THEM.....

Now what do you think of that?

The trailers couldn't hit Hogg.

Another streak of bad luck.

It was one of the prettiest pitchers' battles witnessed down at Walker's lawn this season.

But it's our turn to win today.

The main event was between Hogg for Spokane, and Tozer for Salt Lake, and Willie got the candy. Except for the great pitching stunts there were no sensational features to the argument. For some innings, four, in fact, both sides drew blanks.

In the fifth, Spokane smacked one in, and after that it seemed easy for the red-jackets.

Hogg and Tozer almost worked their arms off to win the game, but as only one could take the honors, Hogg lived up to his name and took the goods.

But until the latter part of the game, Tozer had the best of the fight. For several innings the hits stood four to two in favor of the local boy.

In the eighth inning, however, the eighth inning has been too fast, or he may have been disgusted at a little dumb work on the part of the home crowd.

In the fifth the Indians scored one run, but it was entirely due to the failure of Delmas to hang onto the spheroid thrown by Tozer to catch Holland off second.

In the eighth, after Murdoch was fanned, Tozer batted the ball off Stanley's head and Hogg followed with a safe.

Hogg and Tozer contributed bunts and Rockenfield hit out a Texas leaguer, which brought in two runs. Another one came in the ninth when Hogg singled and was sacrificed to second. He purloined third and scored on Murdoch's double.

On two occasions the locals got as far as the third cushion, but that was all.

Bill Hansen had a bad time of it yesterday. A foul tip smashed him on his bare hand and ripped a finger open. Any time he gets some tape from a bat, wrapped up the sore finger and jumped into the game again as though nothing had happened.

The argument will be continued at 3:30 this afternoon. The figures follow:

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and he said "There must be power in that steam that it can life such a weight."

There was.

Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandridge, falling hair, and consequent baldness, and the life from the roots of human hair.

Newbro's destroys the germ and consequently restores the hair to its natural state.

"CARNIVAL" AT SALT PALACE

Good Sized Crowd Paid Money for Much Disappointment.

With reference to the great carnival of sports given at the Salt Palace last night not much need be said.

In the beginning, however, in justice to Harry Hogg, manager of the track, it should be stated that he was in no way connected with the miserable affair. Those who "manned" it, rented the track for the occasion.

There was a large crowd on hand but there was no quarter of the enthusiasm that you see at a Mississippi log rolling. The main events did not materialize, probably due to the alleged fact that those who were to compete in them were selected and billed without knowing anything at all about it.

There was a crowd of boys and girls of boys chased a few yards, and it is safe to say that the pig got more run out of the event than did any of the spectators.

The wrestlers who were billed for the championship of the universe, first South and then North, did not appear. They were evidently not notified in time. A man named Pendergast and Jack Christie pushed big gloves into each other's faces for four rounds. This was preceded by the humorous announcement that it was not to be a prize fight.

Many of the spectators felt thankful for the valuable information.

A little while then chased a youngster around the track.

This caused someone to laugh, but it was no laughing matter. How would you like to be chased around a saucer by a mule? Think of it.

There were two events really worth keeping awake for. In fact, they were pretty good. Bert Fuller drove a buckboard buggy around the saucer.

The twelve handicap professional bike race, won by Billy Samuelson, was a thrilling event, and stirred up the only enthusiasm manifested.

Z. C. M. I. FIELD DAY.

In Annual Meet Field Team Turned Tables on Factory Boys.

There were doings at Lagoon yesterday. The reason is plain. Employees of Z. C. M. I. had their annual field day.

The fight between the team and the team representing the shoe factory. The contests were for the handsome silver cup, a trophy won by the factory team last year.

The program began at 3 o'clock. Willard Baker's athletic club and the factory team were A. H. Woolley, George Riser and H. A. Heers. After the meet, when the points were counted up, it was found that the factory team led by 15 points. They will now hold the cup until next year when the contest will be repeated.

The winners of first and second prizes were as follows:

40 yard race, first prize, Eb. Brain; second prize, Alvin Gunn; putting the shot, first prize, Ed. Brain; second prize, Will Salmon; running broad jump, first prize, Eb. Brain; second prize, Alvin Gunn; hammer throw, first prize, Will Salmon; second prize, Clifford Sanders; 120 yard hurdle race, first prize, Eb. Brain; second prize, Will Salmon; 220 yard dash, first prize, Eb. Brain; second prize, Clifford Sanders; high jump, first prize, B. A. Seare; second prize, Will Salmon; vault, first prize, Will Salmon; second prize, Will Salmon; 100 yard dash, first prize, Will Salmon; second prize, Will Salmon; 200 yard dash, first prize, Will Salmon; second prize, Will Salmon.

Relay race, won by store team (Brain, Seare, Blood, and Carr) of Detroit.

There was a ball game between the Has Beens and the Never Wasers. It is not necessary to make any record of the game, for obvious reasons, but it is enough to state that the Never Wasers were the winners.

The married men proved a better batter than the single men. Their match game was played at 7 o'clock, and ended some time later by a score of 94 to 50.
