LOCAL NEWS.

FROM TUESDAY'S DAILY, AUG. 10.

A Good Word.—An aged veteran called to-day and asked us to speak a good word for a book which he is selling. Its title is, "The Farm and Household Cyclopaedia." It is a comprehensive ready reference for farmers, gardeners, fruit growers, stockmen, and housekeepers; and, from a curiosity point of view, we feel commending it as an exceedingly useful work.

Railroad Accident.—On Saturday an outgoing freight train was derailed near Terrace. It was composed of 18 cars and 2 engines, and the wreck was a washout, the result of a waterspout. It is said that a fireman had his legs broken and another fireman and an engineer were seriously injured. One of the injured men is reported to be George Farleigh. Particulars, however, are scarce, owing to the reticence of the railroad people.—*Ogden Herald*, Aug. 10.

The Almy Accident.—We have received an account of the accident at Almy, Wyoming, on Saturday last, from John R. Wilson, but it does not differ materially from that already published. The funeral service over the remains of Brother George Newbold was held in the Almy Ward meeting hall on Sunday, and was presided over by Bishop Bowns. There was a large attendance of friends of the deceased. The deceased was formerly a resident of the Twenty-first Ward, in Salt Lake.

Limbo.—The three tramps who were lately landed in jail for stealing a taken altogether, characteristic specimens of the depth of humanity can be seen. Their names are Peter Miller, Frank Preston and Mooney, and they have evidently been on the road some time. The first it is thought is somewhat of a fiend incarnate, and judging by the appearance of his head, has figured in enough fights to use up any ordinary person. The sealskin coat which they had with them has not yet been identified. It is worth perhaps \$100. The small arsenal which they carried, in the shape of five pistols, was stolen from Browning Bros. of Ogden, and were taken to the latter place to be claimed by that firm. The prisoners will be taken to Salt Lake in a few days, where they will be held until the opening of court.—*Logan Journal*.

Two More Wards Organized.—The people of Bluff Dale and Riverton turned out en masse on Sunday last, August 8th, for the purpose of being organized in the capacity of wards.

Meeting was held at Bluff Dale at 11 a. m., and before closing the exercises, Brother Lewis H. Mousley was set apart as Bishop, with Brothers Wm. Merrill and Alfred John Danzic as Counselors.

The Saints of the above-named places as well as a large number from Emperville and South Jordan wards also met at Riverton at 2 p. m. The following named brethren were ordained High Priests at this meeting and set apart to preside over the River Ward: Brother Orrin P. Miller, Bishop, with Brothers Jesse M. Smith and Gordon S. Bills as his Counselors. The spirit of God was poured out in power upon the speakers who addressed the meetings, which was a source of great consolation to the large and attentive congregations, and will never be eradicated from the minds of the Saints of those wards.

The principal subjects treated upon were integrity to the laws of God, virtue, sobriety, honesty, sustaining our own people, patronizing home industry, etc. It was also advised that if there were any Sabbath breakers the Bishops were to labor with such, and if offenders continued in this practice after having been counseled to

cease it—whether it was by Sunday excursions or a violation of any one of God's laws—then such offenders should be tried for their fellowship.

The large assemblies convened under the shades of two beautiful groves, planted and reared by Brothers Merrill and Miller.

The singing was a pleasant feature connected with the meetings.

THE G. A. R. AND THE "MORMONS."

RESOLUTIONS BASED ON FALSEHOOD.

Last Friday, at the G. A. R. national encampment in San Francisco, the following was reported by the Committee on Resolutions, and adopted by the members of the Grand Army of the Republic:

Whereas, The preservation of the unity of the Government is the highest duty of all; and

Whereas, It is the duty of citizens everywhere to try and enforce the laws; and

Whereas, Any interference by a so-called ecclesiastical authority with temporal affairs is a menace to the institutions of the country; and

Whereas, The Mormon leaders have for years taught, and continue to teach their people to look upon the Government as an enemy, and continue an organization by and through which the laws are nullified and the flag insulted;

Now, therefore, we the members of the Grand Army of the Republic, in encampment assembled, recognizing the facts, demand that the flag be everywhere respected, and do resolve that it is the duty of the American people to require their representatives in Congress to pass such laws as will effectually release the Territories of the United States from the control of said organization, and will insure to every one the protection of the laws.

At the meeting of the Women's Relief Corps, held the same day, the following, introduced by Mrs. Ida L. Lincoln, president of the department of Utah, was also adopted.

Whereas—There exists in these United States an organization professedly independent of and hostile to the Government, known as "The Church of Jesus Christ of Latter-day Saints," which already holds absolute political control of one great Territory, and is rapidly gaining ascendancy in two others.

Whereas, This organization, by its public teaching of the right to violate national law, when it conflicts with their religious practices, by its doctrines of State sovereignty so fully tested and settled by the civil war; by its overt acts of dishonoring the flag by trailing it in the dust, in contempt of national authority, and by humiliating the same on our national holiday, expressive of the sentiment, "Liberty is dead in Utah;" by these things it has inculcated disloyalty and arrayed itself against the principles of American unity; and

Whereas, The foundation principles of the organization, as well as the practices and public teachings of its adherents, are antagonistic to the American home and subversive of the true instincts of wifehood and motherhood; therefore,

Resolved, That we declare the principles involved beyond and outside of the pale of religious or political questions, and therefore within the sphere of legitimate action by our order, as demanded by our principles found in our rules and regulations, which says that we shall discountenance whatever tends to weaken loyalty.

Resolved, That we deem it imperative upon us to enter our protest against the vile practices and the continued disloyalty of Mormonism, and call upon the loyal women of this Nation to encourage such legislation as shall most effectually suppress the evil.

Resolved, That we be more diligent in preserving the purity of the ideal of the American home.

FROM WEDNESDAY'S DAILY, AUG. 11

The Governor Going East.—Governor Caleb W. West will leave tomorrow morning for Kentucky. He expects being absent about a month. We wish him a pleasant sojourn among his old time friends and a safe return to Utah.

Jailed.—Sheriff Crookston, of Cache County, came down from Logan today, bringing with him Peter Miller, Richard Mooney and Frank Preston, the three tramps who are charged with having burglarized Mr. Hatch's house in Logan, and stolen several pistols from Browning Brothers, Ogden. It is also believed they were associated in a recent burglary in this city. They were placed in the city jail for safe keeping. At the preliminary examination before the justice of the peace at Logan, their bonds to await the action of the grand jury of the First District were placed at \$500, which they could not furnish.

CANVASSING THE RETURNS.

THE "LIBERALS" PROTEST AND ENDEAVOR TO STEAL BEAVER COUNTY.

The Board of Canvassers appointed to canvass the returns of the general election of August 2nd met in the rooms of the Utah Commission in this city to-day. There were present all of the members—Messrs. A. L. Thomas, W. W. Riter, W. C. A. Bryan, M. B. Sowles, and F. Hayt.

The order of the Commission appointing the Board was read by Secretary A. L. Thomas, and on motion of Hon. W. W. Riter, Hon. A. L. Thomas was unanimously elected chairman.

The canvassing of the votes was then commenced, Beaver County being first in order. When Beaver City precinct was reached, the chairman presented the following

PROTEST.

BEAVER CITY, Utah,
August 9th, 1886.

To the Utah Election Commission, Salt Lake City, and Arthur L. Thomas, Secretary.

GENTLEMEN—The undersigned candidates on the Liberal ticket for Beaver County, Utah, at the August election, 1886, hereby protest against the issuing of certificates of election to any of the candidates on the People's ticket, and ask that all of the votes cast at said election at the Beaver precinct, in said county, be thrown out and not counted by you; and that certificates of election be issued to each of the undersigned for the office for which votes were cast for him at said election, on the following grounds, to wit:

1.—Irregularity and fraud in the registration of said precinct, by which names that had been marked "removed" on the list for 1884, and the parties removed from said precinct of Beaver, were again placed upon the list in 1886, after the list had been returned to the county registration officer, without proof of residence, or the taking of the affidavit by law required, and that said parties voted at said election on the 2d inst., at said precinct, and others not on said list were allowed to vote unlawfully.

2.—That the ballot box was not locked, and after the closing of the polls, the judges of election left said box so unlocked in the room, and went off to their meals, and were gone for more than one hour, during which time said ballot box was left unguarded. That said judges did not commence to count the votes polled until after 9 o'clock at night.

3.—That the names of persons qualified to vote in said precinct were left off of the registry list and were not allowed to vote.

4.—That bets were made by two of the judges of election, on the results thereof, and in favor of the People's Party, for which party the majority of votes were returned as having been cast.

5.—That liquors were freely used by the judges of election, and in the room where said judges were receiving votes, during the day of election, and during the time they were counting the votes.

That the accompanying affidavits are made a part of the foregoing protest.

JNO. WARD CHRISTIAN,
WM. M. LOW,
THOS. T. WILLIS,
JAMES MCGARRY,
R. S. LIPSCOMB,
E. W. THOMPSON, JR.,

Accompanying this protest are affidavits from Joseph S. McEwen and James McGarry, alleging that the name of the said McEwen was erased from the registration list in 1884, when he removed to Colorado, and was placed on the list in 1886, on McEwen's return to Utah, without his being required to retake the registration oath; and that Henry Emerson, one of the judges of election, knew that the deputy registrar of Beaver precinct—Jno. Barracough—had so manipulated McEwen's name.

The following additional protest was also submitted:

MILFORD, Utah,
August 4th, 1886.

Hon. Arthur L. Thomas, Sec'y Utah Commission, Salt Lake City,

Sir:—I have the honor to protest against the counting of the votes of Beaver precinct, Beaver County, and also to all votes cast in the rest of the precincts of this county for one Henry Emerson for the office of county clerk. 1st.—As to throwing out all the votes of Beaver precinct. The returns will show that one Henry Emerson acted as one of the judges of said election, and that the name Henry Emerson is false and assumed, the true name of the said so-called Henry Emerson being Henry Cox.

I protest against the counting of all the votes of the said Beaver precinct, as the signature of the said Henry Cox alias Henry Emerson, is void and of no effect.

I protest against the counting of all votes for one Henry Emerson

for the office of county clerk, as in truth and fact no such person as Henry Emerson exists in this county.

Respectfully,

E. MCB. TIMONEY,
Attorney for James McGarry, candidate for sheriff, and attorney for Wm. M. Low, candidate for county clerk, Beaver County.

With this protest is the affidavit of W. McBride, who alleges that the true name of Henry Emerson is Henry Cox; that he is a deserter from the U. S. Army, and changed his name to avoid arrest; that he was once arrested for desertion, and tried at Fort Cameron but was released because of insufficient evidence.

Another communication accompanying this protest is as follows, and accounts for the "milk in the cocoanut":

MILFORD, Utah, Aug. 4th, 1886.

Arthur L. Thomas, Esq.,
Salt Lake City,

Dear Sir.—I send you enclosed protest on behalf of McGarry and Low. We know that Emerson's right name is Cox, and we think we can prove that he is a deserter from the regular army. If we can throw out Beaver we will elect all our candidates. Please advise me as to the proper steps to take in the matter, and oblige, respectfully yours,

E. MCB. TIMONEY.

The protests were laid over to be disposed of at the close of the canvass, and the counting of the entire Beaver vote was proceeded with, resulting as follows:

Commissioners to Locate University Lands.—E. A. Mitchell, 609; C. W. Stayner, 600; I. M. Waddell, 609.

Probate Judge.—F. R. Clayton, 341; John W. Christian, 351.

County Clerk.—Henry Emerson, 640; Wm. M. Low, 250.

Selectman.—Jos. H. Joseph, 609; Alma Barton, 254.

County Recorder.—Edward Tolton, 636; Wm. P. Smith, 253.

Assessor and Collector.—Samuel N. Sloughier, 636; R. S. Lipscomb, 253.

Prosecuting Attorney.—Enoch E. Cowdell, 582; Thomas T. Willis, 301.

Sheriff.—Jesse Baldwin, 394; James McGarry, 244; John G. Armstrong, 200.

County Treasurer.—C. P. Bird, 628; R. Burk, 257.

County Surveyor.—J. F. Tolton, 571; E. W. Thompson, Jr., 318.

Coroner.—Charles Wheden, 611.

Superintendent of District Schools.—R. Maeser, 46.

It will be seen that the People's party candidates have been successful in each instance, the closest being the nominee for sheriff, Jesse Baldwin, an independent ticket having been run in Beaver precinct.

The counting of the votes cast in Box Elder County was next taken up, and was not concluded when we went to press. In one precinct, Park Valley, there was no election, through some misunderstanding.

FROM THURSDAY'S DAILY, AUG. 12

Relief Societies.—Secretaries of the Relief Societies of Salt Lake Stake are particularly requested to send in their reports to the Stake Secretary, Elizabeth Howard, by the first of September, and please be correct in regard to financial statements. Take notice of the items in the blanks and fill out as specified. Reports sent in after the above date will be useless.

Address Elizabeth Howard, 60 East Fourth South Street, Salt Lake City.

Tooele Cases.—On Monday John R. Gillespie, of Tooele, was notified that he was wanted to await trial on a charge of unlawful cohabitation. He was before the Commissioner on a former occasion, but was discharged. His family were before the grand jury yesterday, and it is probable that there was found no ground on which to proceed against him, as he was notified that he was discharged.

Last Monday Thomas Lee, also of Tooele, was served with a notice of arrest on a similar charge, and to-day his family were before the grand jury as witnesses.

Releases and Appointments.—President Thomas Sleight, of the Manchester Conference, and Elders Robert W. Sloan and Wilmer D. Thompson, of the Glasgow Conference, are released to return home with the company sailing from Liverpool August 21.

Elder M. B. Wheelwright is released from the Leeds Conference, and appointed to labor in the Birmingham Conference.

Elder W. F. Rigby is released from the Sheffield Conference, and appointed to preside over the Newcastle Conference.

President Joshua Greenwood is released from his labors in the Leeds Conference, and appointed to labor in the Liverpool Conference.—*Millennial Star*, July 26.

Another Arrest.—Last evening's *Ogden Herald* says:

"This forenoon a covered spring wagon, occupied by Deputy Marshals Steele and McLennan and a stranger, drove up in front of the post office. The gossip inferred that another arrest had been made; inquiry de-

monstrated the truth of the inference, and it was learned that the victim this time was Bishop J. S. Dewey of Deweyville, Box Elder County. He was arrested about three o'clock yesterday afternoon.

Brother Dewey was taken before Commissioner Black and bound over to appear before the grand jury in the sum of \$1,500. The bonds were signed by Job Pingree and W. G. Child. Three witnesses were also put under bonds in the sum of \$200 each.

Body Recovered.—About 6 o'clock last evening the body of Thomas Jackson, who was drowned in Jordan, on Sunday, was recovered from the river, having been raised by the exploding of giant powder. It was so badly decomposed that it had to be handled in a blanket, and was taken to Sexton Taylor's office. The stench emitted from the corpse, in spite of all that could be done, was simply awful and could be smelled several rods away. At 4 o'clock this afternoon Coroner Geo. J. Taylor will hold an inquest, when all of the circumstances relating to the drowning, and the refusal of Newton to rescue his companion, will probably be brought to light. We are informed that the deceased has a brother—Samuel Jackson—at present living in Beaver City.

The Post Office.—The changes that have been going on at the Post Office for the last month are now completed, and give the place a greatly improved appearance, as well as making the interior and exterior arrangements more convenient. The stamp, general delivery, registry and money order windows now face to the front of the building. The lock boxes are all placed together, and the boxes for receiving mail are toward the north side of the room, near the rear. The registry and money order division is separated, on the inside, from the other departments. At the back is arranged the neat and cosy office of Postmaster Browne. The front windows are being enclosed with a sharp pointed iron fence to exclude loafers, who have formerly occupied the large window sills and made themselves a nuisance thereby. The whole place has been carefully painted, and looks as "neat as a pin." Instead of the dim signs which have heretofore hung over the doors, the words "Post Office" will be painted in large and elegant letters on the windows. The ventilation of the building has also received due consideration. The transformation of the former dingy and uncouth-looking place to its present condition is highly creditable to Mr. Browne, who is giving thorough satisfaction in his official capacity.

CHINESE JEALOUSY.

A WOMAN MURDERED IN WYOMING.

A dispatch was received from Evans-ton, Wyoming, this afternoon, as follows:

A Chinese murder of the most horrible character has been discovered here by the sheriff. Two Chinamen are charged with murdering a Chinese woman and chopping her remains in pieces which, on being weighed, were found to be each of corresponding weight to the other. The Celestials were taken by the sheriff to Green River and held for trial. The murderers are said to have been jealous of the attentions a white man was paying to the woman.
