club yesterday was sensational and kept a big gallery on tiptoe constantly. Gar-nett defeated Jimmy Sallsbury through cool, heady playing. Garnett was pick-ed as a winner for in detesting Jimmy he had played a deadly accurate game. Next came Walker Sallsbury to meet the conqueror of his brother. Garnett started out driving hard and accurately and Walker loss the first set as was expected. Then came an upheaval, which threw the talent all topsy-tury. Garnett was still playing his steady game, but Walker was simply hitting the little ball with territe force, quick-ness and accuracy. The first set had cone to Garnett, 6-3, who outplayed Walker; it he second set went to Walker. 6-0. This was certainly a reversal of form and interest in the third and deciding set was intense. Garnett and Sallsbury started out, both strong and determined to vin, Sallsbury had been touted for a falling to pieces but the croakers were doomed to disappointment for the young-ster was at top form and Garnett was playing more cooly and stendily than usual, which is saying a great deal. The saltsbury took the remaining three games from the old state champion, one by one, each game being contested bli-terly. No more racing will be seen on the Saltar coliscum this season. Manager Johny Chapman left for the east yes-terday and riders who have been signed in to ride at the lakeside exclusively follow Chapman today. Jackle Clarke, the Australian wonder, and Henri Mayor, the Flying Dutchman, start out for New York where they will ride in a six-day nee at Madison Square Garden. In an probablity the pair will go to Paris, where McFarland also expects to ride through the winter season. While the Saltar track has served up snappy races and drawn large crowds it is admitted

"Wise Old Joe" Maddock, coach of the University football team, has invited the Kigh School players to go out to La-goon and join the "U" squad in its training. A strong desire has been shown to accept this invitation for the High School boys see an opportunity of getting wised up and toughened up in great shape by being with the Univer-sity stars through the training senson. Coach Maddock has done much to strengthen friendliness between the "U" and the High School and his latest move is a noteworthy piece of diplomacy.
