Three University Scholarships Offered—Quincy School to Be Enlarged.

CLEVER CAPTURE OF THIEF.

John Daniels Shows Fight and Puts Holdups to Flight—Sacred Heart Academy Anniversary.

Ogden, June 8.—The Ogden City board of education has received a communication from State Supt. of Schools Nelson informing it that this city is entitled to three free scholarships at the state university. The board desires that all the students who wish to be considered applicants for the scholarships should file their applications as soon as possible so the board can select the three.

It was decided last evening at the meeting to enlarge the Quincy school building making eight rooms of it. The plans for remodeling are now being prepared by the architect.

A communication was received by the board from the teachers' association thanking the board for its consideration of the petition for an increase of salaries for all teachers.

The following teachers were elected: Lillie Laman, Blanche M. Larned, Helen Powell, Edith M. Moore, Ruth Murdoch, Mrs. Kate VanDyke, Lois E. Peirce, Mrs. Edith Harris, and Annie Phoenix. The salaries were fixed at from \$47 to \$49 per month.

The finance committee reported cash on hand \$12,554.69. Supt. Allison's last monthly report for the past school year was submitted, showing an enrollment of \$4,419 with an average daily attendance of 4,124, per cent of punctuality, 99.7; graduates from the eighth grade, 152; from the High School, 42.

Miss Celeste Conroy made application for position as instructor in music in the public schools.

HOLDUPS PUT TO ROUTE.

John Daniels Resists Demand of Footpads and Opens Fire.

Ogden, June 8.—A young man named John Daniels while walking along Adams avenue between Twenty-sixth and Twenty-seventh streets, shortly after 10 o'clock last evening was stopped by two men and told to hold up his hands. Instead of complying with the demand he showed fight and pulled his pistol and opened fire. It was very dark and he could not see the men well, hence his shots did not take effect. The hold-up men fled in confusion and ran down Twenty-seventh street and across Washington avenue and disappeared in the darkness. The police were notified and quickly responded but could get no trace of the men, as Daniels could give but a meager description of them.

Just after the attempted robbery, Sheriff Sebring arrested a man by the name of Howard, who is suspected of being one of the hold-up men. Several circumstances pointing to his identity. Howard has a bad reputation here; he recently completed a sentence in the state prison for burglary committed in this city. About 6 o'clock last evening, Howard pulled a gun on Harry McPherson of the Elite café, intimating that he would like to shoot McPherson for appearing against him on his former trial. He had got rid of his gun, however, before the officer found him.

PENROSE SENTENCED.

Joseph Penrose, who pleaded guilty of a felony a few days ago in the district court, was sentenced this morning by Judge J. Howard to serve five months in the county jail.

SACRED HEART ACADEMY.

Twenty-ninth Anniversary Fittingly Commemorated Friday.

Ogden, June 8.—The twenty-ninth anniversary of the opening of the Sacred Heart academy in Ogden was celebrated at the institution yesterday by Rev. Father Cushman and visiting priests, the sisters of the Sacred Heart and pupils of the school. What is known as the feast of the house, was solemnized by the priests. Short addresses were made by Father Cushman and others and some choice music and literary numbers were rendered by the pupils. The undergraduates will hold their exercises on Tuesday, June 18, at 10 a. m., and the commencement exercises will be held on the morning of Wednesday, June 19 at 10 o'clock at the school auditorium.

Since the opening of the school 29 years ago it has grown to be one of the largest and most thorough educational institutions in the state, and has graduated a large number of pupils during these years.

CLEVER CAPTURE OF THIEF.

Stranger Follows Purloiner of Clothes and Gives Him a Pummeling.

Ogden, June 8.—A man who gave his name as James Devine was captured yesterday by P. Tangren, whom Devine is charged with having robbed the night before, and after being severely pummeling by his victim was taken to the city jail. Devine was taken before Judge Murphy, who was sitting in the police court at the time at the Union depot on Thursday evening and for a few moments absented himself from the sitting room. He left a bundle of wear-

ing apparel on one of the seats, which disappeared during his short absence. He got a good description of the thief from the other passengers in the place and started to locate him. He hurried up Twenty-fifth street and was just in time to see the man with his bundle under his arm enter a rooming house. Tangren immediately decided to stay over night in Ogden.

Yesterday morning when Devine was leaving the rooming house, Tangren, who was on the watch, spied him and followed him north on Lincoln avenue. Between Twenty-second and Twenty-third streets Tangren caught up with his man and immediately there was something doing. In the scuffle which followed Tangren got Devine on the ground and proceeded to shove his face into the mud until he pleaded for mercy. Residents of the neighborhood who saw the trouble telephoned for the police and Tangren detained Devine until the officers arrived and placed him under arrest.

EVIDENCE IN HAYWOOD CASE.

Tomorrow Detective J. F. Pender, Officer Thomas Burk, Desk Sergeant Henry T. Snyder and Special Officer McIntire will leave Ogden for Boise, Idaho, to appear as witnesses in the case against William D. Haywood, who is now on trial at that city for his life in being implicated in the murder of Gov. Stump.

The testimony of the Ogden officers is necessary to corroborate certain evidence that has been given by Orchard and Steve Adams.

June 8, 1907. Adams was in Ogden and was arrested by Special Officer McIntire in the depot yards on the charge of trespass. He was taken to the police station and locked up. While at the jail he sent for Detective Pender and Officer Snyder, and told them he was a member of a certain organization and exhibited a card, which, however, proved later to have been forged. He asked Mr. Pender to go with him to his Western Union, so he could get some money. The officer accompanied him to the telegraph office and he sent a message to William D. Haywood, which read as follows: "I am in trouble. Send me \$75 at once." A few hours later the money was received by Adams.

Officer Burk bought Adams' gun from him, which weapon is needed as evidence in the Haywood case. The officers will take the records, gun, etc., with them.

SUIT FOR \$5,000 DAMAGES.

A \$5,000 damage suit has been filed in the Second district court by Gilbert Torgerson against Dennis A. Smyth, alleged to be due for personal injuries. It is alleged in the complaint that November 19, 1906, plaintiff was passing along Twenty-fifth street, going to his work, when a team attached to the European hotel bus owned by Mr. Smyth, ran away from the vehicle struck Mr. Torgerson and knocked him down, causing injuries which he claims he will never recover from fully. The accident it is alleged, was caused by the carelessness of the defendant in not having the team properly tied.

JUVENILE BAND ORGANIZED.

A juvenile band was organized in Ogden yesterday afternoon by Prof. Nichols. There were present at the first rehearsal 18 boys, ranging in age up to 18 years. Already Prof. Nichols has 35 enrolled and expects to increase that number to 50 which will give him a good sized band. A rehearsal will be held every Friday afternoon between 4 and 6 o'clock.

The movement is a good one and will awaken in the boys of the city a much greater interest in band music. A number of prominent citizens have expressed their interest in the movement and have assured Mr. Nichols financial aid.

ARRESTED FOR FELONY.

Detective Pender and Sergeant Pincock yesterday afternoon made a trip to Midvale on the Ogden Lucin cut-off and arrested the operator, William Cutler, on the charge of felony. The arrest was made at the request of Sheriff T. H. Burt of Clinton, Iowa, where Cutler is wanted. He is a married man and since his employment on the Lucin served the company well and has appeared to be a good reliable man. Burt is coming to Ogden for him.

HAND INJURED.

William Burns of Idaho came to Ogden yesterday for medical treatment of his right hand which was badly injured by being caught in a plough a few days ago. He was taken from the depot to the Ogden hospital, where Drs. Rich and Osgood examined the injuries and gave Mr. Burns little hope of being able to save the hand.

DAMAGE SUIT DISMISSED.

The \$5,000 damage suit of John Smalley against the Ido Grande Western Railway company which has been on trial in the Second district court during the past week, came to a sudden ending yesterday afternoon when Judge Howell on motion of the defense, gave the jury peremptory instructions to bring in a verdict in favor of the defense, dismissing the action. Mr. Smalley will appeal the case to the supreme court.

WOODMEN ELECT OFFICERS.

The Woodmen of the World held their annual meeting for the election of officers for the ensuing year yesterday, selecting the following gentlemen: Past C. C. Thomas C. Morris; C. C. Belmont T. Huss; advisor, T. C. MacBeth; secretary, Wm. M. Pliggott; watchman, W. H. Allen; sentry, McLaughlin Wardleick; managers, Sam Klein, R. B. Paine and Mathew Galt.

FUNERAL SERVICES.

A large number of sympathizing friends assembled yesterday afternoon at 2 o'clock at the First ward meeting-house to pay a tribute of respect to the memory of Carl R. Samson, who died Tuesday of spinal meningitis. Bishop's Counselor R. H. Goddard presided. The ward juvenile choir rendered a number of well selected songs, and comforting remarks were made by Elders Peter Anderson, Erickson, E. L. Woods and N. J. Tanner, Jr.

FARR-RUSSELL ENGAGEMENT.

The engagement of Miss Eleanor L. Farr to Mr. Isaac Russell has been announced by the bride's mother, Mrs. S. S. Smith, the marriage to take place the latter part of this month. Miss Farr is one of Ogden's most popular young ladies, and is talented in music. Mr. Russell is a member of the "News" reporting staff at Salt Lake City.

BRIEFS AND PERSONALS.

Captain of Police C. C. Brown is now Grandpa Brown, occasioned by the arrival at the home of his daughter, Mrs. Roy Decker, of a fine baby boy.

Mrs. Johnie Farrer Lull, wife of C. J. Lull, died yesterday of consumption. She leaves a husband, aged mother and other relatives. Funeral Sunday at 2 o'clock.

The special excursion train for Ely, Nevada from Salt Lake and Ogden required nine coaches to accommodate the large number of people desirous of seeing the mining camp. From Ogden 140 passengers boarded the train.

Thomas Maddox and William Pappas, two Greeks engaged in a combat yesterday in which the former came out victorious, but in his assault he pulled a knife and would no doubt have killed Pappas if someone had not interfered. He may have a charge of assault with a deadly weapon to answer to.

BRIGHAM CITY.

THREE COUPLES WED.

Building Boom in Peach City—Death Of Gerhart Jensen.

Special Correspondence.

Brigham City, Boxelder Co., June 7.—Mr. LeRoy Roskelley, son of Samuel Roskelley of Smithfield, and Miss Lavinia Nelson, daughter of Charles F. Nelson of the First ward, were married at the home of the bride's parents Wednesday evening, June 5, Bishop John B. McMaster officiating.

William H. Davis, 46, and Mrs. Rosa Emanuelus, 40, both of Ogden, were married in this city last Tuesday. Bishop Thomas H. Blackburn tying the nuptial knot.

Thorvald Jorgensen, the leader of the Jorgensen orchestra, and Miss Mary Woodyard, the pianist, were married in the Salt Lake temple last Wednesday.

BUILDING BOOM.

There is quite a building boom in Brigham City. The O. S. L. depot just erected is a credit to the town as well as to the company. The new cannery company's building is up to the square and will be ready for use this fall. A number of business blocks are being built along Main street. Messrs. Eddy & Son, the druggists, will begin tearing down their old building and expect to erect a fine brick business block on the premises. They will move into the "Kudron Bros." part of the Union block until the new building is completed.

DEATH OF PIONEER AND VETERAN.

Gerhard Jensen, a pioneer citizen and octogenarian, went quietly to rest at his residence in the Second ward last Monday, having been bedridden for about 10 months, and death came as a happy relief. Funeral services were held in the ward hall Thursday, Bishop Thomas H. Blackburn presiding. The pall bearers were the presidency and his fellow members of the high priest quorum. The speakers were Patriarch Peter A. Forsgren and James Olsen, president of the high priest quorum.
