DUAL TRACK MEET SET FOR APRIL 30

ARE CONFIDENT OF WINNING.

A Question of Eligibility is to be Settled on Sunday-U. of U. Protests Provo Athletes Entering.

on the 30th of this month, there is to be a track meet at Provo, of no little importance to the track teams representing the leading universities and colleges of the state. The meet is between the L. D. S. U. team and the B. Y. U. wam, and there is deep interest in the This contest has been talked of for some time, and it was finally agreed to settle the question of supremacy between the two institutions, on the field of athletic endeavor, on the date named. Both teams have been working hard of late to fit themselves for the struggle, of late to fit themselves for the struggle, and each has sublime confidence of earning off the honors. Word comes from Provo to the effect that the young athlets of the Garden City, are in excellent form and are practising daily for the confests. Director of Athletics Willard Bean of the L. D. S. U. says his men are rapidly rounding into splendid form, and they feel confident of taking a majority of the events from their Provoceponents.

his funners and he has no fear as to the result of the weight events.

The meet will serve to give interested persons a "line on" the two teams, so that they may form opinions as to their comparative strength in the coming state meet. Of course, it does not follow that the team defeated in the meet on the light will be beaten in the big contest on May 21. There will, no doubt, be many of the boys who will show marked improvement between the two dates.

There is a great deal of speculation that now over the probable outcome of the dispute between the U. of U. and the E. Y. U., because of the latter entering men from the Beaver branch for the state meet. George Riser of the east benchers, came up from Provo last evening, and tated that no definite conclusion was reached concerning the matter. It is rande that no definite conclusion was reached concerning the matter. It is guite certain, however, that the Provo team management will make a hard fight to enter the Beaver athletes, as they are numbered among the very best on the team. They contend that the Beaver school is under the same management as the Provo institution, and that there is no good reason why athletes from the branch should be barred. On the other hand, it is claimed that Provo is flying directly in the face of the precedent established two years ago, when they protested against the state 'varsity entering men from the Cedar branch.

It is believed that the whole matter will be settled on Sunday next. On that date representatives of the U. of U., B. Y. U., D. S. U and A C will hold a meeting to discuss theh question and come to an to discuss theh question and come to an agreement Other business pertaining to the state meet will be transacted, but the question of eligibility will be the mest important.

Clifford Queenan Contest Excites Inter est-10 h Men Down to Weight.

Ted Murphy, manager for Battling Nelson and Eddie Santry, stated this morning that he would match either Nelson of Santry against the winner of the Clifford-Queenan bout, provided the boxer would make the weight demanded. The weight is 131 pounds at 3 o'clock, or 133 ringside.

Yesterday Murphy received a letter from Dr. Ordway, representative of the National Sporting club of London, England, making an offer to match Eddie Santry against Ben Jordan, the English featherweight. Santry is the only man who ever defeated Jordan, turning the trick in sixteen rounds. Jordan is anxious for a return match, and if proper inducements are made, Murphy will take Santry to England for the match, and will also match Nelson against Jabez White or some other good lightweight. New York, April 13.—Tom Sharkey was arrested tonight for his alleged connection with the prize fight that was raided by the police early this morning at Sixty-fifth street and Broadway. He was placed in a cell, where he remained about twenty minutes, when Tom O'Rourke gave \$500 ball for his appearance in court. It is said by the police that Sharkey was the timekeeper and was one of those who escaped when the raid was made.

Fresno, April 13.—Today's game was the poorest played here this season. Cutter was batted out of the box with six hits against him and not a single man down in the first inning Yerkes took his place. Thielman was hit freely and in te seventh inning went wild and Butler was put in. At one time the score stood il to 3 for Portland, but Thielman's bad inning and a slump brought the score to 11 to 10. Score:

San Francisco, April 13.—The Oakland team took first place in the league race today by defeating Seattle. The northern men outbatted ten Californians, but this was offset by costly blunders and the eight passes given by Schoch. Umpire McCarthy was ill and Dave Cramer, a former player, was pressed into service. His decisions were so frequently disputed that the game consumed over two and a half hours. Score:

San Francisco, April 12.—Willie Britt, brother of Champion James Britt, stated yesterday that Jimmy would go on and do a monologue turn at a New York theater in a very few weeks, but at just which theater the engagement was to open he did not wish to discuss at this juncture. The featherweight will thus be taking a leaf out of the book of Jim Corbett, for the ex-champion's turn will be remembered as a really good effort apart altogether from the interest that attached to the performer himself. Britt has appeared on the stage in a small way before and is convinced that he can make a good appearance in eastern cities.

"Just when Jimmy will go east I cannot say just now," said Brother Willie last evening. "He will not use his bad arm for at least ninety days, but, of course, that will not interfere with any theatrical engagement. Class Meet Postponed.

The state university class track meet, scheduled for this afternoon, has been postponed until next Monday afternoon. The reason given for the postponement is that the cinder track was not in good shape, and it will take until Monday to make the necessary repairs. In the meantime, those who are entered for the races will continue to train.

RACES AT OAKLAND. Events Were Marked by Numerous Up-

sets—Jockey Benner Suspended.

San Francisco, April 13.—There were several upsets at Oakland today, one of them being in the handicap at a mile and fifty yards, which was taken by Byron Rose, a 25 to 1 shot, while Gorgalette, at the same price, was second. Mansard was a heavily played favorite, while Ben MacDhui receded from 8 to 5 to 4 to 1. Otts sent Mansard to the front, but he stopped badly. In a driving finish Byron Rose beat Gorgalette a mose. Jones, who rode Gorgalette, made a claim of foul against the winner, but it was not allowed. Bonner took Ben MacDhui back early and was suspended for his ride.

San Francisco, April 13.—There were several upsets at Oakland today, one of the reason of Herpicide's isolation as a genuine cure for Dandruff lies in the fact that it attacks and destroys the root of the whole trouble—a parasitic germ which nourishes the hair follicle.

INTERCOLLEGIATE DEBATE.

Question Deals With the Adjudication Of Labor Disputes.

The debate between the University of Utah and the Colorado college, which takes place at the Salt Lake Theater Friday, April 22, is now the topic of discussion in school circles. The ques-tion to be debated is an important one and one which has been discussed in many of the large eastern colleges, notmany of the large eastern colleges, notably between Michigan and Wisconsin, in which the latter took the affirmative and won out. The question is, "Resolved, that the adjudication of disputes between employers and employes should be made a part of the regular administration of justice. Granted that
