THE GREAT EISTEDDFOD.

Dr. Joseph Parry to Set Sail for America This Month—Festival Proposed.

Dr. Joseph Parry, the noted musician from Wales engaged as adjudicator for the great Eisteddfod next October, will, according to advices received today, set sail for the United States on the 20th inst. A movement is on foot to hold a grand united home tour and sixteen festival of all denominations in the Tabernacle some time during September. Recently the Berlin quartet rendered a chorus of 1,000 of the Welsh Male Choir. The country contains 42 choirs from all parts of the United Kingdom and the object is said to have been to get the country famed in musical circles so as to secure the services of Parry and to so bind it that he will not leave the country for at least two years. It is not generally known, but it is a fact nevertheless that Dr. Parry has the distinct honor of having composed more hymn tunes than any other man.

The Cambrian society has secured Judge H. M. Stevens of Scranton, Pa., to conduct the Eisteddfod.

The Dog and Pony Show.

Another immense audience greeted Prof. Gentry's dog and pony show last evening. The performance like that of the previous evenings was not exhibition and was enjoyed by all. Special attention to the thousands who will attend it during the rest of the week. The performance will be given daily afternoon and evening.
