FROM TUESDAY'S DAILY. OCT. 30 1888.

### His Head Crushed.

On Saturday, at the Blue Rock mine, Tintic, Utah, Richard Henninger was instantly killed. An inquest was held, and the jury rendered a verdict that he came to his death by the falling of the rock which steadied the bucket. His head was crushed almost to a jelly.

### Roller Mills.

The American Fork roller mills, which have been recently overhauled and fitted with new and improved machinery, are running to their full capacity, day and night, to keep up with business. Fifty barrels per day is the output of flour, which is of an excellent quality. W. D. Robinson is manager.

### May Take the Census.

Last evening Judge Henderson rendered his decision in the case of Wm. Farrell vs. Ogden City. The plaintiff sought to have the city of Ogden prohibited from taking a census, under the act of March, 1885. The court ruled that the writ of prohibition asked for could not be granted. The decision is one of interest to all the incorporated cities in the Territory, as it affects questions of vital importance in the law passed by the late Legislative Assembly.

### Fell 250 Feet.

A frightful mine accident occurred at 11:25 on Saturday morning, at the Burlington mine, at Burlington, near Butte, Montana, by which Richard Bodilly, a young Cornishman lost his life. He was ascending in the bucket from the mine, and when he reached the surface in some unaccountable manner fell headlong to the bottom, a distance of 250 feet. Several men immediately jumped in the bucket and descended to the young man's assistance. He was found, bruised and bleeding, but still alive. He was tenderly placed in the bucket and brought to the surface, but died in about 20 minutes. The coroner was notified and an inquest held. The shocking occurrence is said to have been purely accidental.—Butte Inter-Mountain.

### Asphyxiated.

Frank B. and William Davis, Jr., two brothers, of Salem, Utah County, arrived in this city yesterday with a herd of beavers, and put up at the Continental Hotel. They retired to their respective rooms at about nine o'clock last evening, and each blew out the gas instead of turning it off. The window sash in the room occupied by William was slightly lowered at one corner, admitting a little fresh air, but he arose this morning feeling quite ill. The room occupied by Frank was quite close, and in consequence he was found this morning in a dangerous condition, and was considered in a critical state at noon. He was unconscious from inhaling the gas, and the earnest efforts of a physician were being employed for his recovery.

### Switchmen's Strike.

Twenty-five switchmen in the Northern Pacific yards struck on Saturday night, and there is a blockade of 250 loaded cars which cannot be broken. They demanded that their wages be increased from \$2.25 to \$2.50 per diem, and this was not acceded to.

A. J. Borie, acting superintendent, told them he would endeavor to bring about a satisfactory settlement, but this did not satisfy them. The company has discharged three conductors for refusing to do the necessary switching work. One conductor, named Smith, with two green hands, is attempting to move the freight. A squad of policemen is stationed at the depot, but the men are conducting themselves in a peaceable, orderly manner. It is thought an agreement will soon be reached between the strikers and the company. No violence is apprehended.

### Probate Court.

Proceedings in the Salt Lake County Probate Court yesterday: Estate of Edwin Middlemass, deceased; George D. Pyper, W. J. Bateman and George E. Blair appointed appraisers.

In the matter of the estate of Augustus Podlech, deceased; Clara E. Podlech appointed administratrix. In the estate of Joseph Brown, petition of Benjamin P. Brown and Theodore McKean for the admittance of the will to probate.

The following marriage certificates have been filed with the clerk:

Henry I. Macy and Miss Minnie Tyler, both of Salt Lake, by the Rev. C. L. Libby, pastor of the First Methodist Episcopal Church.

Edwin J. Williams and Susan M. Edwards, both of Salt Lake, by Judge Smith.

Benjamin Bates and Hannah Boddison, both of Salt Lake, by Elder Thomas Maycock.

### The Late Captain Brown.

Last Wednesday, in this city, a man of no ordinary character was laid to rest—Captain Joseph Brown, of the Fifteenth Ward. He was in his 84th year when he departed. The captain resided for many years on Tom's River, N. J., and used to sail through the noted Barnegat inlet. He and his sons gained an extensive reputation in that section for daring, owing to their frequently saving the lives of wrecked mariners at the risk of their own, at all seasons of the year and in the most boisterous weather. He emigrated to Utah in 1834. The funeral services, which were held in the Fifteenth Ward Assembly Room, were conducted by Bishop Pollard. The speakers on the occasion were, Elders Clinton and Ashton. Bishop Pollard and President Angus M. Cannon. The Captain's widow is in her 90th year, and being bedridden, she was unable to attend the funeral. Captain Brown was as fearless in speech as in action, and was a sturdy, honest man, with a decided will of his own.

### Ogden Occurrences.

A man was robbed on the Union Pacific Railway last night of a pass and \$35. He was a Dutchman, and deaf, so the employees had great difficulty in understanding him. He said he was wanted as a witness in California, and he soon procured a pass over the S. P. R. R. This is said to be the third robbery on the U. P. during the past ten days.

On Sunday afternoon a little boy, two years old, son of Prof. L. D. Edwards, while running around the room, fell and struck his forehead on the mopboard, which had a very sharp edge. A gash about an inch and a half long was cut in the little fellow's head, which bled profusely for some time. Yesterday Mrs. Edwards brought the boy to Dr. Power's office, where he received medical aid and was soon made comfortable.

Yesterday Deputy Whetstone arrested Bishop Ole Liljesqvist, of Hyrum, in this city, on a charge of unlawful cohabitation. The Bishop has been absent for three years traveling throughout the southern settlements, and was on his way home when he was arrested at this place. He was taken before Commissioner R. W. Cross, who bound him over in the sum of \$1000 to appear before Commissioner C. C. Goodwin, at Logan, on Friday, Nov. 2nd.

A little son of Charles W. Middleton, aged about eight or nine years, met with a painful accident yesterday afternoon. The street car was passing the residence on South Main and the driver being a few minutes late, was whipping up the mules. The boy, seeing the car, ran out and succeeded in catching the railing on the back step. The car was going too swiftly for him and he was unable to keep his feet. He fell, in a cloud of dust, striking on his shoulder and breaking the collar bone.

Geo. Linford, hailing from North Ogden, was yesterday arrested by Deputy H. E. Steele, charged with grand larceny. He was taken before Commissioner R. W. Cross, who bound him over to appear before Commissioner C. C. Goodwin, at Logan, Wednesday, Nov. 7th. As far as could be learned, the facts are said to be as follows: Some time ago fifty hucks, the property of plaintiff, became mixed up during the night with defendant's herd of ewes, herded in the mountains northeast of Ogden.

Defendant claimed damages and instructed the herder to hold the bucks until some agreement was reached between him and plaintiff. On this it is said that a warrant charging grand larceny was sworn out upon which Linford was arrested. There are two or three other parties interested in the matter on defendant's side.—Ogden Standard, Oct. 30.

### FIRST DISTRICT COURT.

Proceedings Before Judges Henderson and Judd.

At Provo, yesterday, the following cases were heard by Judge Judd:

United States vs. Christian Madsen; cohabitation and adultery; to both charges the defendant pleaded guilty, promising to obey the law in the future. The judge suspended sentence on both charges, remarking that he would be glad to see more of such work.

John Chapman, formerly of England, now of Juab County, was admitted to citizenship.

United States vs. R. G. Fraser; unlawful cohabitation; plea of not guilty withdrawn, and a plea of guilty entered; sentence set for Nov. 3.

United States vs. Charles Frampton; the defendant was charged with committing adultery with Emma Gill.

Emma Gill was the main witness for the prosecution and testified that she was never married to Frampton. Frampton had had sexual intercourse with her. More than a clear case was made out, and the jury brought in a verdict of guilty after being out but two minutes. In considering this case, the judge asked Mr. Evans if there was anything in this case to distinguish it from the common run of such cases. Mr. Evans thought not. Sentence was set for October 31st.

C. P. Jorgensen made application for admission to citizenship, but was unable to name a state in the Union, or the line of railroad over which he had come to Utah; to his understanding, Grover Cleveland is king. The judge was satisfied at this point and told Mr. Jorgensen to stand aside.

Peter Erickson was accepted as competent, and duly admitted to citizenship.

Judge Henderson, at Ogden, transacted the following business:

James A. Calvert vs. Joseph T. Johnson. Argument of plaintiff's counsel made; defendant's counsel to be heard Tuesday.

An order was issued for twenty-two grand jurors, returnable Nov. 19th, and thirty-two petit jurors, returnable Nov. 23d.

An evening session was held at which Judge Henderson rendered his decision in the injunction suit prohibiting Ogden City from appointing census commissioners. The decision was favorable to the city.

FROM WEDNESDAY'S DAILY, OCT. 31

### At Home.

Hon. John T. Caine, Utah's Delegate to Congress, arrived last evening from Washington, after an almost continuous stay at the seat of the general government of nearly eleven months, that being about the extent of his last visit. During that period, as the public is aware, he has been assiduously engaged in looking after the interests of his constituents. He returned home quietly, but few people being aware of the time when he would arrive. A number of friends went yesterday to Ogden, from whence they escorted him to this city. With the exception of the effects of a cold contracted on the journey, Mr. Caine is in excellent health.

In answer to a question put to him today on the subject, Delegate Caine expressed himself as being confident of Mr. Cleveland's election.

### JOHN A. OLSEN

Drowned in the Salt Lake and Jordan Canal.

Yesterday John A. Olsen, a gentleman about sixty years of age, was attempting to drive over the bridge across the Salt Lake and Jordan canal, at Sandy, Salt Lake County. When on the bridge his horses became frightened and unmanageable. They backed, crowding the buggy into the canal, and going over on top of it. The unfortunate driver was caught beneath the vehicle as it went over, and being held down by the weight of the buggy and horses he was unable to save himself. The entanglement was such that those who came to his assistance, though they made every effort possible to get him out, were unable to do so until after he was dead.

The justice of the peace was notified and an inquest held. The verdict was that the deceased came to his death by accidental drowning.

### A MISSIONARY DEAD.

The Manner and Cause of his Death Not Yet Ascertained.

Today a telegram to the Church authorities in this city brought sorrowful tidings from the Southern States. It was the first news of the death of Elder Vincent Pugmire, of St. Charles, Bear Lake County, Idaho. The telegram was simply an announcement that Elder Pugmire's remains would reach Ogden on Saturday evening.

As there had been no intimation of the Elder's illness, nor any account of his death, telegrams were at once sent to the headquarters of the Southern States mission, inquiring for full particulars; up to 3:30 p. m. today no reply had been received, but it is likely that the desired information will reach here tonight. The dispatch regarding the body does not even state the place of the Elder's death. It is thought to be quite probable, from the manner of the dispatch, that a previous telegram had been sent and failed to arrive, stating the place and manner of Elder Pugmire's death, and whether or not it was from natural causes. Further particulars are awaited with anxiety.

Elder Pugmire was about 38 years of age, and was born in the Seventh Ward of this city. He was the son of Bishop Jonathan Pugmire. For a number of years he has resided at St. Charles. He was a man of excellent character. He leaves a wife and six or seven children, with whom the Latter-day Saints will deeply sympathize in their sad bereavement.

### AN ELDER LOST.

Strong Probability that He has been Murdered.

A letter has been received by Apostle F. D. Richards, from the President of the Southern States Mission, which contains the painful intelligence that a Latter-day Saint Elder has probably been foully dealt with in Mississippi or Alabama. Elder Alma P. Richards, son of Morgan Richards, whose residence we understand to be at Enterprise, Morgan County, has been on a mission to the Southern States for some time. Early in August last his family ceased receiving letters from him. They wrote frequently, but obtained no reply, and their anxiety was such that they sent a letter to Elder William Spry, president of the mission, at Chattanooga, Tenn. Subsequently it was learned that this letter never reached its destination.

After waiting a short time Elder Richards' family called the attention of Apostle F. D. Richards to the matter. The latter took immediate steps to clear up the mystery, and the result caused grave doubts as to whether Elder Richards has not been murdered by the foes of truth. The letter just received from Elder Spry states that Elder Richards' absence was noted there, and inquiries made, but without satisfactory results. At this time Apostle Richards' communication was received, and a number of Elders were started on the search. Their most energetic efforts, however, failed to ascertain his whereabouts. The last that could be learned was that on the night of August 1st he slept at the house of a Mr. Kemp, a member of the Church, in Jasper County, Mississippi; on the morning of August 2nd he started for Enterprise, a railway station, a few miles from Mr. Kemp's, his intention being to there

take train to Alabama. From that date nothing can be learned of his course.

It is unusual for the Elders to travel singly for any great length of time, but Elder Richards had been left alone in that section owing to the release of his traveling companion to return home, and a new appointment had not been made, as it was anticipated there would soon be some new Elders from Utah to go to that section. The report of the search made for the lost missionary states that, from the circumstances that have been learned connected with his disappearance, there are strong reasons to believe that Elder Richards has been foully dealt with, his life having been probably taken by those who are thirsting for the blood of the Saints. We sincerely hope that this is not the case and that the missing Elder will be found all right, but from all that can be learned at the present time there is but little on which to base such a hope.

FROM THURSDAY'S DAILY, NOV. 1, 1888.

### Arrest at Logan.

N. A. Linquist was before Commissioner Goodwin, at Logan, on Friday last, on a charge of unlawful cohabitation. The result of the examination was that he was placed under \$1000 bonds to await the action of the grand jury.

### Discharged.

The trial of F. F. Raymond, on two charges of petit larceny, ended in the Police Court today, the accused being discharged because of insufficient evidence. The testimony developed considerable apparent "crookedness," but was not strong enough to warrant a conviction.

### Surrendered Himself.

Yesterday Abraham Zundell, of Willard, Box Elder County, came to Ogden and surrendered himself to the officers. Mr. Zundell had been informed that he was wanted on a charge of unlawful cohabitation, and so gave himself up. He was placed under \$1000 bonds to await the action of the grand jury.

United States vs. Byron W. Brown; perjury; the defendant was summoned a year ago to serve on the grand jury in this district, and in answer to the questions of Mr. Evans, stated that he did not believe in polygamy. It is claimed by the prosecution that the defendant has since then affirmed his belief in that principle. This is the whole of the case, but it took nearly all day to get in the evidence. The trial is in progress.

United States vs. Chas. Frampton; adultery; sentenced to nine months in the penitentiary.

People vs. John W. Jensen; assault with intent to commit rape; the jury found a verdict of guilty of assault; sentence, thirty days' imprisonment.
