LOCAL AND OTHER MATTERS.

THEATRE.—This evening the very attractive Irish drama of Light after Darkness will be presented for the last time, and all those who wish to see it should avail themselves of this opportunity. The acting of Miss Rose Evans as Molly O'Flaherty, Miss Couldock as Elsie O'Connor, and Miss Adams as Ida is really praiseworthy. Mr. Blumenthal represents Arthur Clanstone with care and propriety, though we should like to see a little less melancholy throughout and a little more sprightliness, even if he is such a very "good young man," and has to "go through a great deal," for does he not have "the girl of his heart" at last? If there is sorrow in the night, joy comes in the morning. Mr. Thorne makes an excellent "priest," and Mr. Dudley looks the villain Leninch. Mr. Dunne's Westworth is creditable, Mr. Harris' Mickey Muldoon is lively and energetic.

The farce of Brother Bill and Me, in which Messrs. Graham, Thorne and Bowring, and Mrs. A. Clawson and Miss Jones will endeavor to entertain and amuse the house, concludes the performance. Between the plays Mr. Mat Williams will dance Essence of Old Virginia.

UTAH SOUTHERN.—Travelers and the public generally are respectfully referred to advt. of U. S. R. R., of changes in the time of the evening train to the city, and of the running of an extra train on Sundays.

A BRUTE.—Brother Edward Stevenson informed us, this morning, that he was present in the Alderman's Court, at Ogden, yesterday, when a young man, twenty-four years of age, named William Haskell, was on trial for taking liberties with and making indecent proposals to a respectable lady about fifty years of age. It appeared from the evidence that the lady in question had inquired of Haskell the way to the house of a friend she desired to visit, and that, under the pretense of showing her the place, he took her in another direction, and, when out of sight of houses, laid hold of her and made disgusting proposals. She, however escaped from him and Haskell was arrested by a police officer. Alderman Middleton fined the prisoner in the ridiculously small sum of fifteen dollars, with the addition of costs.

PROVO CITY, Jan. 15, 1872.

Editor Deseret News:

The anniversary and exhibition of the Sunday School of this City were held on Saturday last, the 13th instant. We had a very interesting time with the young folks; Superintendent W. W. Allen, with assistant Teachers, presiding. The Awarding Committee, Wilson N. Dusenberry and others, awarded to Miss Annie Jones the first prize, for the rendition of "Annie's and Willie's prayer," and to Miss Olive Smoot the second prize, for excellence in sustaining a part in a dialogue. The afternoon was spent in dancing. At one time we counted some one hundred and twenty young ladies on the floor, engaged in a scotch reel, which the sixty young gentlemen, their partners, seemed to enjoy hugely. Yours, respectfully,

A. JONES, Secretary.

DEPARTED EAST.—Hon. William H. Hooper left this city last night for Washington, to resume his official duties there. Horace S. Eldredge and Alexander Majors, Esqrs., left at the same time. The two latter have gone on a business trip to the States.

NOT WANTED HERE.—It is stated by the San Francisco Chief of Police that the gambling dens from which so many defendants have been derived of late are closed. Many have left for Virginia City, Utah, and the way stations, and towns on Union.

TURNING THE TABLES ON THEM.—Brigham Young is turning the tables on his prosecutors. When in December last, his counsel demanded an extension of time it was with the utmost difficulty that the court granted till the 9th inst. To the outside world Young appeared in the light of a fugitive, and not a few were of the opinion that he would never return to Salt Lake City. But he has returned and is facing his accusers whilst the latter weaken and the United States Attorney for Utah begs for an extension of time until next March. This does not tally with the imperious tone of a month ago. The reason assigned—want of funds—appears a lame one to us. Nothing has occurred within the past three weeks to drain the federal treasury in Utah. The financial situation was just the same as it is now. But Brigham was away, and this display of judicial inflexibility was as cheap as it now appears ridiculous.—*Reese River Reveille.*

SENSELESS DOINGS.—We are informed by a resident of the 17th Ward that some parties, having a predilection for what they probably suppose to be practical joking, unhinged and carried to a considerable distance the gates in front of some of the residences in that locality last night. This is a species of amusement that is only indulged in by individuals devoid of good sense. Our informant says the parties alluded to are known, and if they wish to evade having the law applied to their cases, they will do well to stop such practices.

BEAVER.—Brother M. L. Shepherd, just in from Beaver, called this morning. He says the co-operative woolen factory there is a complete success. Although it has only been running for a little over half a year, a dividend of 27 per cent was recently declared. The mill is quite a benefit to the people, as money has heretofore been somewhat scarce in that locality, and good clothing consequently hard to be obtained. Now good suits are within reach of the poorest, clothes being obtainable for labor and produce, at reasonable figures.

Brother Shepherd says the "crusade" has had an excellent effect on the people of Beaver, knitting them closer together in the bands of union and brotherhood.

Beaver is not alone in this respect, for the effect of the attempted persecutions is similar upon the people in every part of the Territory, and, we may venture to say, among those identified with the Church who are not yet gathered with the main body of the Latter-day Saints.

R. R. NEWS.—The following was among our W. U. T. dispatches:

CORINNE, 15th, 7:30 p.m.—The road was opened at Creston to-day. One passenger train, from the west, left Bitter Creek at 3:30p.m. Five freights and two more passenger trains are expected to arrive at Ogden to-night or to-morrow.

ABOUT THE TRAINS.—The following was bulletined at the Deseret Telegraph Office to-day.

OGDEN, Jan. 16.—A Union Pacific passenger train arrived about four o'clock this morning. Two more will get in to-day, one about eleven o'clock and the other about two.

The Central Pacific train is four hours late. The Union Pacific train is waiting for it.

The Utah Central train left on time.

THE OLIO.—The entertainment given by Dr. D. Virgil Gates, at the Tabernacle last night was well attended, the building being nearly full.

The only part of the affair approaching the nature of a lecture was a short dissertation on the principles of elocution, which was read by the Doctor, and which seemed to gratify the audience.

The balance of the time was occupied in giving recitations from famous authors, and characteristic imitations of the different styles of great orators. Never having had the pleasure of listening to any of the oratorical celebrities he essayed to portray, we were, of course, unable to judge of the correctness of the delineations. In his descriptive renderings, Dr. Gates manifested, however, considerable imitative ability. He has a strong voice, over which he has good command. The imitation of the style of Daniel Webster would probably have been recognized without an announcement, on account of its depth and ponderosity. Most of the selections were pretty well rendered. Dr. Gates showed himself the possessor of some oratorical talent. He has the necessary form, clearness and power to impress an audience, but probably falls somewhat when exquisiteness and finish are required.

MARRIED.

SINGER SEWING MACHINES

WERE SOLD WITHIN THE PAST YEAR.—*Scientific American*, June 10, 1871.

The Singer Manufacturing Company,

AT THE WORLD'S FAIR

—Constituted by the homes of the people—

Received the Great Award of the Highest Sales and have left all rivals far behind them, for they

Sold in 1870 127,833 Machines!

SEWING MACHINE SALES FOR 1870.

"The magnitude to which the manufacture of Sewing Machines has attained is shown by the "SWORN" returns (to which any one can have access) of the manufacturers for the year 1870 to the overseers of the leading patents, on which they pay a royalty. According to these returns the number of machines sold by each manufacturer in 1870 is as follows:

The Singer	127,833	Florence	17,600
Wheeler & Wilson	85,971	Gold Medal	8,912
Howe	75,169	Ætna	5,806
Grover & Baker	57,402	Empire	3,560
Wheeler	35,002	Finkle & Lyon	2,420
Wilcox & Gibbs	28,860	Parham	1,769
American Buttonhole & Overseaming	14,873	Wilson	500

And several other companies who sold a few Machines.

It will be seen by this table that the popularity of the Singer Machine far exceeds that of all others, their sale being greater than that of the famous "Wheeler & Wilson" machine. This is owing to the fact that the Singer Company have lately combined a shuttle machine, being the well-established manufacturing machine, what is known as their "New Family Machine," which is selling at the rate of nine to one better than their old style." Their total sales for 1869 were 85,781 machines against the 127,833 of 1870, showing an increase of one-half in the latter year."—*New York Sun.*

A GREAT MEDICAL DISCOVERY!

MILLIONS BEAR TESTIMONY TO THE WONDERFUL CURATIVE EFFECTS OF

J. WALKER'S VINEGAR BITTERS

Which are a true Medicine, made from the Native Roots and Herbs of California, free from all Alcoholic Stimulants. They are the GREAT BLOOD PURIFIER and A LIFE-GIVING PRINCIPLE, a perfect Renovator and Invigorator of the System, carrying off all poisonous matter and restoring the blood to a healthy condition. No person can take these Bitters according to directions and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and the vital organs wasted beyond the point of repair.

They are a Gentle Purgative as well as a Tonic, possessing also the peculiar merit of acting as a powerful agent in relieving Congestion or Inflammation of the Liver, and all the Visceral Organs.

FOR FEMALE COMPLAINTS, whether in young or old, married or single, at the dawn of womanhood or at the turn of life, these Tonic Bitters have no equal.

For Inflammatory and Chronic Rheumatism and Gout, Dyspepsia or Indigestion, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys, and Bladder, these Bitters have been most successful. Such Diseases are caused by Vitiated Blood, which is generally produced by derangement of the Digestive Organs.

DYSPEPSIA OR INDIGESTION, Headache, Pain in the shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the regions of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia.

They invigorate the Stomach and stimulate the torpid liver and bowels, which render them of unequalled efficacy in cleansing the blood of all impurities, and imparting new life and vigor to the whole system.

Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul, and your feelings will tell you when. Keep the blood pure and the health of the system will follow.
