges, his brother counsel, etc., until the bar threw him out of its ranks. The following paragraphs concerning him will be read with interest— To the above is added a general

interest-"The unfortunate Dr. Kenestry disappointed and heartbroken by started a newspaper called the Ex-gears to have object of which ap-pears to have object of which ap-pears to have object of which ap-stood in his way.
