PROSPECT HILL STOCK FARM, MILLER & SINCLAIR, FRANKLIN, Venango Co., Pa., ?, 1893.
PUTNAM NAIL CO., Boston, Mass.
GENTLEMEN:—Replying to your favor of the 7th inst., we have used the Putnam Nail and shoer, but in no case to the point with no new shoes I will not allow any other nail to be used. I think the Putnam Nail is the best I ever used. While there may be others as good I have not known them. Very respectfully yours,

Ed Moroom

The Putnam Nail is the only exclusively Hot-Forged and Hammer-Pointed nail.

Look in your smith's shoeing box. If the nails have smooth edges for the whole length they are the Putnam, for they are Hammer-Pointed and are not sheared.
