In the Whole History of Medicine

No preparation has ever performed such marvelous cures, or maintained so wide a reputation as AYER'S CHERRY PECTORAL, which is recognized as the world's remedy for all diseases of the throat and lungs. Its long-continued series of wonderful cures in all climates has made it universally known as a safe and reliable agent to employ. Against ordinary colds, which are the forerunners of more serious disorders, it acts speedily and surely, always relieving suffering, and often saving life. The protection it affords, by its timely use in the throat and lung disorders of children, makes it an invaluable remedy to be kept always on hand in every home. No person can afford to be without it, and those who have once used it, never will. From their knowledge of its composition and effects, Physicians use the CHERRY PECTORAL extensively in their practice, and Chemists recommend it. It is absolutely certain in its remedial effects, and will always cure where cures are possible.

Solid Merit will Tell.

For all the bitter opposition of envious rivals, no better illustration could be had of this fact than the immense sale already attained by the great Throat and Lung Remedy, Dr. Aug. Kaiser's German Elixir. For the cure of Croup and Bronchial Affections, it is truly wonderful, even those suffering from Consumption in advanced stages find great relief, and numbers of patients have found, to their delight, not only relief but cure. It being perfectly harmless, makes it at once popular with mothers, who of all others have felt the necessity of such a medicine. The genuine bears the Prussian Coat of Arms, the fac-simile signature of Dr. Aug. Kaiser, and has his name blown on every 75 cent bottle. A trial size may be had for 25 cents.

For sale, wholesale and retail, by the Z. C. M. I. Drug Department and Moore, Allen & Co., Salt Lake City. d29a w30

When we reflect that a power of endurance can be imparted to the brain, and that weak minds have been restored to strength by FELLOW'S Compound Syrup of Hypophosphites, we cannot but conclude that the subtle power is really ponderable matter. Persons who study hard should preserve their balance of power by using the Syrup. dwt

BLEMISHES upon the feminine countenance, if of a complexional nature, speedily vanish when GLENN'S SULPHUR SOAP is used to obliterate them. Pimples, blotches, moth patches, roughness, redness, and freckles are invariably banished by this incomparable clarifying agent. Eruptive ailments, sores, cuts, bruises, scalds, and other affections and injuries to the outside are likewise removed by it. Sulphur Baths have long been renowned as the best remedy for skin diseases, rheumatism and gout. GLENN'S SULPHUR SOAP is in every respect as efficacious, and far cheaper. By opening the pores, and promoting a vigorous superficial circulation, this excellent article contributes to the health of the entire system as well as to that of the outside. Since its introduction to public notice it has repeatedly been commended by the medical profession and press, and few external specifics have won such "golden opinions" among all classes. It prevents obnoxious diseases as well as remedies them, and disinfects clothing and linen impregnated with disease. Dandruff is entirely eradicated by it, and its use, in that respect, greatly to be desired by persons whose hair is thinning out in consequence of dryness of the scalp. Those who have used ointments and liquids without avail for the cure of eruptions of an obstinate character, will find, if they try it, that GLENN'S SULPHUR SOAP removes scabrous eruptions, freckles, measles, and prevents the recurrence of such disorders. For bleaching fine articles of needlework and all kinds of white woolen, cotton and linen fabrics, this soap is superior to any article that can be used for the purpose.

Sold by Druggists. Price 25c. per cake. 1 Box (3 cakes) 75c. sent by mail, prepaid. For sale at price, C. N. Crittenton, Prop'r, 7 Sixth Avenue, New York. Hill's Hair and Whisker Dye, Black or Brown, 50c.

EVENING NEWS.

Friday, August 16, 1879.

LOCAL AND OTHER MATTERS.

Appointed.—Judge Charles K. Glick has been appointed a U. S. Commissioner.

Blood Heat Again.—The thermometer noted 98 deg. F. in the shade to-day at 2 p. m. Where's that rain we are looking for?

Death of Offenders.—From the deserted appearance of the Police Court, one would think Justice Pyper had taken it with him into the country.

Some of her tramps and burglarious citizens to Salt Lake for trial. There's not enough here for an Allderman to earn a living.

Trespassable.—A few days since a party of wayfarers started on a hunting expedition, and took for provisions seven gallons of essence of rye, and three pounds of crackers.

What on earth did they want with so many crackers?—*Herald*. They doubtless thought they were good fish bait. If the *Herald* persists in such silly queries, it should be punished for contempt of court.

The Big Suit.—The Supreme

Court met this morning at 10 o'clock, present, Chief Justice Hunter and Associate Justice Emerson. The former stated that he had received a communication from Judge Borenman, informing them that he could not be present for about a week, and suggested an adjournment for some days to give him a chance to be present.

Judge Bennett said that in behalf of the Executors in the case of Emmeline A. Young et al., vs. George Q. Cannon, he desired to be heard upon the motion for a writ of certiorari.

Judge Hagan in behalf of the plaintiffs said they were ready to argue this motion for the writ, though they believed that this court had no authority or jurisdiction in this matter.

Judge Bennett thereupon read the affidavit signed by the executors and some of the exhibits already published in our columns.

Waiting for Alms.—The Utah

Central down train was an hour late to-day, on account of waiting for the transfer of the Alms Company's baggage in Ogden.

A Conundrum.—Our devil asks: If Ogden distributes its Town and Scope all over the country, what will be left of the Capital? Hard to tell. The capital of a new paper generally goes with it.

Homeward Bound.—His excellency

Governor Brayman has been viewing the places of interest in the city to-day, and intends leaving by the morning train for his home in Boise City, Idaho.

Watch for It.—The opera this evening will be sung and spoken entirely in French. The quiet smile and perhaps the snicker, will betray the erudite scholar in the audience, but the overwhelming bursts of applause will come from those to whom the piece is utterly incomprehensible.
