EVENING NEWS

Friday, - - June 22, 1877

CORRESPONDENCE.

The Howgate Polar Expedition—The Ellenton Trials.

WASHINGTON, D. C.,
June 15, 1877.

Editor Deseret News:

About $8,000 of the $10,000 needed for the Howgate Polar Expedition has been subscribed, with a prospect that it will all be secured shortly; and it is understood that it will start about the 1st of August, under the command of Captain Tyson, of the *Polaris*. It is proposed to take fifty or more hard and resolute men, with fuel, provision, a comfortable house, all fitted and ready to be put up, and everything else that past experience suggests as essential, and establish a colony somewhere in Lady Franklin Bay, about 400 miles from the Pole. This is to be visited annually by a vessel carrying recruits and a new supply of everything deemed necessary to the comfort and success of the colonists. Game is said to be abundant in the vicinity of the proposed colony and further northward, and constant expeditions are to be sent out to travel by sledge and boat in the direction of the Pole. It is estimated by Howgate that within three years a solution of the problem will have been reached.

Chief Justice Waite has just returned from the Ellenton trials at Charleston, and from others in North Carolina. He is represented as being very much dissatisfied with the sentiment existing in some parts of the south, as manifested by the failure to punish the participants in the political murders of last fall's campaign, so notorious as to be familiar with the readers of current events everywhere. It is stated also, that he was socially ignored in South Carolina, but that his reception was very cordial in North Carolina.

K.

Concerning ghosts, the Rev. R. S. Storrs, D. D., says: "I remember the reply of a prominent officer in the naval service, when a friend asked him if he possibly believed in ghosts—something which he had said having seemed to indicate that he had a certain unconfessed faith in such apparitions. 'Not a bit of it in the day time,' was his reply, 'but in the night I must confess that I have my doubts.'"

Emigration Agent.—The address of Wm. C. Staines, Church Emigration Agent, is P. O. Box 3,957, New York City. Persons visiting that city and wishing to call upon him, will find his office at No. 8 Battery Place.

HIGHEST HONORS

AT THE

UNITED STATES Centennial World Exhibition, 1876.

MASON & HAMLIN CABINET ORGANS

Unanimously assigned the

"FIRST RANK

IN THE

"SEVERAL REQUISITES"

of such Instruments!

The MASON & HAMLIN ORGAN CO. have the honor to announce that the Organs of their manufacture have been unanimously assigned "the FIRST RANK in the SEVERAL REQUISITES of instruments of the class" by the Judges at the CENTENNIAL EXHIBITION at Philadelphia, 1876, and are the ONLY INSTRUMENTS OF THIS GENERAL CLASS AWARDED THIS RANK. This is after the severest competition by the best makers before one of the most competent juries ever assembled.

They have also received the MEDAL, but, as is well known, medals of equal merit have been awarded all articles deemed worthy of recognition; so thus it will be easy for many makers to advertise that they have received "first medals."

The differences in competing articles, and their comparative excellence, are recognized in the Reports of the Judges from which the following is an extract:—

"*THE MASON & HAMLIN ORGAN CO.'S exhibit of Reed Organs and Harmoniums shows instruments of the FIRST RANK IN THE SEVERAL REQUISITES OF INSTRUMENTS OF THE CLASS, viz: Smoothness and equal distribution of tone, scope of expression, resonance and singing quality, freedom and quickness in action of keys and bellows, with thoroughness of workmanship, combined with simplicity of action.*"

(Signed by all the Judges.)

The Mason and Hamlin Organs are thus declared to rank first, not in one or two respects only, but in the SEVERAL REQUISITES of such instruments, and they are the **Only** ones assigned this rank. This triumph was not unexpected, for the Mason & Hamlin Cabinet Organs have uniformly been awarded the highest honors in competitions in America, there having been scarcely six exceptions in hundreds of competitions. They were awarded highest honors and

FIRST MEDALS

PARIS, 1867; VIENNA, 1873; SANTIAGO, 1875

PHILADELPHIA, 1876;

and have thus been awarded highest honors at

Every World's Exposition!

at which they have been exhibited; being the **Only American Organs** which have ever obtained **any Award** at any competition with best European makers, or in any European World's Exposition!

NEW STYLES, with improvements, exhibited at the CENTENNIAL, elegant new cases in great variety. Prices *very lowest* consistent with best material and workmanship. Organs sold for cash or installments, or rented until rent pays. *Every Organ warranted to give entire satisfaction to every reasonable purchaser or* THE MONEY REFUNDED. ☞ ILLUSTRATED CATALOGUES sent free.
