

CALENDAR.—We are under obligations to Wm. Clayton, Esq., for the Calendar for February, which we lay before our readers in the present number.

SUMMIT COUNTY.—By letter from Bro. Huber, of Midway, Summit Co., we learn a few items. At date of writing, 26th ult., they had fine weather, with but little snow. Health, peace and good feelings prevailed. A visit from Elders Haven, of Morgan County, and W. E. Pack of this city, who lectured at Midway, was encouraging to the people. Their choir, organized last winter under the direction of Mr. George Wardle, is doing well, their Sunday School is well attended and manifests a lively spirit.

WANT THEATRICALS.—The Boise City folks want theatricals, and call for a troupe to visit them. Here is what the Democrat says: The Salt Lakeers seem to be enjoying their full share of theatricals this winter. Can not a troupe find it convenient to come this way? We are thirst for something histrionic. Give Boise City a call.

Council.—Councilor Benson, Chairman of Committee on Counties, reported on the petitions for dividing Utah County, that it was inexpedient to legislate thereon at present. Report accepted. Adjourned till 10 a.m. on Monday.

MILITARY BAND PARTY.—There was a Full Dress Military and Band Party at the Music Hall, formerly known as Ballo's Hall, in the Fourteenth Ward, last night. The Party was gotten up by Captain Croxall's Band for the purpose of raising means to pay for music, &c., which they have recently imported from the East. The Ball Ticket had on it as Managers the names of Major General R. T. Burton, Captain Mark Croxall, Henry Sadler and James Currie. The impression upon our mind respecting the Music Hall was that it was shabby and generally dilapidated; but, upon being ushered into it last night, we were agreeably disappointed. It has been thoroughly renovated and is really a very genteel hall, and was fitted up for the occasion with great taste. The platform for the musicians was draped with flags, and the stars and stripes, as well as maps, engravings, &c., were gracefully displayed on the walls. The very fine instruments of Captain Croxall's band were hung on the wall over the heads of the musicians, excepting for a short time during the evening, when they favored the company with one of their spirit-stirring tunes. Besides Captain Croxall's Brass Band and Major Dimick B. Huntington's Martial Band, all the members of which wore uniforms, there were present: Prest. B. Young; Lieut. Gen. D. H. Wells and Staff; Hon. G. Q. Cannon; Major Gen. R. T. Burton and Staff; Brig. Gen. B. Young, and Staff; the Staff of Brig. Gen. F. D. Richards; Gen. C. W. West; Gen. Chelmin; Col. Wm. Jennings; Col. J. R. Winder; Col. S. W. Richards; Major L. S. Hills; Major Wm. Derr; Major T. McLellan; Major J. Clark; Capt. A. Dewey, Capt. H. Dinwooder; Lieut. R. V. Morris.

The party was an elegant one—plenty of brave men and fair women, and all seemed to enjoy themselves exceedingly. We trust that the efforts of Croxall's band to raise the means they need will meet with success. They are a very deserving, public spirited body of men and maintain their organization at considerable expense to themselves of time and means.

THE WEATHER.—There was a light fall of feathery snow all this morning, and at noon the clouds were indicating a heavier deposit.

By Deseret Telegraph line:
Brigham City; very foggy; looks like a storm.
American Fork; sun shining very bright, but cold and frosty.
Springville; clear. With the sun shining brightly; atmosphere frosty and very cold.
Payson; very cloudy and foggy; air quite frosty.
Nephi; clear, warm and pleasant; four inches of snow.
Mount Pleasant; clear and pleasant; snow about four inches deep.
Manti; fine and clear, but very cold.
Round Valley; sun very warm; two inches of snow.
Cove creek; fine and clear, but cold; four inches of snow.
Beaver; clear and very warm.
Cedar City; very clear; not a cloud to be seen; very cold.
St. George; clear, warm and pleasant. Thermometer 55.

Died:

In Tooele City, Dec. 6th, 1867, after a short but severe illness, Elder William C. Gollaher, aged 60 years, 10 months and 20 days. He was born Jan. 16th, 1806, in Wilks county, State of Georgia, was baptized into the Church of Jesus Christ of Latter-day Saints in Clinton county, Illinois, in the year 1833. In 1837, he with his family, gathered with the Saints to Far West, Caldwell county, Missouri; shared in common with them their loss of property and persecution at that place; and with them was expelled from the State. Again he sought refuge in Illinois, and settled in the town of Burton, in Adams county, in 1844 he again gathered with the Saints at Nauvoo; shared with them their persecutions at that place; and with them was again expelled from one of the free States of our Union. In 1852, he with his family, crossed the plains and settled in Salt Lake City. In 1855 he removed to Tooele county, where he has resided up to his death. Since residing in this county, he has held many responsible positions, as a civil officer, that of Justice of the Peace, Selectman, and Mayor of Tooele City; he has also for many years been Counselor to Bishop Rowberry; also President of the High Priests Quorum in this place.

From 1837 the writer has been personally acquainted with Br. Gollaher, and intimately associated with him in his public and private life, and can bear testimony, as also can all who knew him, that he was a man of sterling integrity, always found at his post, faithful to his brethren, himself and to his God. He has died rich in faith and with assurance of immortality beyond the grave; yet all who knew him mourn his loss, but say as one of old, "Blessed are the dead who die in the Lord."—[Cox.]

At Midway, Summit county, Dec. 25th, of congestion of the brain, after two days sickness, Henry Coleman; aged 31 years, 7 months and 21 days. He was born in Hemet Hempstead, Hertfordshire, England; emigrated in 1831, crossing the plains in a handcart company; was a good settler, a kind husband and father; and was respected by all who knew his worth.—[Cox.]

Special Notices.

President Heber C. Kimball understands that there are many in this city and in other places adjacent, who have wool to card. He has put up a stove and has the place where his two double carding machines work, in the 19th Ward, near Pugsley's mill and the Ward Meeting House, fitted up so that carding can be done occasionally when the weather moderates. He also has David Le Baron to work them—a man whom the people know to be honest, for he has been well known among them for many years. He can cheerfully recommend Br. Le Baron as an honorable man, who has always given satisfaction to his customers when running machines for him. People bringing wool can have it done when they bring it, if there is enough at the machines to run a day. Bring grease as usual, say one pound to seven.

If the people will not bring wool along to be carded, the place will be closed.

We must again refer to Mrs. White's success in her teaching music by "Robbin's American Method," as encouraging to all desirous of becoming acquainted with the art. One of her pupils in this city, a boy under 11 years of age, in three weeks tuition, without having any previous knowledge of music, was able to write his own accompaniments. All things considered, this is astonishing. It would be an excellent thing if some of our best musicians would obtain a knowledge of her system, especially those who play the piano and organ, for without doubt a better knowledge of music can be obtained by it in a few months, than by years according to the old system. The application of thorough Bass, or Harmony, to the Piano and Organ, is a point that should not be overlooked.

PUBLIC NOTICE.

YEAR 1868.

C
R
B
G

WE return our sincere thanks to this People for the liberal Patronage we have received, and in view of the great scarcity of money and the decline in the value of some kinds of Goods east, we have determined to offer our Stock at a heavy Discount for

CASH!

WE will allow a Discount of TEN PER CENT. on all Groceries, except Tea, Sugar, Coffee, Candles and Soap.

A Discount of TEN PER CENT. on all Dry Goods, Clothing and Hardware, except Nails, Horse and Mule Shoes.

A Discount of TWENTY PER CENT. on Hoods, Nubias, and all Goods of this description, including Hats and Caps.

A Discount of from TEN to TWENTY PER CENT. on all kinds of Dishes, Plates, Cups and Saucers, Glassware, Castors, &c., &c.

ARGUMENT:

THIS we think better for the Customer than Enterprises on the Lottery Plan, these having been tried elsewhere and not found profitable to the investors. The People know quite well already who sells the Cheapest and Best Goods, and when they get them, knowing them to be cheap, and then get a Discount of from Ten to Twenty per Cent., we think they will come to the conclusion that it is better to have the full benefit of what they spend at once and on the spot, than take ONE Chance in FIFTY of drawing something, some time in the future.

You are not required to purchase "Ten Dollars" worth to entitle you to the Discount, but we will allow it in all cases, whether the purchase be large or small.

This is to give the poor man or poor woman, who cannot get hold of "Ten Dollars," a chance to buy Goods Cheap.

COME AND TRY IT.

WHY DO WE OFFER THESE TERMS? Because we are like most of our neighbors, wanting money badly.

Ross & Barratt.
